INTRODUCTION

Shenzhen Targetever Technology Co., Ltd was founded in 2007, is a professional engaged in high-end game controller, peripheral accessories R & D, design, manufacturing and diversified sales as one of the comprehensive national high-tech enterprises; In the gamepad and gaming peripherals industry, Targetever is one of the few with independent design of the courageous, capable, pragmatic and dynamic integrated enterprises.

Targetever seeks improvement in stability, pioneering and innovative; It has a product R&D team with the chief designer as the core and several senior engineers as the driver, focusing on the design and development of game peripheral products; All products are designed by independent innovation and have applied for appearance patents and utility model patents in major countries and regions around the world. The product design has been highly recognized by many customers, consumers and trading platforms in the domestic and overseas; At the same time, in order to cope with differentiated competition and meet the needs of different customers, we are committed to "vertical + horizontal" to enrich products, provide more and better products for core customers, and strive to become the leader of game peripheral innovation!

Now we have a professional sales team and sales system. Our products have been exported to Europe, America, Australia, Southeast Asia and other countries and regions as well as China, and our sales are increasing year by year.

Targetever has passed ISO9001 quality management system certification, and strict implementation of the design, R&D, production, quality, sales and service process, with professional production technology, first-class product quality management, lean production each product, so that the performance indexes of all products comply with REACH, ROHS, CE, FCC, UL and other international certification standards; With 10,000 square meters of standardized workshop, advanced production line, complete supporting test equipment, more than 300 skilled production personnel, professional quality management personnel, capable and pragmatic operation team, complete supply chain, daily output can reach more than 20,000, can undertake ODM and OEM orders.

In the long-term development process, we are constantly exploring, refining, summarizing experience to adapt to the changes of The Times and the demands of the market; "Limited strategic alliance, create unlimited wealth" as the enterprise development value strategic proposition, and strive to achieve "multi-win" and "common development" with customers and supply chain; Emphasize the core customer, core supplier strategic alliance, sincere and win-win cooperation!

Targetever adhering to the "Integrity, Filial & Incorrupt, Pragmatic, Innovative, High Efficiency" as the core values. With unique game peripherals as pivot, driven by an able, courageous and pragmatic operations team, we make full use of inside and outside resources to establish a rapid response mechanism, for the sake of increasingly creating more wealth in an effective way as the core competitiveness of the development of the enterprise, constantly self-innovation, work cohesion, the co-development of the market, better future!

成为游戏外设创新的领跑者

Vision : Setting the pace in gaming peripherals innovation

深圳市金拓達科技簡介

深圳市金拓達科技有限公司成立于2007年，是一家专业从事高端游戏手柄、外设配件研发设计、制造和多元销售为一体的综合型国家高新技术企业；在游戏手柄、外设行业中，金拓達科技是家为数不多的具备自主研发的敢干、能干、务实的有活力的综合性企业。

金拓達科技稳中求进，开拓创新；拥有一支以首席设计师为核心，多名高级工程师为驱动的产品研发团队，专注于游戏外设产品的设计和研发；所有产品都为自主研发设计，均已申请了全球主要国家及地区的外观专利和实用新型专利；产品设计得到了国内外众多客户、消费者和交易平台的高度认可；同时，为应对差异化竞争，满足不同客户的需求，我们致力于“纵向+横向”地丰富产品，为核心客户提供更多更优的产品，为成为游戏外设创新的领跑者而努力！

金拓達科技现已拥有专业销售团队及销售体系，产品已远销欧洲、美洲、澳洲及东南亚等国家、地区和中国，销售额逐年攀升。

金拓達科技，已通过ISO9001质量管理体系认证，并将其严格贯彻落实到设计、研发、生产、品质，销售和服务的全过程，以专业的生产技术，一流的产品质量管理，精益化生产每一个产品，以使所有产品的性能指标均符合REACH、ROHS、CE、FCC及UL等国际认证标准；拥有10000平方米标准化厂房，先进的生产线、完整的配套测试设备、三百多名熟练的生产人员、专业化品质管理人员，能干敢干务实的运营团队，完备的供应链，日产量可达20000台以上，可承接ODM和OEM订单。

