About US

Wenzhou Guipai Electric Co., Ltd. It started its activities in the field of electrical goods in 1995. It manufactures electric switches, wall sockets, adapters, extension sockets, plugs etc. We provide OEM, ODM and OTM services here. Based on the expertise in mold design, manufacturing, and sales combined, we are proficient in re-designing and custom-making products according to samples provided by our customers. We also develop high-quality, reliable products with special designs by leveraging our own Research & Development capabilities and our own mold factory. This ensures your products are unique and confidential.

With decades of manufacturer experience in quality control, we deeply understand that quality is the lifeblood of an enterprise. So the products are strictly controlled from raw materials to finished products with various testing instruments in every manufacturing step in the laboratory.

Aesthetics and functionality go hand in hand with quality and slim design. Meanwhile, the variety of colors based on the simplicity of white can meet all requirements. Playing with various colors gives its own perspective when combined with simple lines. The clean design brings inspiration to the highly decorative applications in this area. Wenzhou Guipai Electric Co., Ltd. manufactures products for the Chinese and world markets with the slogan "Our products, your success" and will strengthen its current leading position in the field of electrical products. Wenzhou Guipai Electric Co., Ltd. aims to successfully represent China with its high quality and modern design.

Various colors

Plating frame and PC frame
are available

The design is meticulously crafted
and more aligned with your
decorative style.
