Supply-Chain Managment In China

www.sleeping-bag.net

ABOUT US

Dalian Eaglesight Corporation Limited was founded in 2002, and is located in Dalian, a beautiful seaside city in northeast China.

Our team includes experts in design, purchasing, quality control, and client service.

We have been focusing on providing the best outdoor camping products, such as backpacking tents, canvas tent, roof top tents, inflatable tents, down sleeping bags, inflatable sleeping pads, trekking poles, dry bags, camping furniture and other camping gears.

We also provide OEM and ODM services, and we can customize products according to our clients' needs. With more than 20 years professional experience in the outdoor gear industry, our team will help perfect your design to make impeccable products for your customers. And your design will be protected.

We have a very strict quality control system set up according to the AQL 2.5 standard. Every order will be inspected by our QA team and an in-process inspection will be carried out at our clients' request.

We are working with some world's best shipping and logistics companies, ensuring that your goods are protected and delivered safely and on time.

We have acquired certifications of ISO9001, BSCI, SGS, along with many other patents and quality audits. These certificates prove that we are the right partner for you to work with. For us, the certificates show our commitment to provide the best products and best service to our partners. We strive to achieve the highest standards and the most innovative products.

What we do is make sure that high quality products are delivered to you!

Right now, marks our transition into a trade and manufacturing company.

Our mission is to help more and more people enjoy the outdoors and nature. Our goal is to supply our clients with the best outdoor products and services at a competitive price.

We have been serving 64 world famous clients from 31 countries and that number is only growing. We are building more and more relationships and entering more markets around the world.

We are looking forward to working with you!
