

Shenzhen Golden Star Technology Ltd

Professional manufacturer and exporter of computer peripheral.

Our Mission:

Pursuing the financial and spiritual happiness of all employees, being committed to becoming a trusted partner of customers.

Our Vision:

Technology innovate future,connecting a better life.

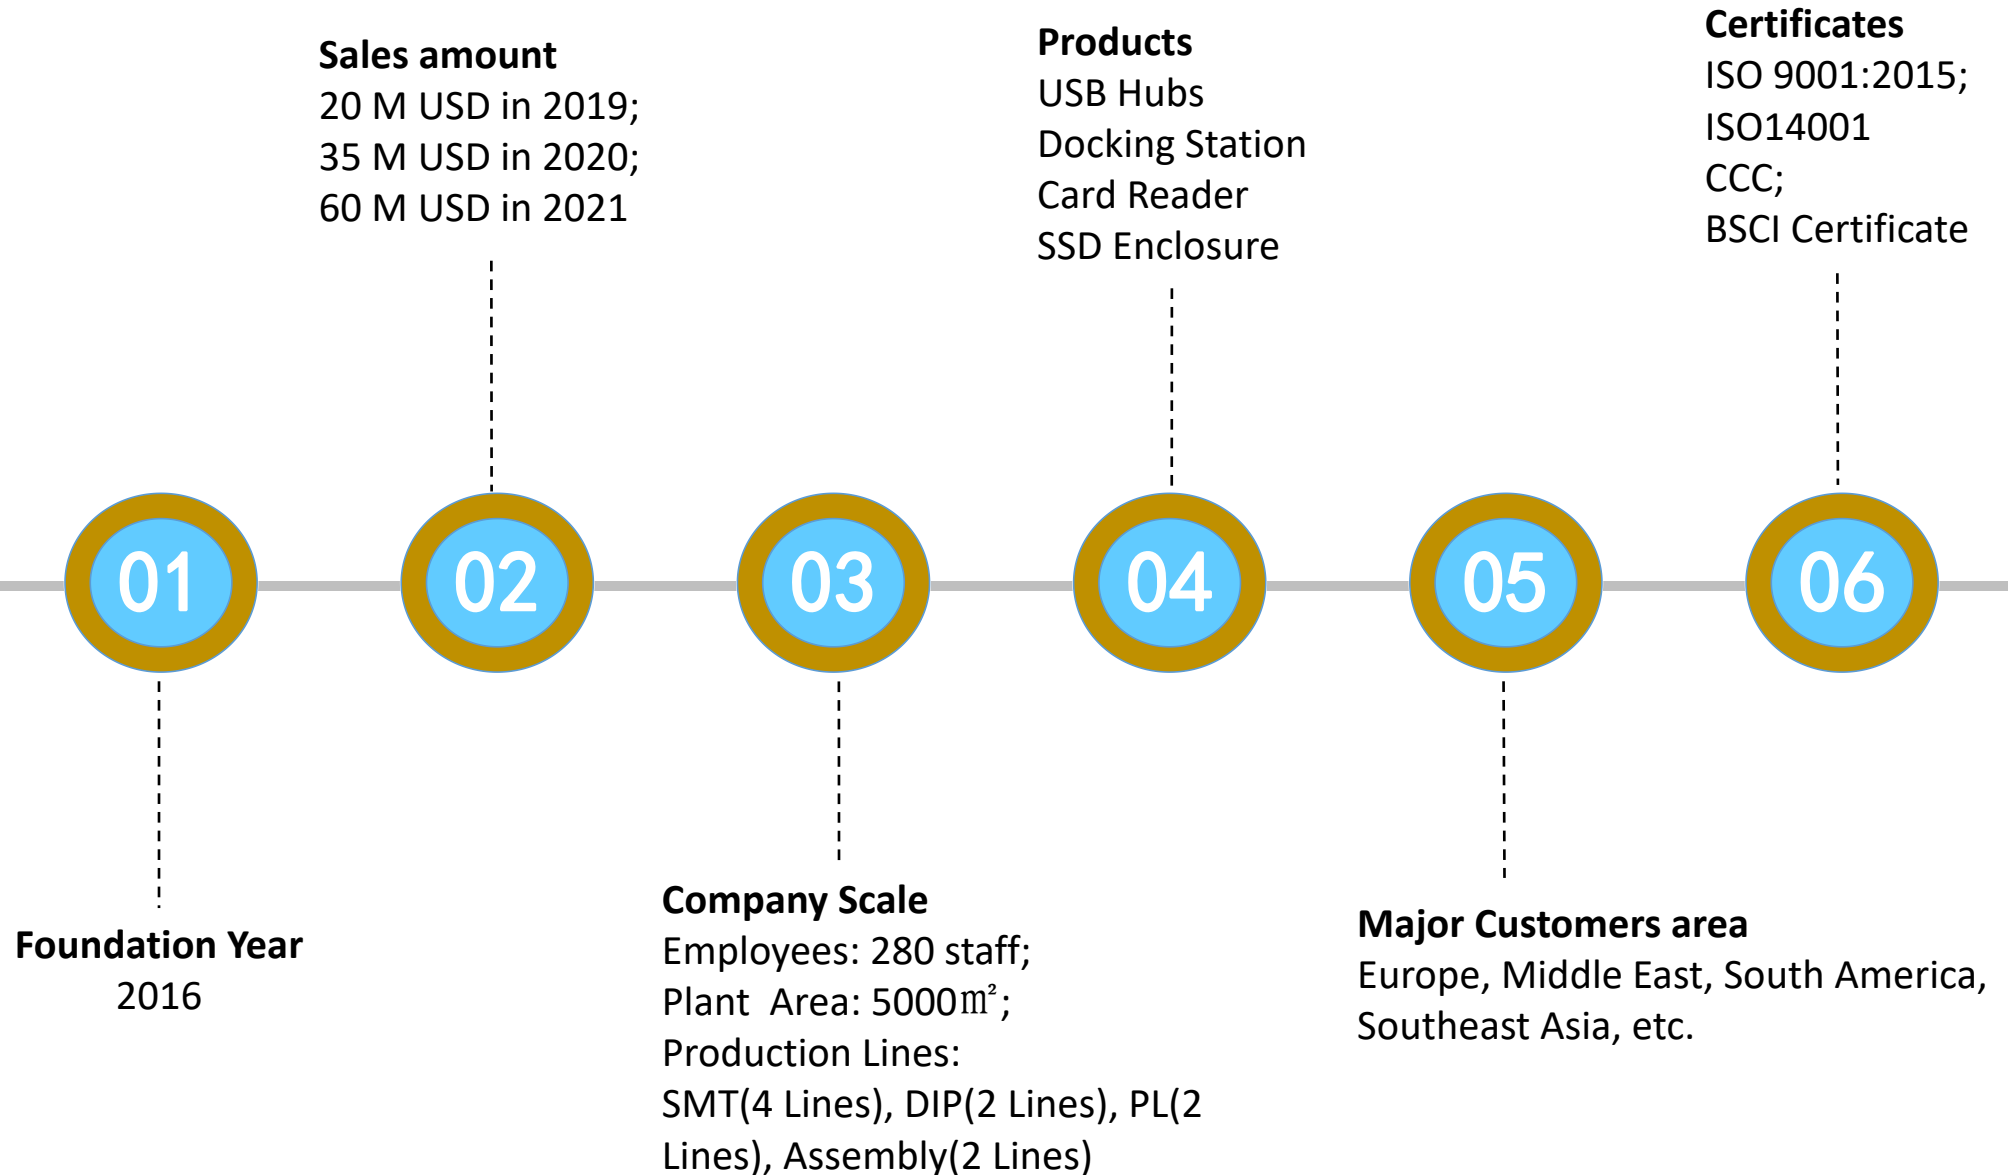

Company Introduction

Shenzhen Golden Star Technology Limited was founded in 2016, includes engineering team, production team and sales team. We are researching, manufacturing and selling computer peripheral including the USB Hubs, Docking station, Card reader, SSD enclosure etc. 95% of products are exported overseas. And we have our own ID, MD, software and hardware and can service with OEM/ODM projects. In 2021, our turnover reached to USD 60 million. Sales volume reached to 1.2 millions PCS last year.

>> OUR SERVICE

OEM & ODM Services

200 workers with strong production capacity and experienced R&D team

Design Services

Professional designer team, any design you want can be provided at shortly time

Quality control

Strictly control product quality at every process, delivery the best goods for clients.

Customer Services

Best solution will be provided within 24 hours
Any question will be replied quickly

Customer satisfaction is our unremitting pursuit!

Thank You!
