

100% Aging Test

Hello everyone, and welcome to Shenzhen MOPO Electronic Tech. Co., Ltd. As a leading source factory with 15 years of expertise in the power bank industry, we take pride in our legacy of innovation and reliability. Founded in 2012 and with our manufacturing hub established in 2017, our production headquarters is situated in Fengzhimei Industrial Park, Fenggang Town, Dongguan City. We operate as a comprehensive power bank source factory, seamlessly integrating R&D, design, production, and sales under one roof. Spanning over 2,000 square meters, our factory is home to several dedicated production teams comprising more than 50 skilled professionals, along with a professionally trained quality inspection team proficient in operating a range of precision testing equipment.

Our production processes adhere strictly to SOP standards, with 100% testing implemented to ensure a product pass rate of up to 99.9%. Our commitment to quality is further underscored by our ISO 9001 international quality management system certification & BSCI, while our products have obtained national 3C certification as well as international qualifications including CE, ROHS, FCC, CB, and KC.

We specialize in undertaking OEM and ODM orders, offering customers one-stop services encompassing ID product design, circuit R&D, mold development, and manufacturing—with a particular focus on the R&D and production of custom-molded products. Guided by the principles of freedom, personalization, and ease of use, we strive to deliver exceptional user experiences through every product. We firmly believe that, through extraordinary design,

cutting-edge technology, and rigorous quality control, each meticulously crafted item can bring richer meaning to users' lives.

At MOPO, our philosophy is unwavering: "Clients first, rely on clients, serve clients wholeheartedly." With a grateful spirit, we stand beside our clients—co-creating, sharing, and achieving mutual success. This commitment is reflected in our long-standing partnerships: many of our channel partners have collaborated with us for over a decade, a testament to our reliability. Meanwhile, our list of esteemed gift cooperation partners includes industry leaders such as AIRBUS, FIFA, COCA-COLA, STARBUCKS, and SKECHERS—proof that even as a specialized manufacturer, we have earned the trust of globally renowned brands.

MOPO is always with you. We warmly welcome all new and old customers to visit our factory for guidance and look forward to building long-term, win-win partnerships with you.