在长期的发展过程中，我们在不断地摸索、提炼、总结经验，以适应时代及市场的不断变化、需求；金拓達科技以“有限战略联盟，共创无限财富”作为企业发展价值战略主张，努力与客户、供应链等实现“多赢”“共发展”；强调核心客户、核心供应商战略联盟，精诚合作，共赢未来！

金拓達人秉承“诚信，孝廉，务实，创新，快快快更快”为核心价值观，以独特的游戏外设为支点、以一支能干敢干务实的运营团队为驱动、充分利用内外部资源、形成快速响应机制、不断为客户更快地创造更多财富的能力为企业发展的核心竞争力，不断自我革新、齐心协力、共拓市场，通达未来！

成为游戏外设创新的领跑者

Vision : Setting the pace in gaming peripherals innovation

● 核心价值观 Core Value

诚信	Integrity
孝廉	Filial & Incoorupt
务实	Practicability
创新	Innovation
快快快更快	High Efficiency

● 核心竞争力 Core Competitiveness

以独特的游戏外设为支点，以一支能干敢干务实的运营团队为驱动，充分利用内外部资源，形成快速响应机制，不断为客户更快地创造更多财富的能力。

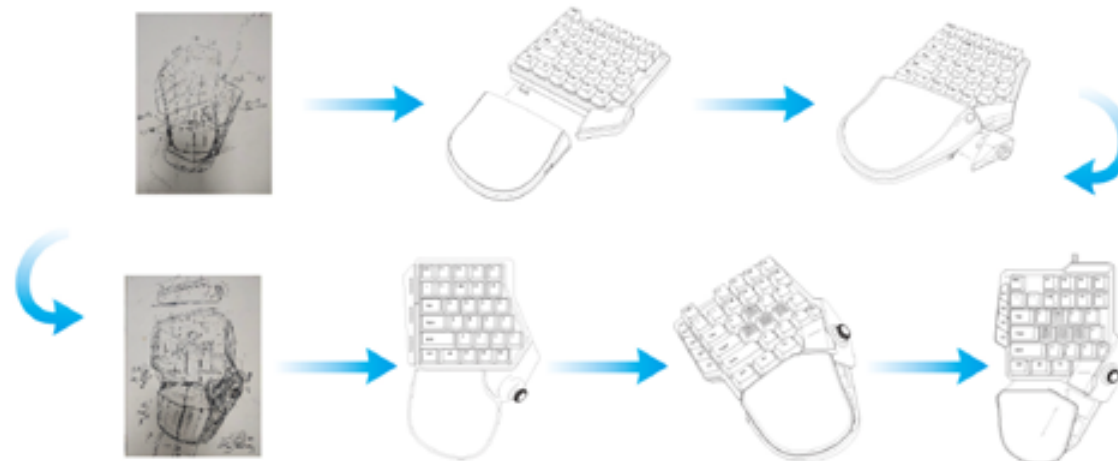

With unique game peripherals as the pivot, driven by an able, courageous and pragmatic operation team, we make full use of inside and outside resources to establish a rapid response mechanism for the sake of increasingly creating more wealth in an effective way.

● 价值主张 Value Proposition

有限战略联盟 创造无限财富

Finite strategic alliance, create infinite sealth

- 单手键盘灵感来源于穿戴袖珍手帕，因手型而适应，贴合而舒张，能伸可缩。
Original inspiration of one-handed keyboard comes from fabric handkerchief, which is suitable to all big and small hand, fits and dilates, thanks to wrist rest can be stretch out and draw back.

- 软性材质的掌托，不仅缓解长时间游戏疲劳，同时还能延300度手自然运动方向前后屈伸和定位，适应不同人群手掌大小，手指长短的调节，以最舒适的位置来体验游戏。

The wrist rest made of soft material not only effectively alleviate the pressure & pain of the wrist from heavy gaming, but also can stretch out and draw back along 30 degree natural movement direction, which can adopts ergonomic design for different player's palm size and fingers vary in length, so as to experience the game in the most comfortable position.

