

Shenzhen Jim Upper Technology Co., Ltd

Company Brief

Shenzhen Jim Upper Technology Co., Ltd is specialized in design, manufacture and marketing of home care and fit related appliance, covering floor care, food care, personal care and health care product.

Our engineering team have a lot of experience on OEM and ODM project on the household appliance, beauty product and fitness product. We can convert customer's idea and spec into physical product from ID design, engineering drawing, tooling, testing and certificate application.

Our factory is with BSCI and ISO certificate. We put customer's requirement as first priority and act promptly at the request of customers. We have strict quality control procedure from incoming material, process and finished goods before shipment. The quality is well controled in every step. We have reliable delivery date and flexible service.

Our products are exported to America, Europe, UK, Korea, Japan and middle east. We have built long term business relationship with more and more customers due to repliable quality, flexible service and outstanding products.

Wet & Dry floor cleaner

Product Description:

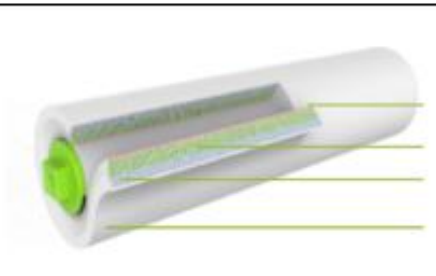

This is a revolutionary product in cleaning industry due to its innovation technology & unique feature. We've spent more than 2 years on the technology innovation and verification testing to make it outstanding and unique in the market to compete with Karcher, Bissell and Sharp.

Specification:

- * **Model #:** B20
- * **Name:** Cordless 2-in-1 wet & dry cleaner
- * **Dimension:** 260mm x 193mm x 1150mm
- * **Power:** 20W
- * **Battery:** 3 x 2200mAh lithium battery
- * **Charging time:** 2.5 hours,
- * **Runtime:** 60 minutes
- * **Noise:** Below 65 dbs
- * **Dustcup capacity:** 250ml,
- * **cleaning water tank:** 3300ml
- * **Dirty water tank:** 3300ml

Outstanding feature:

- * Self-cleaning system,
- * Self-driving moving forward
- * All-in-one cleaning, clean wet & dry dirt together
- * Better edge cleaning,
- * Low noise.

		
	Unique Sweeping Tech	all-in-1 cleaning
		
	One button self cleaning	Self-standing & Water tank
Cordless wet & dry Mop & Sweeper		
	Patented Roller Design	Patented Motor Design

2-in-1 Pole Vacuum Cleaner

Product Description:

This appliance can be used as handheld for spot cleaning and stick vac for floor cleaning. Built with brushless motor, it's more powerful, lower noise and longer life.

Specification:

- * Model #: VC2702.
- * Size: 116 x 23.5 x 22cm, weight: 2.40 kgs
- * Power: 160W
- * Battery: 6 x 2200mAh lithium battery
- * Charging time: 3.5 hours,
- * Runtime: 35 minutes
- * Suction Power: 17KPA
- * high & low speed mode.
- * Easy empty of dust
- * Cyclone filtration design

