## About us:

Shanghai Tingwell Headwear Co., Ltd is a professional and experienced caps/ hats manufacture in China. Our factory gets about 80 experienced workers and production capacity reaches 200,000-250,000pcs per month. What's more, our factory have already passed BSCI audit and Sedex audit, and can arrange any other audits per customer's particular requirements too. Below some more detailed info for your referecne.

Our main products including all kinds of baseball caps, military hats, sun visors, bucket hats, knitted- hats, scarves, gloves, etc. All our products have been exported to US, European countries, Japan, Australia and South Africa, etc. Customers we current work with, such as COPPEL, DD&P, MITCHELLS, PULL IN, Lizzard & Lizzy, BAMBOU, PRODUCT ZONE, CHALKTALK, APC, IQ, LALTEX, etc.

We have professional/experienced merchandising teams, managers and technicians, as well as advanced sewing machines, Japanese Tajima and Barudan embroidering machines. We supply one stop services, you just need to send us inquiries or artworks, reference samples, etc. then we can handle all following things from inquiries to sample making, production and shipping. Back-up by our strong experience and expertise in the caps/hats field, you will feel very comfortable and easy to work with us.

To know more about us, welcome to browse our website [www.tingwell.com](http://www.tingwell.com) or email/call us for any request or questions.

If you or your colleagues will visit China in the coming times, you are warmly welcomed to visit our office/showroom in Shanghai and factory in Chengdu city. Our business philpsohy is "Survival out of best quality, development under best service".

Looking forward to meet with you!