- 每个键位都对应五个手指弓弦运动方向，给富的将最常用键W、A、S、D做高低落差布局设计，3D摇杆刚好在大拇指最能实现360自由旋转运动的位置。

Each key corresponds to the direction of arch movement of five fingers. The most commonly used keys W, A, S and D are properly designed for the constant curve layout, and the 3D joystick is just at the position where the thumb can achieve 3,600 free rotation movement.

- 让游戏控制更轻松，提升游戏体验感！
Make the control of the game easier and improve the game experience!

EG09A Bluetooth Switch Pro Controller

- Cartoon style light weight and cute pro controller
- Rubber ears with breathable LED back lights
- Soft touch toes design made from high quality rubber
- 3.5mm audio jack support in game audio and chat
- Dual programmable back buttons
- Adjustable TURBO button
- Home button to wake up console from sleep mode
- Other platforms: PC and Android

EG09B Bluetooth Switch Pro Controller

- Cartoon style light weight and cute pro controller
- Rubber ears with breathable LED back lights
- Soft touch toes design made from high quality rubber
- 3.5mm audio jack support in game audio and chat
- Dual programmable back buttons
- Adjustable TURBO button
- Home button to wake up console from sleep mode
- Other platforms: PC and Android

EG09C Bluetooth Switch Pro Controller

- Cartoon style light weight and cute pro controller
- Dual injection ears design available for customization
- Soft touch toes design made from high quality rubber
- 3.5mm audio jack support in game audio and chat
- Dual programmable back buttons
- Adjustable TURBO button(Back side)
- Home button to wake up console from sleep mode
- Other platforms: PC and Android

EG09D Bluetooth Switch Pro Controller

- Cartoon style light weight and cute pro controller
- Dual injection ears design available for customization
- Soft touch toes design made from high quality rubber
- 3.5mm audio jack support in game audio and chat
- Dual programmable back buttons
- Adjustable TURBO button(Back side)
- Home button to wake up console from sleep mode
- Other platforms: PC and Android

