

10,000sqm Factory with 300 Well-Trained Employees

Dongguan World Pass Industrial Co., Ltd. was established in 2017, covering an area of 8,000sqm with more than 200 employees working together. We are a new and high-tech enterprise integrating R&D, production, and sales of consumer electronic products. Our company has several technical patents for its products. It develops the most front-end and best-selling products with a keen sense of smell from the market.

ISO 9001 and ISO 14000 Certifications

Our company can provide the best solutions as per customers' requirements in a short time and make products in compliance with industry standards, various safety regulations, and associations' certifications, which was accomplished by a professional team with a rapid market response and with professional abilities of R&D. Our company has got ISO 9001 and ISO 14000 certifications, benefiting from its abundant R&D, designing and producing experience. Our company has a competent design department, a production department, and a quality assurance department. Our company strictly implements the ISO 9001 system across all stages of design, production, and inspection processes. Coupled with an advanced supply chain management system that runs through the entire process, professionally qualified production teams, and an efficient enterprise management platform, this ensures high-quality production and fast delivery.
