Packages

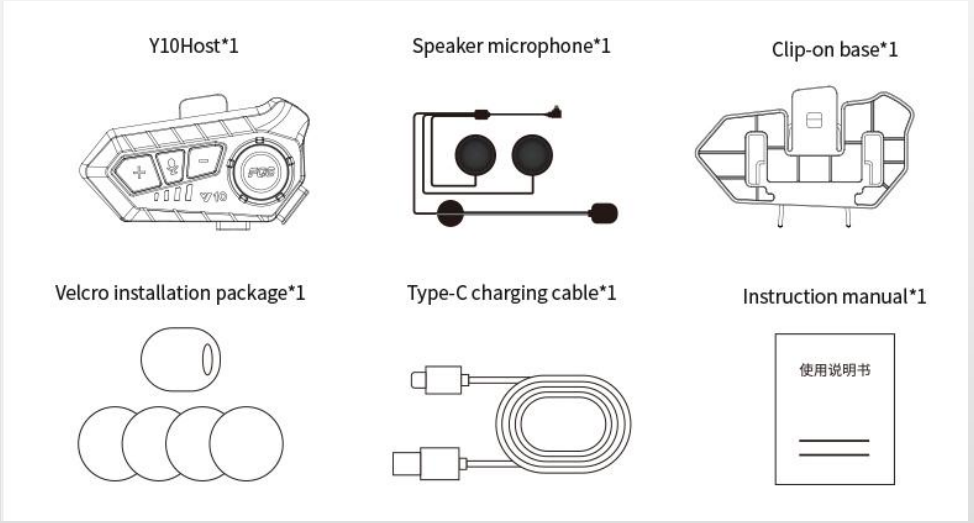

- 1*earphone
- 1*base
- 1*soft or hard helmet speaker microphone
- 1*Charging cable
- 1*User manual
- 1*Vecro installation package

Product parameter

- **Model name:Y10-2X**
- Battery: Built-in polymer lithium 3.7V 1000mAh battery
- Standby time:18 months
- Charging time: ≤2.5h
- Waterproof grade: IPX6
- Bluetooth version:Bluetooth 5.3(JL chipset solution)
- Intercom distance:300meters
- Product size:85*35mm
- Speaker:40mm graphene diaphragm
- Bluetooth intercom:1host+1sub

Quantity(PCS)	Price(USD)
10-199	9.3
200-499	9

Good reviews of our products on Amazon, AliExpress and other platforms

Hardy

Surprisingly decent audio

Reviewed in the United States on August 13, 2023

Verified Purchase

It's a good product , easy to install and configure , microphone quality is really good and the sound quality it's not mind blowing but I think is pretty decent for the price , has a ok bass .

Pretty Good

Reviewed in the United States on July 15, 2023

Verified Purchase

Sound is not too bad. This is my second Bluetooth headset I've tried and this is better than the first one I tried. As seen in the video that's the volume all turned up. I'm giving it 4 ⭐ because at higher speeds it fine but it could be louder. At slower speeds and sitting at the light I could hear it perfectly fine. Haven't tried talking on the phone with it so I'm not sure how the quality is talking on the phone. Overall it's not too bad.