B61HG

Wired Switch Game Controller

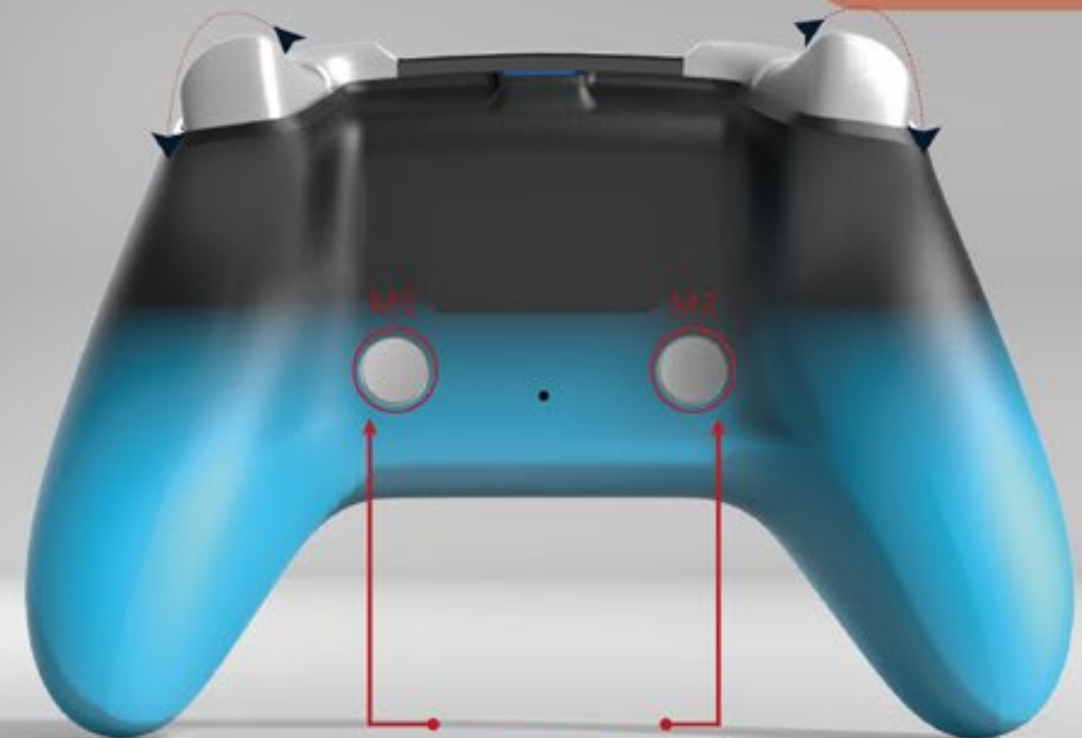

- Built-in six axis sensor (Optional)
- With two motors vibration
- Compatible with PC(Xinput)
- 3M USB cable with magnet ring

B61

Magnetic triggers

Program Keys

Game Controller for SWITCH/LITE

Wireless Controller

B21HE

Bluetooth Switch Game Controller

- Built-in six axis sensor(Optional)
- With two motors vibration
- With turbo function
- RSF brand high precision 3D
- 600mAh polymer lithium battery
- Improved grip feel, shape and sensitivity of dual analog sticks

Wired Controller

B21HG

Wired Switch Game Controller

- Built-in six axis sensor(Optional)
- With two motors vibration
- Compatible with PC(Xinput)
- RSF brand high precision 3D
- With turbo function
- Improved grip feel, shape and sensitivity of dual analog sticks
- 3M USB cable with magnet ring

B21

GAME CONTROLLER FOR PS4

Vision : Setting the pace in gaming peripherals innovation

Wireless Controller

A214EW

2.4G Wireless Game Controller for PS4

- With six axis sensor & Touchpad function
- Front plate with colorful LED light
- Transparent Home Button with LED light
- Ergonomic design, comfortable hand feeling
- High precision 360° 3D analog sticks without dead zone

A214EM

Bluetooth Game Controller for PS4

- Built-in speaker and 3.5mm jack for earphone
- With six axis sensor & Touchpad function
- Front plate with colorful LED light
- Transparent Home Button with LED light
- Home button to turn on the console
- High precision 360° 3D analog sticks without dead zone
- Touchpad, motion sensor, speaker and earphone function are optional

A21

Game Controller for PS4

Wireless Controller

B234E

Bluetooth Programmable
Gamepad for PS4

- High Precision 3D 360° Analog Sticks Without Dead Zone
- Ultra Precise Cross D-pad with Eight-Way
- Dual vibration
- 6 axis motion sensor built-in
- Programmable back buttons
- Touchpad, Speaker, Earphone function
- PS4/PS3 compatible
- 500mAh polymer lithium battery

Wired Controller

B234P

Elite PS4 Wired Controller

- High Precision 3D 360° Analog Sticks Without Dead Zone
- Ergonomic Design
- Ultra Precise Cross D-pad with Eight-Way
- Dual vibration
- 6 axis motion sensor built-in
- Programmable back buttons
- Touchpad, Speaker, Earphone function
- PS4/PS3 compatible

★ Touchpad, motion sensor, speaker and earphone function are optional

B23

Game Controller for PS4

Wireless Controller

B244W

2.4G Wireless Game Controller for PS4

- With six axis sensor and touchpad function
- Ergonomic design, comfortable hand feeling
- High precision 360° 3D analog sticks without dead zone

B244E

Bluetooth Game Controller for PS4

- High Precision 3D 360° analog sticks without dead zone
- Ultra Precise Cross D-pad with Eight-Way
- Dual vibration
- 6 axis motion sensor built-in
- Touchpad Speaker Earphone function
- 500mAh polymer lithium battery

B244P

Wired Game Controller for PS4

- With six axis sensor and touchpad
- Fully compatible with PS4 and PS3
- Dual vibration
- 3M USB cable with magnet ring
- Ergonomic design, comfortable hand feeling
- High Precision 3D 360° analog sticks without dead zone

★ Touchpad, motion sensor, speaker and earphone function are optional

B24

Game Controller for PS4

Wireless Controller

B31W

2.4G Wireless Game Controller for PS4

- With six axis sensor and touchpad function
- Front plate with colorful LED light
- L2/R2 analog trigger
- Ergonomic design, comfortable hand feeling
- High precision 360° 3D analog sticks without dead zone

