

### **A Professional Manufacturer and Exporter of Textiles for 23 Years**

Founded in 1999, Qingdao Sinowell Textile Imp&Exp Co., Ltd, a subsidiary of Sinowell Textile Co., Ltd, is a professional manufacturer and exporter of all kinds of textiles.

### **Wide Range of Products to Choose From**

Our main products, such as grey fabrics, dyed and printed fabrics, and yarns, are made of various kinds of materials, such as 100% cotton fabric, polyester/cotton fabric, polyester/rayon fabric, 100% polyester fabric, and cotton/nylon fabric. Our fabrics are used for the textile industry (dyeing/printing production) and garments (worker wear, uniforms, pants, jeans, and shirts).

### **Production Capability 3,000 Tons Per Year**

Our company also has a shareholding factory located in Yantai, China. We mainly produce PP spun-bonded non-woven fabrics and various nonwoven converted products. Our products are widely used as agricultural plant covers, disposable

applications for the medical and industrial market, packing materials, shopping bags, suit covers, and industrial protective coveralls. We also supply finished products, such as surgical gowns, gauze masks, caps, agricultural harvest materials, and shopping bags, with favorable prices and fast delivery.

### **Exporting Products Worldwide**

Our products have been exported to more than 20 countries in Europe, the US, Southeast Asia, and Africa. With strict quality control and excellent sales service, our products have been enjoying great popularity among our customers in the past 23 years.

### **Place Your Orders Now**

We hope that we can set up a good and long-term business relationship with your esteemed company. Don't hesitate to contact us if you have any detailed inquiries for offers or samples. We will try our best to meet your demand.