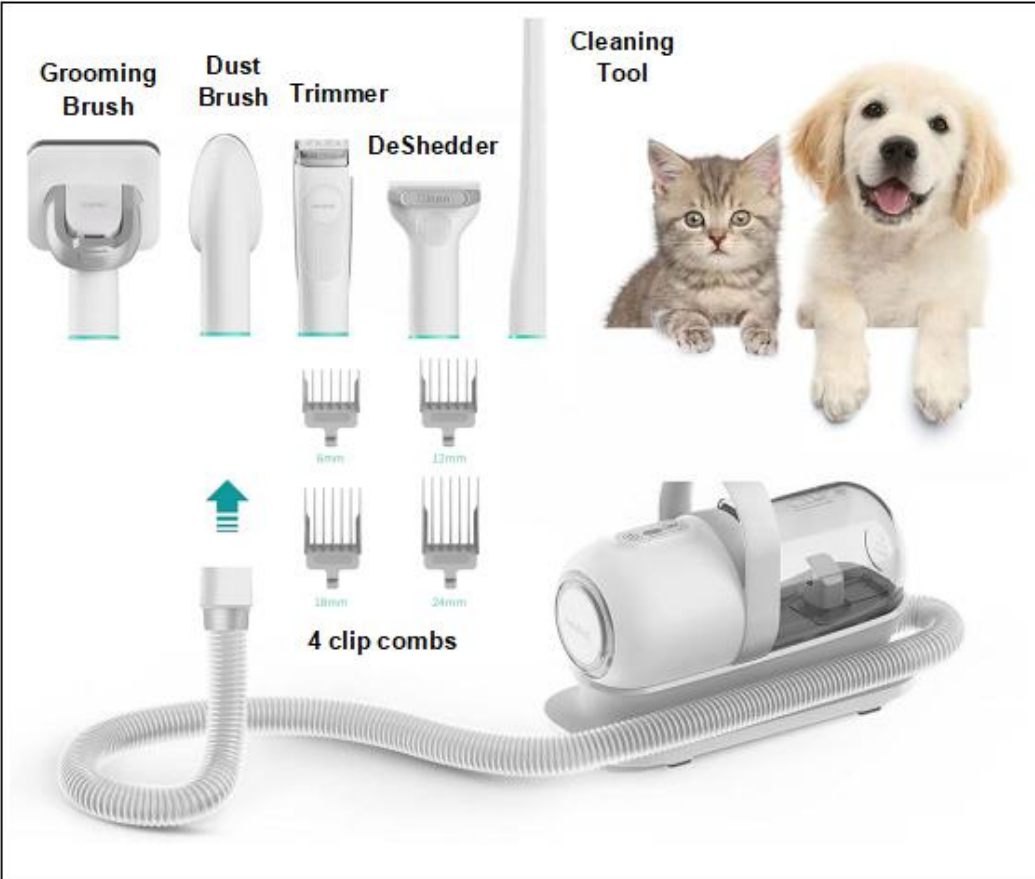

Pet grooming kits and vacuum cleaner

Product Description:

This appliance is designed for grooming your pets w/o mess, and it can collect the pet hair into a vacuum container while trimming and brushing hair, which can keep your home clean, and no more tangled hair, nor piles of fur spreading all over the house. It can also be used as vacuum cleaner for cleaning the hair & other dirt on the floor, sofa and carpet.

Specification:

- * **Model:** P1
- * **Name:** Pet grooming kits and vacuum cleaner
- * **Size:** 290*132*210mm, N.W.: 1.90kgs
- * **Function:** grooming, trimming, brushing & cleaning your pets w/o mess, home vacuum cleaner
- * **Power:** 300W
- * **Sunction power:** 95AW
- * **Hose Length:** 1.3m
- * **Low noise:** <76 dbs
- * The adjustable clipping comb(6mm/12mm/18mm/24mm) is applicable for clipping hair of different lengths
- * **Accessory:** 1.Trimmer 2.Grooming brush 3.De-shader 4.Cleaning Brush 5.Cleaning Tool,6. clip combs

Powerful Handy Vacuum Cleaner

Description:

It is designed for spot cleaning for home, office and car use. It can be also used for vacuum sealer for food fresh keeper and space saving storage bag.

It's with metal finish, BLDC motor and 10.8V battery pack. The suction power is 16KPA, and runtime can be 25 minutes. Two speed operation, easy empty and space saving storage

Specification:

- * **Model:** AKL-01
- * **Dimension:** $\phi 54 \times 305 \text{mm}$, Light Weight: 0.55kgs
- * **Power:** 120W; Super Strong Suction Power: 16,000PA
- * **Battery:** 10.8V, 3 x 2000mAh lithium battery pack
- * **Motor:** BLDC motor, much lower noise, stronger suction power and longer life.
- * **Dual filtration:** Metal Mesh + HEPA filter
- * **Two Operation Modes:** High speed, low speed
- * **Suction Power:** high speed, 16KPA, low speed, 9KPA
- * **Runtime:** high speed, 13 minutes; low speed, 25 minutes
- * **Accessories:** two flat nozzle, one brush, USB cable, optional: charging dock, adaptor

Powerful Handy Vacuum Cleaner

This rechargeable handheld vacuum cleaner is designed for spot cleaning for home use (floor, table, sofa, curtain, bed etc) and car use.

Pls find below outstanding feature:

- * Built with BLDC motor, stronger suction power, lower noise and longer life.
- * Two Speed Operation: End user can choose the stronger suction power or longer run time based on actual cleaning purpose.
- * Easy Dusty Empty: One button to empty the dust while keeping the hand clean.
- * Small size and longer body. Easy to carry and easy to clean those areas in higher place.

