

About Us

Xiamen Flourishing Commerce Co. Ltd.

Two professional factories

Xiamen Flourishing Commerce Co., Ltd. now owns two professional manufacturing factories (Xiamen Joins Intelligent Manufacturing Co., Ltd. & Xiamen HwaTan Precision Manufacturing Co., Ltd.) specializing in processing automation equipment and spare parts, precision mechanical parts, tooling fixtures, and molds. Our company is located in Torch High-tech Zone, Wuxian Town, Tong'an District, Xiamen City.

Established in 2002

Our company is composed of members of a professional R&D and manufacturing team engaged in hardware processing for many years. Since its establishment in 2002, it has formed core departments such as the process development department, product design department, equipment manufacturing department, and quality inspection department.

Over 20 production equipment

At present, we have 2 gantry milling machining centers, 5 CNC machining centers, 1 vertical boring and milling machining center, 8 CNC lathes, 1 laser cutting machine and more than 20 other production equipment, providing high-quality products and services for industry users.
