

HANGZHOU TONNY ELECTRIC & TOOLS CO., LTD

Factory Profile

HANGZHOU TONNY ELECTRIC & TOOLS CO., LTD

Established in 1995, HANGZHOU TONNY ELECTRIC & TOOLS CO., LTD. is one of leading manufacturers and suppliers of automotive electrical appliances and tools in China .

Our factory specializes in designing, manufacturing automotive electrical appliances and tools, such as car battery chargers, inverters, jump starters, work lights, beacon lights, car fans, portable DC fans, air pumps, auto vacuum cleaner, etc.

With a very experienced R&D team, we keep developing new creative products and supplying overall technical support after-sales. we do OEM and ODM services as well. The enormous production capacity of 14 standard assembly lines, dozens of advanced injection machines, and more than 450 employees are our basic production power.

As per strict quality control, we have setup professional testing lab which is fully equipped with advanced testing and inspection instruments. A professional QC&QA team can guarantee carry out ISO9001:2015 quality control system.

We have been serving our customers all over the world.

Factory Overview

- Located in Yuhang District, Hangzhou, Zhejiang, close to Shanghai and Ningbo Ports.
- Covers an area of 20,000 square meters land and building area 15,000 square meters.