		 LED Indicator  Wide Nozzle  Dust Easy Empty
Unique Design Model: VC0801 Size: 490mm x 130mm x 100mm, Lightweight: 0.62kgs Function: Spot cleaning for floor, table, sofa, curtain, keyboard and in car Power: 120W Suction Power: high speed: ≥12KPA, low speed: 8KPA Battery: 10.8V, 3 cell 2200mAh 18650 batteries Charging time: ≤3 hours, output: DC 15V,1A Runtime: low speed: 35 minutes, high speed: 12 minutes Double filtration: metal mesh + rinsible HEPA filter Big Dustcup Capacity: 120ML, easy empty for dust	Use with 2-in-1 dust brush	

Car Vacuum Cleaner

Product Description:

This vacuum cleaner is designed for spot cleaning for home and car use. It's slim and light weight and long run time. Pls see below spec for details.

Specification:

- * **Name:** Car Vacuum Cleaner
- * **Size:** $\phi 58\text{mm} \times 215\text{mm}$. **Weight:** 408g
- * **Function:** spot cleaning for home, office & car
- * **Power:** 42W
- * **Suction:** 5KPA
- * **Battery pack:** 7.2V, 2600mAh, 21.84WH
- * **Charging Time:** 2~3 hours with USB 5V,2A cable
- * **Runtime:** 30 minutes.
- * Two speed operation
- * Metal finish.
- * **Accessories:** Crevice tool, Brush, USB cable,

Robot Window Cleaner

Product Description:

This robot window cleaner is designed to auto clean the window, glass door and mirror etc. It can also replace people to do those risk cleaning work on glass wall of high building.

Specification:

- * **Model:** RWC02
- * **Size:** 245mm x 240mm x 86mm, N.W.: 1.52KGS
- * **Power:** 72W
- * **Power Supply:** DC24V, 3.75A, 5m extended cable.
- * **Water Tank:** 36ml
- * **Cleaning Speed:** around 2.5minute/m²
- * With water spray function, it can wet mop or dry mop the glass
- * Smart cleaning path & voice report
- * Edge detective sensor
- * 4m safe rope, tensile strength 150Kgf
- * Backup lithium battery power, for 40' standby mode
- * Indicator Light: Blue: cleaning, Red: fault report, Green: Water Spray

Power Station & Emergency Power Supply

Product Description:

It's used for outdoor power supply and emergency power supply at home. It can be charged by wall charger, car charger or solar panel. There's USB output, DC output and AC output. It can be used for charging the small electric device, light, or supply power to small appliance. We've 300W, 500W and 700W for option.

Specification:

- * **Model:** GD-T300, GD-T500, GD-T700
- * **Name:** Outdoor Power Station & Emergency Power Supply
- * **Function:** charge electronic device, supply power to small appliance, LED light
- * **Battery Capacity:** 20Ah, 22.5Ah, 30Ah for option
- * **Charging way:** home charger, car charger, solar panel
- * **Output port:** USB Port, DC port, AC port
- * **Lamp Type:** 4W Ultra bright LED light With SOS/ Blink mode
- * **Accessories:** AC adaptor, Car charger

Smart Auto Sanitizer Dispenser

Product Description:

This smart auto sanitizer dispenser is infrared sensed non contact dispenser. It can be placed on desk, floor or hung on the wall. Large tank capacity and low volume warning, dual power source and low power warning, it's very suitable to be used in school, hospital, library, restaurant and office. The optional temperature function can detect the abnormal temperature for people passing by.

Specification:

- * **Model:** WZ-001
- * **Name:** Non-contact Smart Solution Dispenser
- * **Dimension:** 132mm x 399mm x 163mm
- * **Function:** auto dispenser for sanitizer,
- * **optional function:** abnormal temperature detection
- * **Power:** 10W
- * **Feature:**
 - 1) 1200ml large capacity for sanitizer or soup solution
 - 2) 3 level spray volume: small, medium and big
 - 3) Warning for low volume solution, low power, abnormal temperature
 - 4) Dual Power Supply, battery & power adaptor.

Fridge Deodorizer & Sterilizer

Product Description:

This mini ball is designed for deodorization and sterilization for refrigerator, wardrobe, shoes cabinet and other enclosed area.. It can keep the food fresh longer, slow down the self-ripe of some fruit and degrade the pesticide residue on veggie & fruit. It can also remove the formaldehyde. After fully charge, it can use for 15 days.

