COMPANY PROFILE

SHENZHEN ETERNITY
DIGITAL TECHNOLOGY CO., LTD.

Dongguan Eternity Electronics Technology Co., LTD founded in 2013, is located in Dongguan city and covers an area of 18,000 square meters. It is a professional TWS Bluetooth earphone manufacturer with 11 years of experience in the field. The main business is specialized in Bluetooth headsets, Wireless earbuds, and E-sports headsets.

We have a number of private mold patents and are a one-stop service manufacturer integrating independent research and development, mold room, injection molding, and assembly. With our excellent R&D team and standardized management system, we continue to improve and maintain continuous growth. Our products have been accepted and used by more and more customers around the world.

The company brings together senior technical talents in the industry and masters independent R&D technologies, including Bluetooth chip solutions, DSP/CVC noise reduction solutions, and TWS two-channel wireless connectivity solutions. Our R&D team has more than 10 years' experiences of acoustic.

The entire team process covers ID structure, electronic engineering, mold development, production process, software technology, and more providing a full range of technical support for our Bluetooth ear buds. Our goal is to provide products and services that not only meet customers' needs but also exceed their expectations. We look forward to working with you.

ELECTRONIC TECHNOLOGY

LT-03J ENC

- *Chipset: JL6976D4
- *Bluetooth Version: V5.1
- *Call/Music time: 5 hours
- *Earphone battery: 3.7V, 40mAh
- *Charging box battery: 350mAh
- *Standby time: up to 100 hours
- *Operating range: 10m
- *Charging time of earbuds: about 1 hour
- *Charging time of charging box: 1.2 hours
- *Audio Decoding Protocol: SBC
- *Speaker: 16Ω Ø 10mm
- *Frequency Response: 20-20KHz
- *Chargng Plug Type: Type-C

LT-03B

- * Chipset: AB5616A
- * Bluetooth Version: V5.1
- * Call/Music time: 5 hours
- * Earphone battery: 3.7V, 40mAh
- * Charging box battery: 350mAh
- * Standby time: 100 hours
- * Operating range: 10m
- * Charging time of earbuds: about 1.2 hour
- * Charging time of charging box: 1.2 hours
- * Audio Decoding Protocol: SBC
- * Speaker: 16Ω Ø 10mm
- * Frequency Response: 20-20KHz
- * Charging plug type: Type-C