B31B

Bluetooth Game Controller for PS4

- With six axis sensor and touchpad function
- Built-in speaker and 3.5mm jack for earphone
- Front plate with colorful LED light
- Ergonomic design, comfortable hand feeling

Wired Controller

B31P

Wired Game Controller for PS4

- With six axis sensor and touchpad function
- Fully compatible with PS4 and PS3
- Dual vibration
- 3M USB cable with magnet ring
- Transparent Home Button with LED light
- Front plate with colorful LED light
- L2/R2 analog trigger

★ Touchpad, motion sensor, speaker and earphone function are optional

B31

Game Controller for PS4

Wireless Controller

EG-C2075W 2.4G Wireless Game Controller for PS4

- With six axis sensor and touchpad function
- Front plate with colorful LED light
- L2/R2 analog trigger
- Ergonomic design, comfortable hand feeling
- High precision 360° 3D analog sticks without dead zone
- With speaker and 3.5mm jack port

EG-C2075B Bluetooth Game Controller for PS4

- With six axis sensor and touchpad function
- Built-in speaker and 3.5mm jack for earphone
- Front plate with colorful LED light
- Ergonomic design, comfortable hand feeling
- With speaker and 3.5mm jack port

Wired Controller

EG-C2075 Wired Game Controller for PS4

- With six axis sensor and touchpad function
- Fully compatible with PS4 and PS3
- Dual vibration
- 3M USB cable with magnet ring
- Transparent Home Button with LED light
- Front plate with colorful LED light
- L2/R2 analog trigger
- With speaker and 3.5mm jack port

★ Touchpad, motion sensor, speaker and earphone function are optional

A12

Game Controller for PS4

Wireless Controller

A014E

Bluetooth Game Controller for PS4

- With six axis sensor and touchpad function
- Front plate with colorful LED light
- L2/R2 analog trigger
- Ergonomic design, comfortable hand feeling
- High precision 360° 3D analog sticks without dead zone
- With speaker and 35mm jack port

Wired Controller

A014P

Wired Game Controller for PS4

- With six axis sensor and touchpad function
- Fully compatible with PS4 and PS3
- Dual vibration
- 3M USB cable with magnet ring
- Transparent Home Button with LED light
- Front plate with colorful LED light
- L2/R2 analog trigger
- With speaker and 35mm jack port

★ Touchpad, motion sensor, speaker and earphone function are optional

A01

KN

Wired Controller

EG-C2059

Wired Game Controller for PS4

- Double vibration
- L2/R2 trigger button
- High precision RSF brand 3D analog sticks
- Transparent Home button with LED light

GAME CONTROLLER

MFI/ANDROID

成为游戏外设创新的领跑者

Vision : Setting the pace in gaming peripherals innovation

Patent No.: ZL 2016 3 0573764.X

Patent No.: US D816,674 S

Game Controller for **iOS/Android**

Replaceable colorful grips

FOR

Wireless Controller

A23

Bluetooth MFi / Android
Game Controller

- EASY connect via Bluetooth
- No delay, professional for gamer
- THOUSANDS MFi games from App Store
- THOUSANDS Android games from Google Play
- PS4 Multi-Streaming For iOS only

A24

Bluetooth Game Controller
For iOS/Android

- Playing PUBG Mobile/Fortnite/Arena of Valor directly.
- Mobile phone screen coordinate simulation without BANNED risk.
- Download application from "App Store", easy to map keys.
- Easy to use, support all touch screen games and gamepad games.