Specification:

- * **Model No.:** FS001
- * **Function:** sterilize bacteria, remove odor smell and formaldehyde, keep fresh and healthy
- * **Product Size:** dia 80mm x 78mm, N.W.: 0.15kgs
- * 5V USB charging time
- * **Working power:** <0.5W
- * **Ozone output:** 20mg/h
- * **Use time:** eco mode: 15 days, boost code: 4 days

Fridge Deodorizer & Sterilizer

Designed for Refrigerator Use

Small Size, Space Saving

Keep Food Fresh, No Odor, Smell

Fridge Deodorizer & Sterilizer

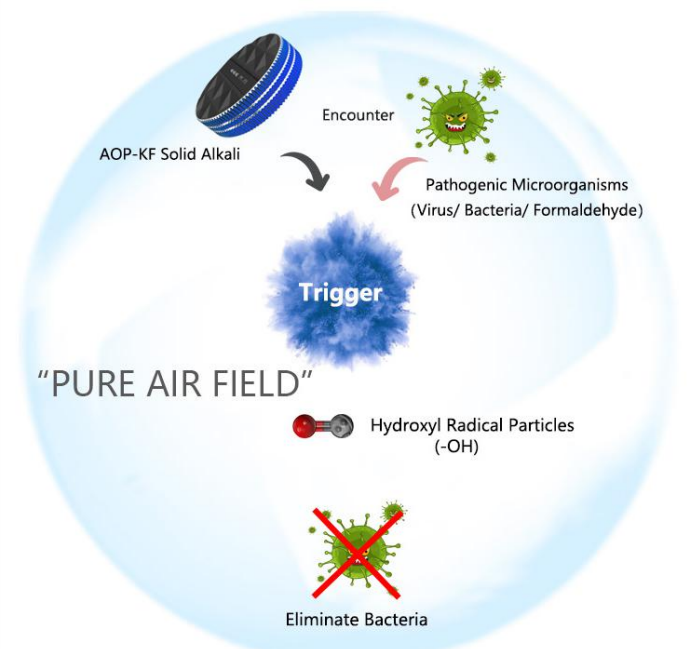

Product Description:

This innovative device use our patented technology AOP_KF Alkali for sterilization and deodorization. When the Alkali inside our device encounters air pollutants, strong oxidizing particles are activated, and it will oxidatively decompose and eliminate viruses, bacteria.

It's widely used in refrigerator to keep the air clean and food fresh & healthy. It can be also used in car, shoes cabinet, wardrobe and toilet to remove the formaldehyde, odor smell and kill bacteria.

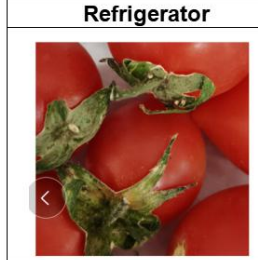

Specification:

- * Model: BX-A01
- * Size: dia 72x18mm, weight: 60g
- * Product Name: AOP_KF Alkali Sterilizer & Deodorizer
- * Function: sterilization, deodorization, shelf life extender, food fresh keeper
- * Scenario: refrigerator, shoes cabinet, wardrobe, car etc
- * Product life: about 6 months
- * Advantage: no need power. no ozone, higher efficiency

Detoxification Washing Machine

Product Description:

This appliance is designed to wash the veggie, fruit, meat, seafood & tableware more efficiently. It adopt pure physical degradation technology to decompose water into hydrogen ion H and hydroxyl radical -OH without secondary pollution. The -OH has below function of disinfection, degradation of chemical residues and hormone, and purification of water

Specification:

- * Model #: G60
- * Name: Detoxification Washing Machine
- * Size: 408x288x260
- * Function: Washing & disinfection, degradation of chemical & hormone, water purification.
- * Capacity: 11L Time setting: 1~60 minutes
- * Ozone volume: 200mg/h
- * Voltage: 100~120V or 220~240V
- * Pipe drainage

Kitchen Garbage Disposal

Product Description:

It adopts new technology to grind, dehydrate and sterilize the kitchen waste, including seafood shell, poultry bone and fruit/branches/leaves. The treatment can be stored in seal container for long time and it can be used for plant fertilizer or pet food. There's no need to take out garbage every day. It helps to protect the environment and keep the community clean and hygiene.

