

A low-angle, upward-looking shot of a modern building with a glass and steel facade, set against a clear blue sky with some light clouds. The building's lines create a strong sense of height and architectural structure.

XINHAN (AIME)

Jewelry&Accessories

We were established in 2006, mainly selling jewelry and hair accessories, such as hair bands, hair loops, earrings, necklaces, key chains and other products. Rooted in the Yiwu market, we have been deeply engaged in the industry for 19 years and have now formed a complete and systematic work team and industry chain. Efficient delivery and quality control are our unchanging tenets. Our all products can pass EU test standard ,also CA65. Our factory pass the BSCI(AMFORI) factory inspection.