A23

Game Controller for **Android**

Wireless Controller

EG-CBT017

Wireless Android Game Controller

- Easy connect via Bluetooth
- No delay, professional for gamer
- A lot of Android games support
- A lot of Simulators support

C11

Game Controller for iOS&Android

Wireless Controller

CG1-3

Bluetooth Game Controller For
MFi And Android

- IOS(MFi), Bluetooth for iPhone, iPad, iMac
- Android, Bluetooth for Android Smartphone, Pad, TV Box, Smart TV.
- 600mAh polymer Li-battery

CG1-3

Bluetooth Game Controller
For iOS And Android

- Playing PUBG Mobile/Fortnite/Arena of Valor directly.
- Mobile phone screen coordinate simulation without BANNED risk.
- Download application from "App Store" "Google Play", easy to map keys.
- Easy to use, support all touch screen games and gamepad games.
- Support iOS 13.4 and below system

CG1-3

Game Controller For **Android**

Bluetooth Game Controller

EG-C3070E

Bluetooth Wireless Android/PC/
PS3 Game Controller

- Compatible: Android/PC/PS3
- Bluetooth connection for Android devices
- Battery life: 600mAh 12+ hours playing time
- X-input function for PC games(Wired connection)
- Dual vibration for PC/PS3 games

EG-C3070D

Bluetooth&2.4Ghz Wireless Android/
PC/PS3 Game Controller

- Compatible: Android/PC/PS3
- Bluetooth connection for Android devices
- 2.4Ghz connection for PC/PS3
- Battery life: 600mAh 12+ hours playing time
- X-input function for PC games
- Dual vibration for PC/PS3 games

PR

Bluetooth Game Controller

EG-C3059E

Bluetooth Wireless Android/PC/
PS3 Game Controller

- Compatible: Android/PC/PS3
- Bluetooth connection for Android devices
- Battery life: 600mAh 12+ hours playing time
- X-input function for PC games(Wired connection)
- Dual vibration for PC/PS3 games

EG-C3059D

Bluetooth&2.4Ghz Wireless Android/
PC/PS3 Game Controller

- Compatible: Android/PC/PS3
- Bluetooth connection for Android devices
- 2.4Ghz connection for PC/PS3
- Battery life: 600mAh 12+ hours playing time
- X-input function for PC games
- Dual vibration for PC/PS3 games

Game Controller For **Android**

Bluetooth Game Controller

EG-C3071E

Bluetooth Wireless Android/PC/
PS3 Game Controller

- Compatible: Android/PC/PS3
- Bluetooth connection for Android devices
- Battery life: 600mAh 12+ hours playing time
- X-Input function for PC games(Wired connection)
- Dual vibration for PC/PS3 games

EG-C3071D

Bluetooth&2.4Ghz Wireless Android/
PC/PS3 Game Controller

- Compatible: Android/PC/PS3
- Bluetooth connection for Android devices
- 2.4Ghz connection for PC/PS3
- Battery life: 600mAh 12+ hours playing time
- X-Input function for PC games
- Dual vibration for PC/PS3 games

UNC

Game Controller for **Android**

Bluetooth Controller

CG1-2

Bluetooth Game Controller For
Android/PS3/PC

- Android: Bluetooth wireless gamepad for Android phone, pad, TV box, TV
- PS3: USB wired for PS3 console
- PC: USB wired for PC with Xinput
- Battery: 600mAh polymer battery

CG1-2

GAME CONTROLLER

Xbox One/Xbox360

Game Controller for X-Box

Wireless Controller

EG-C5070WO

Wireless PC/PS3/
Xbox One 3 in 1
Game Controller

- Compatible with Xbox Series X/S/Xbox One
- RSF brand high precision 3D
- 600mAh polymer battery
- With two motors vibration
- With X-input function in PC
- With Turbo button

EG-C5070WX

Wireless PC/PS3/
Xbox 360/Android
4 in 1 Game Controller

- RSF brand high precision 3D
- 600mAh polymer lithium battery
- With two motors vibration
- With Turbo button
- With X-input function in PC

Xbox 360 Wired Game Controller

EG-C5070X

Xbox One Wired
Game Controller

- Compatible with Xbox 360/PC
- Two motors with L2/R2 trigger
- UV painting buttons
- With X-input function in PC
- With Turbo button

EG-C5070O

Wired Xbox One/PC
2 in 1 Game Controller

- Compatible with Xbox Series X/S/Xbox One
- Two motors with L2/R2 trigger
- UV painting buttons
- With X-input function in PC
- With Turbo button