Specification:

- * Model #: KGD01
- * Name: Kitchen Garbage disposal
- * Size: 25x25x40cm, Weight: 8.50kgs
- * Function: turn kitchen waste into treasure (soil fertilizer, pet foods)
- * Method: grinding, drying, sterilization & deodorization
- * Capacity: 1500ml
- * Processing time: 1~5 hours
- * Power: 700W
- * Object: leftovers, viggie residual, meat scraps, meat scraps,fruit peel & shell, poultry & fish bones

Deodorizer & Sterilizer for Pet Room

Product Description:

This product is used for deodorization and sterilization of your pet room, refrigerator, toilet, cabinet & wardrobe etc. It adopts natural plant extracted toxic free tea polyphenol to remove the odor smell, suppress the suppress mould & fungus and sterilize spore.

Specification:

- * **Model:** C8
- * **Name:** Pet Deodozier & UVC Sterilizer,
- * **Size:** 103mm x 103mm x 35.3mm
- * **Function:** Deodorization & Sterilization,
- * **Working Theory:** with toxic free tea polyphenol, extracted from natural plant extract material.
- * **Function of tea polyphenol:** remove odor, suppress mould & fungus, sterilize spore
- * With **4 high UVC Led**, 99.9% sterilization
- * With **body sensor & light sensor**, it can detect the living object and environment light
- * **Power:** 2W, **Battery:** 3.7V, 2000mAh
- * Manual mode & smart mode operation

Food sealing machine

This multi-functional vacuum and sealing machine, used for keeping food healthy and fresh, preventing from humidification, spoilage and damage.

It can vacuum and seal dry food, wet food, meat and powder, and it can also be used for vacuum sealing container.

Pls see below for details;

- * Model No.: DS3600
- * Size: 398mm x 150mm x 70mm, net weight: 1.20kgs
- * Name: Multi-functional Vacuum & Seal Machine
- * Function: Keep food health & fresh, prevent from humidification and spoilage
- * Power: 120W
- * Simple Sealing Time: 6~15 seconds
- * Vacuum & Sealing Time: 10~20 seconds
- * Vacuum Pressure: -40Kpa/-60Kpa
- * Feature: 1. Suitable for dry, wet, meet and powder food
- 2. Long sealing edge, Sealing multiple bags at one time
- 3. Simple sealing, or vacuum and sealing function
- 4. Vacuum sealing container
- 5. Screen touch panel, easy operation
- 6. With built-in cutter, auto-cut the bag after sealing

Silicone Facial Cleaning Brush & Massage

Product description:

This shell alike product is designed for facial cleansing and massage. It can deep cleanse the facial dirt, makeup residues & blackheads etc, and massage the muscle to promote the blood circulation and nutritious absorption. Help reducing oil, clogged pores and acne.

Specification:

- * **Model:** K-JM001,
- * **Name:** Electric facial silicone cleanser & massager
- * **Function:** deep cleansing and massage
- * food grade silicone material, no odor smell
- * 5 speed vibration massage.
- * IPX7 waterproof
- * Rechargeable by USB cable

Electric eyelash heated curler

This electric heated eyelash curler head adopts ergonomic radian design, perfectly fits for eyelashes curve, creates a long lasting and graceful curling effect, helps create exquisite eyelash makeup.

Model: K-CU1908

- * 10 Second Quick Heat, fast curling
- * temperature control,
- * two temperature display (65 degree & 85 degree)
- * double circuit protection
- * with 450mAH rechargeable battery
- * USB charging, with LED charging indicator
- * automatically power off if standby for 5 minutes
- * option color: black, white, green or customize color

High Speed Hair Dryer

Product Description:

This appliance is with 100K RPM brushless motor and constant temperature design, so it can dry the hair much faster than normal hair dryer without damaging the hair. Instead, it can care the hair with ionizer function. 3 wind speeds and 3 pcs temperature can make it suitable for all kinds of hair style.

Specification:

- * **Name:** Constant Temp Ionic Hair Drier
- * **Size:** Dia 38mm x 290mm, N.W.: 550g
- * **Power:** 1100W; **Cord length:** 1.8M
- * **3 temperature setting:** hot, warm and cool.
- * **3 speed setting:** high, medium, low
- * **Hair protection:** constant temperature prevent hair from over heating damage
- * **Hair care:** 50million negative ion provide hair care
- * **Unique design** w/detachable hair brush, applicable for short hair, long hair, curly hair

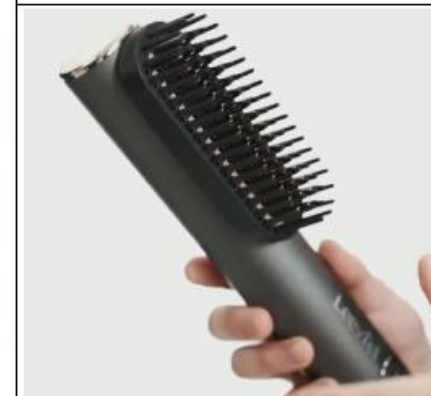

Constant Temperature Ionic Hair Drier

Strong Wind

100K RPM BLDC motor

Detachable Brush

Hair Strengtheners

Product Description:

