1 Company Profile

WALARM - is a high-tech enterprise headquartered in Shenzhen, China. The company was founded in 2003 and focuses on the research, development, production, and sales of computer memory and solid-state drive (SSD). Currently, the company has 2 production factories and 3 import and export trading companies. Its products are exported to more than 30 countries and regions in Asia, Europe, North America, South America, and other regions.

Company Affiliation

2 FACTORIES:

Shenzhen XMD Technology Co., Ltd
Shenzhen Meixin Electronics Co., Ltd

3 TRADING COMPANIES:

Hong Kong Showmei International Limited
Shenzhen Shenzhou Zhiyuan Technology Co., Ltd
Shenzhen Shark Navigator Technology Co., Ltd

Global Market

Our products are exported to more than 30 countries and regions including Asia, Europe, North America, and South America.

This submitted sample of the equipment has been tested and found to comply with the following standards:

• FCC Part 15 B
• ANSI C63A-2014

This verification is part of the full test report(s) and should be read in conjunction with it. The relevant test report(s) show that the product complies with standard(s) recognized as giving presumption of compliance with the essential requirements in the specified FCC standard. This verification does not imply assessment of the production of the product. It is only valid in connection with the test report number: LST210060059R.

The submitted sample of the equipment has been tested and found to comply with the following standards:

• FCC Part 15 B
• ANSI C63A-2014

This verification is part of the full test report(s) and should be read in conjunction with it. The relevant test report(s) show that the product complies with standard(s) recognized as giving presumption of compliance with the essential requirements in the specified FCC standard. This verification does not imply assessment of the production of the product. It is only valid in connection with the test report number: LST210060059R.

The following equipment:

Description of Product : LST Test Data Sheet

Model No. : LST 210060059R

Series Model : LST 210060059R

Test Name : N/A

Report No. : LST210060059R

A firm self-certification to comply with the requirements of FCC Part 15B, Division 1, subject to the following conditions:

(1) This device may not cause harmful interference.

(2) This device must accept any interference received, including interference that may cause undesired operation.

If it is understood that each unit marketed is identical to the device as tested, and any changes to the device which could adversely affect the emissions characteristics will require retest.