PR

Game Controller for X-Box

Wireless Controller

B610W

Wireless PC/PS3/Xbox
One 3 in 1
Game Controller

- 3.5mm Audio jack(chart and audio) optional
- RSF brand high precision 3D
- With two motors vibration
- LT/RT Buttons with Hall Magnet function which same as X-One ELite controller
- With Turbo button
- With X-input function in PC

B61XW

Wireless PC/PS3/Xbox
360/Android 4 in 1
Game Controller

- RSF brand high precision 3D
- With two motors vibration
- LT/RT Buttons with Hall Magnet function which same as X-One ELite controller
- With Turbo button
- With X-input function in PC

Wired Controller

B61XP

Wired Xbox 360/PC
Game Controller

- RSF brand high precision 3D
- With two motors vibration
- LT/RT Buttons with Hall Magnet function which same as X-One ELite controller
- With Turbo button
- With X-input function in PC

B61OP

Wired 2 in 1 PC/Xbox One
Game Controller

- RSF brand high precision 3D
- With two motors vibration
- LT/RT Buttons with Hall Magnet function which same as X-One ELite controller
- With Turbo button
- With X-input function in PC

B61

Game Controller for X-Box

Wireless Controller

B21XW

2.4G Wireless 3 in 1 PC/
Xbox 360
Game Controller

- Two motors with L2/R2 trigger
- RSF brand high precision 3D
- With Turbo button
- With X-input function in PC

B21OW

2.4G Wireless Xbox one/PC
Game Controller

- 3.5mm Audio jack(chart and audio) optional
- Two motors with L2/R2 trigger
- RSF brand high precision 3D
- With Turbo button
- With X-input function in PC

Wired Controller

B21XP

Wired Xbox 360/PC Game
Controller

- Two motors with L2/R2 trigger
- RSF brand high precision 3D
- With Turbo button
- With X-input function in PC

B21OP

Wired 2 in 1 PC/Xbox One
Game Controller

- Two motors with L2/R2 trigger
- RSF brand high precision 3D
- With Turbo button
- With X-input function in PC

B21

Xbox Elite Controller

Wireless Game Controller

FG02

Xbox One Wireless Game Controller

- Compatible: Xbox One series/ Xbox Series X|S
- LT/RT triggers with Hall sensor
- Battery life: 600mAh 12+ hours playing time
- 3.5mm audio jack support in game audio and chat(Optional)
- Dual programmable marco back buttons
- Vibrant edge breathing lighting
- RGB lighting bar supports different lighting mode
- Support X-input function in PC

FG02

GAME CONTROLLER For PS3/PC

成为游戏外设创新的领跑者

Vision : Setting the pace in gaming peripherals innovation

Patent No.: ZL 2015 3 0065311.1

Game Controller for PC/PS3

Wireless Controller

EG-C3059W

2.4G Wireless PC/PS3/ Android
Game Controller

- Double vibration, D-pad and 12 buttons design
- With Xinput and Direct Input
- L2/R2 trigger/analog
- Switch button ON/OFF to save power

EG-C3059B

PS3 Bluetooth Game Controller

- Over 10M effective range
- Two motors and motion sensor optional
- Switch button ON/OFF to save power
- L2/R2 trigger/analog

Wired Controller

EG-C1059T
(OTG KIT)

Wired PC/PS3/ Android
Game Controller

- 0.5M USB to micro cable for smart phone connection
- 1.5 micro to USB extension cable for PC/PS3/Android TV Box connection
- Support Xinput games like FIFA Online 3

Game Controller for PC/PS3

Wireless Controller

EG-C3070W

2.4G Wireless PC/PS3/Android
Game Controller

- With Xinput and Dinput
- Support Android TV/Box and 2 players
- 600mAh polymer lithium battery

EG-C3070B

Bluetooth PS3 Game Controller

- Double shock, D-pad and 12 buttons design
- 10M connection range

Wired Controller

EG-C1070T

Wired PC/PS3/Android
Game Controller

- 0.5M micro USB cable for smart phone
- 1.5 micro USB extension cable for PC/PS3/Android TV Box
- Support Xinput games like FIFA Online 3