This product is designed to straighten the hair and make the fashion hair style. It can be heated in one minute. It's with PTC heating plate, 5 settings of constant temperature, suitable for straight hair and curls. It will be auto-off without operation in 1 hour

Specification:

- * **Model #:** HY038
- * **Name:** Hair Straithener
- * **Size:** 285x32x48mm, N.W.: 0.40kgs
- * **Function:** straithen the hair, make fashion hair style, suitable for staight hair or curls
- * **Voltage:** 100~120V, or 220~240V
- * **Power:** 40W
- * PTC ceramic heating, constant temperature heating technology, Quick heating in 1'.
- * Auto off without operation in 60 munites
- * 5 temperature setting, 140°F, 250°F, 325°F, 400°F, 450°F

IPL Hair Removal

Product Description:

This device adopts IPL technology to permanently remove body hair as it can break the hair cycle regeneration. With 500K flashes and 5 energy levels, it's suitable for different skin. You can adjust the level according to the skin area and hair growth speed. Its LCD Display can show the remaining flashes times, energy level and flash mode clearly.

Specification:

- * **Model:** IPLHR10, **Name:** Laser Hair Removal
- * **Size:** 216 x 68 x 48cm **Weight:** 1.10kgs
- * **Function:** Permanently remove the hair from Bikini area, arms, lips, face, back, armpit and legs
- * **Input:** AC100-240V 50/60Hz, **Output:** 12V4A
- * **Power:** MAX48W
- * **Light wave:** 530nm,
- * **Flash:** 1.9-3.9J/cm, **Life** 500K flashes
- * 1~5 energy level, suitable for different kinds of skin
- * manual and auto mode,
- * IPL technology, safe to use, permanently remove the hair.

Electric Hand/Feet Warmer

This device is used to warm the hands, feet, body and bed. It adopts total different heating theory, ceramic heating after connecting power. There's no liquid, nor batteries inside, and it's using incombustible material, no safety concern of liquid leakage, or explosion.

* Model No.#: H1

* **Name: Portable Hand Warmer**

* Size: 125 x 49.5 x 197mm,

* Function: warming hands, feet, body, clothes and bed.

* Using different heating theory, ceramics heating after connecting power

* No liquid nor battery heating. No liquid leakage nor explode concern

* Using inconbustible material, no safety concern

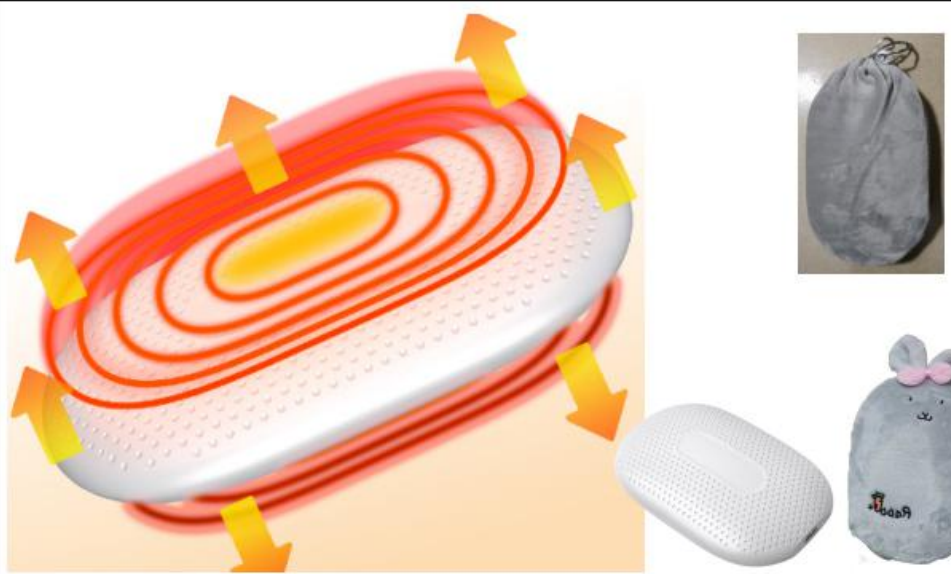

* 3 minutes heating, 120 minutes keeping warming on all sides

* Internal temperature: 110°C, surface temperature: 70°C

* Feeling temperature: 45°C~55°C, after put into bag.

