Brief Introduction

- Shijiazhuang DongLian Co.,Ltd has over 10years experience in the rainwear & clothing production. We have two factories, are BSCI and ISO9001 certified factories with rich experience.
- We own three types of production lines, mainly about sewing, high frequency and seam taped procedures.
- Mostly we offer OEM service as per customer requirements, including outdoor rainwear, workers rainwear items & clothing products etc.
- We focus on business to business sales and are dedicated to offer qualified goods with better service to our customers.
- Our quality could meet REACH, ENISO, ANSI, ASTM, NFPA, AS/NZS, CSA standards as requested. Our products are selling to over 80 countries around the globe, including North America, Europe, Oceania,Southeast Asia, Africa and Latin America, etc.
- DongLian is always prepared to offer not only correct goods, but also better service. Hope to establish long term business relations with you.