* Safe to use, smart protection, auto off for over voltage or over current

* Small size & light weight, easy to carry & storage

Portable Air Cooler

Product Description:

This portable appliance is used for cooling, humidifying and purifying your personal space. With two icy pack, one water curtain, it can significantly drop the temperature by 5~6 degree in Summer. The ionizer helps to purify the suspended dust, smoke, pollen in the air.

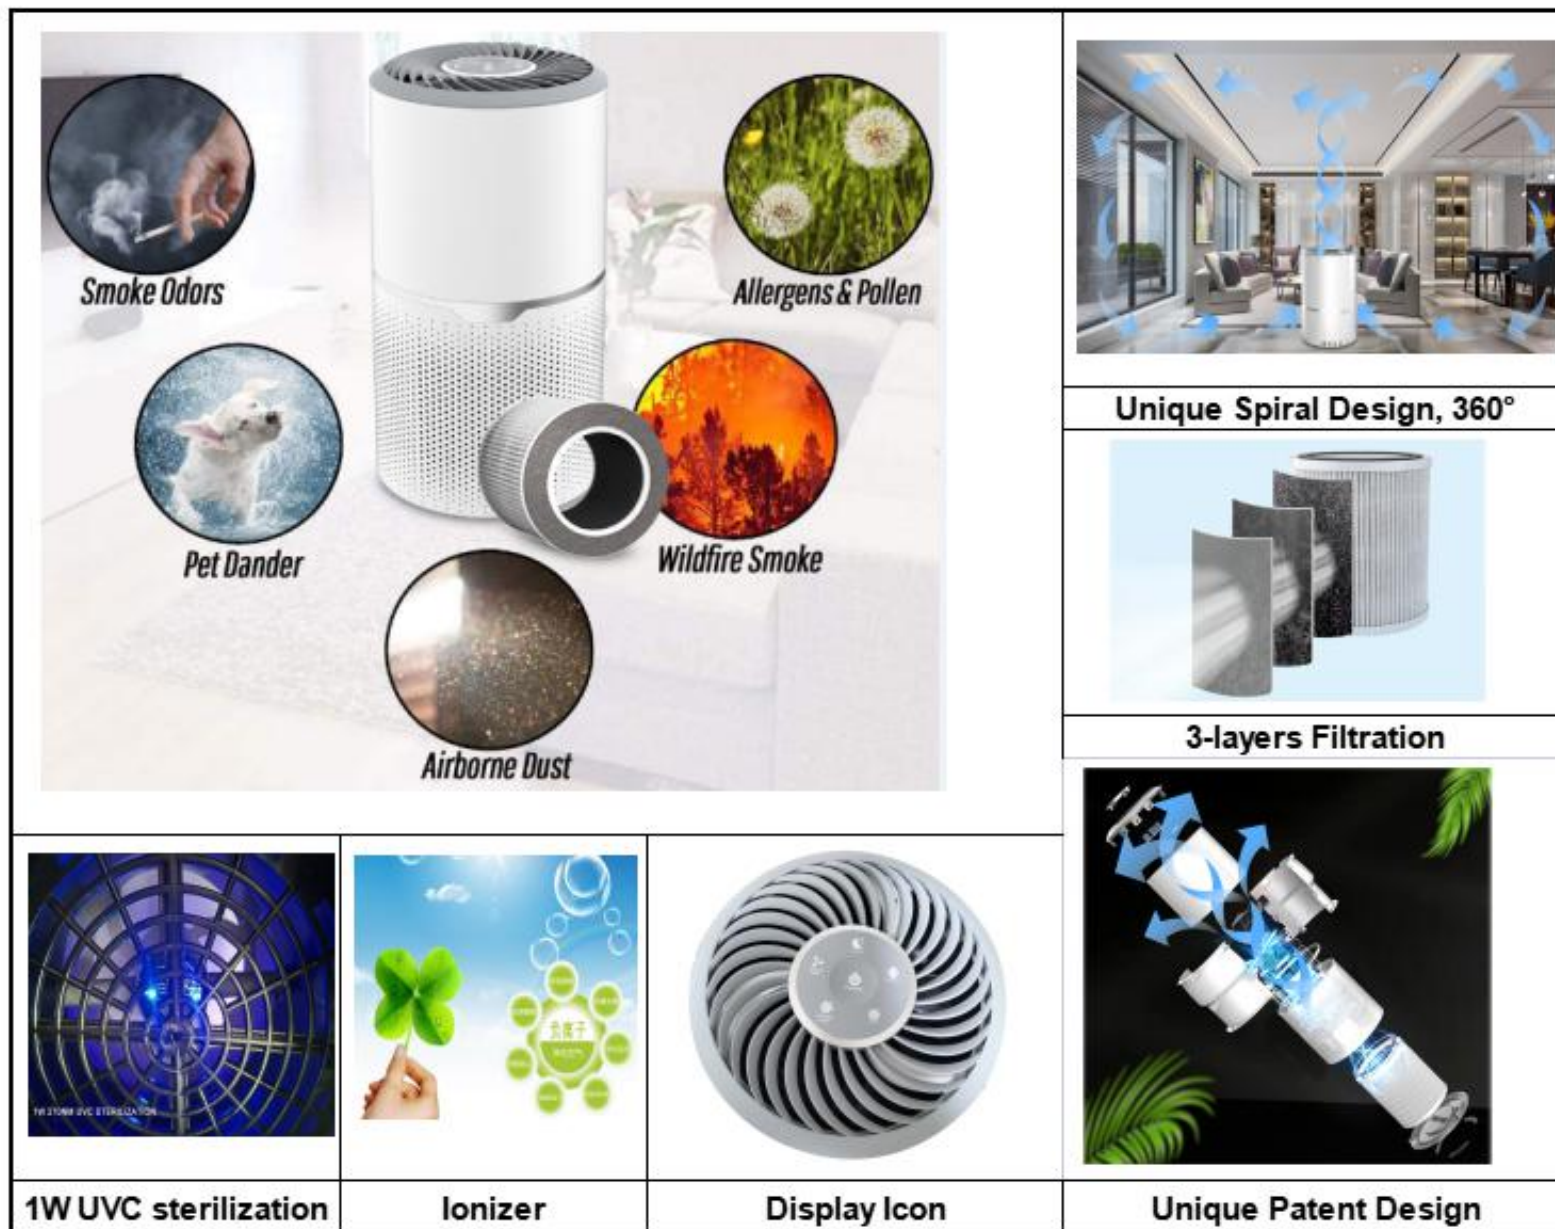

Specification:

- * **Model:** ARC-30
- * **Product:** 3in1 Purifier, Cooler and Humidifier
- * **Size:** 220mm x 171mm x 209mm, N.W.: 0.80kgs
- * **Power:** 5W
- * **Operation Time:** 6~8 hours
- * **3 speed wind:** sleeping, normal & Turbo
- * **Rated Voltage:** 5V2A
- * **Negative Ion:** 15Million/cm³

Car Air Purifier

- * **Model:** AP43 **Name:** Car Air Purifier
- * **Dimension:** $\phi 70\text{mm} \times 200\text{mm}$, N.W.: 0.35kgs
- * **Function:** Purify air, remove odor smell & formaldehyde,
- * **Optional Function:**
 - 1) Negative ION function. 3~9 million pcs / m^3
 - 2) UVC light for disinfection
- * **Specification**
 - 1) 3 filters: Front filter, H13 HEPA filter, Active carbon
 - 2) 3 speed mode: high, medium, sleep mode
 - 3) Noise: Extreme low noise $\leq 35\text{dB}$
 - 4) Cadr: $>20\text{m}^3/\text{h}$
 - 5) Power: 2W. input: Type-C cable 5V1A
 - 6) Cover area: 5~15 square meters
 - 7) UVC LED: 1W 270NM wave length, 99.99% sterilization
 - 8) ION function, 3~9 million pcs / m^3 Negative ION

Humidifier

Product Description:

This appliance is designed for humidifying the air and purifying the air dust by producing the mist high to 800mm into the air without making the floor or surface wet. With 3L water tank capacity, it can be used for 30 hours if choosing low speed.

Specification & Feature:

- * **Model:** HM0801
- * **Product:** Humidifier
- * **Size:** 175x175x288mm, N.W.: 1.20kgs
- * **Operation Time:** 10~30 hours
- * **3 speed wind:** low, midium, high
- * **Water tank:** 3L
- * Three speed volume, suitable for different scenaria and seasons.
- * Tiny mist spray high to 800mm, only humidify the air, not wet the surface.
- * Easy to refill water. Easy to clean
- * Auto off protection when lift water tank, or water shortage