PR

Game Controller for PC/PS3

Wireless Controller

EG-C3071W

2.4G Wireless PS3/PC/Android
Game Controller

- Double vibration and trigger function
- With Xinput and Dinput function on PC
- 1M Micro USB charging cable
- 600mAh rechargeable polymer battery

EG-C3071WC1

2.4G Wireless PS3/PC/PS2
Game Controller

- 2.4G USB dongle
- Default Xinput, with Dinput (Digital / Analog mode)
- 600mAh rechargeable polymer battery, more than 15hrs working time
- 1M Micro USB charging cable

Wired Controller

EG-C1071T

Wired PS3/PC/Android
Game Controller

- Default Xinput, with Dinput (Digital / Analog mode)
- Double vibration and trigger function
- 1.8M cable

EG-C1071C1

PS3/PC/PS2 Wired
Game Controller

- With Xinput function on PC
- Double vibration
- Trigger function
- 1.8M USB cable

Patent No.: ZL 2016 3 0573764.X

Patent No.: US D816,674 S

Game Controller for PC/PS3

Wireless Controller

A223W

2.4G Wireless PC/PS3/Android
Game Controller

- Double vibration, D-pad and 12 buttons design
- With Xinput and Direct Input
- L2/R2 analog trigger
- 600mAh polymer lithium battery
- RSF brand high precision 3D

A22

Game Controller for PC/PS3

Wireless Controller

B213W

2.4G Wireless PC/PS3/
Android Gamepad

- Support Xinput and Dinput
- 600mAh polymer battery
- Double vibration and turbo function
- Analog trigger function

Wired Controller

B213P

Wired PC/PS3/Android
Gamepad

- With Xinput and Dinput in PC
- Double vibration and turbo function
- Analog trigger function
- 1.8M USB cable

B21

Game Controller for PC/PS3

Wireless Controller

B223W

2.4G Wireless PC/PS3 Game Controller

- With Dinput & Xinput
- With two motors vibration
- RSF brand high precision 3D
- With analog trigger
- Programmable buttons in the back
- 600mAh rechargeable battery

Wired Controller

B223G

Wired PC/PS3 Game Controller

- With Dinput and Xinput
- With two motors vibration
- RSF brand high precision 3D
- 3M USB cable with magnet ring
- With analog trigger
- Programmable buttons in the back

B22

Game Controller for PC/PS3

Wireless Controller

B613W

2.4G Wireless PC/PS3/Android
Game Controller

- With two motors vibration
- RSF brand high precision 3D
- 600mAh rechargeable battery
- Support rapid fire (turbo) function
- With Xinput and Dinput on PC
- LT/RT Buttons with Hall Magnet function which same with X-One ELite controller

Wired Controller

B613P

Wired PC/PS3/Android
Game Controller

- Double vibration, turbo function
- Support Xinput games like FIFA Online 3
- LT/RT Buttons with Hall Magnet function which same with X-One ELite controller
- 1.8 meter separate USB cable

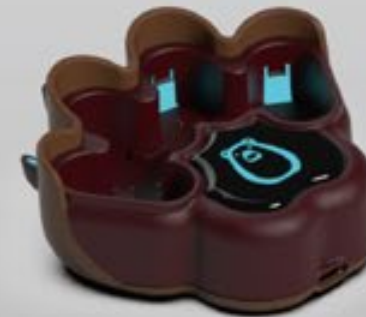

B61

HDMI OUT
TO TV

Game Converter for SWITCH

Converter II

C91

Mouse and Keyboard
Converter for PS4/PS3
Xbox one/Switch

- Converter supports Xbox one/PS4/Switch/PS3 Consoles
- Hyun-cool shape design with LED light tube
- Support FPS games
- Easy plug and play
- No need driver
- Easy to use, support customize key mapping

(Original PS4/
Xbox one Gamepad)

(PS4/Xbox one/Switch console)

C91

Game Converter for SWITCH

C92

Converter III

C92

Mouse and Keyboard Converter for XboxOne/ PS4/Switch/PS3

- Support XboxOne/PS4/Switch/PS3
- Easy to use, support customize key mapping
- Support 3.5mm headphone jack
- No need driver, plug and play

DG02

Game Adapter for SWITCH

DG02

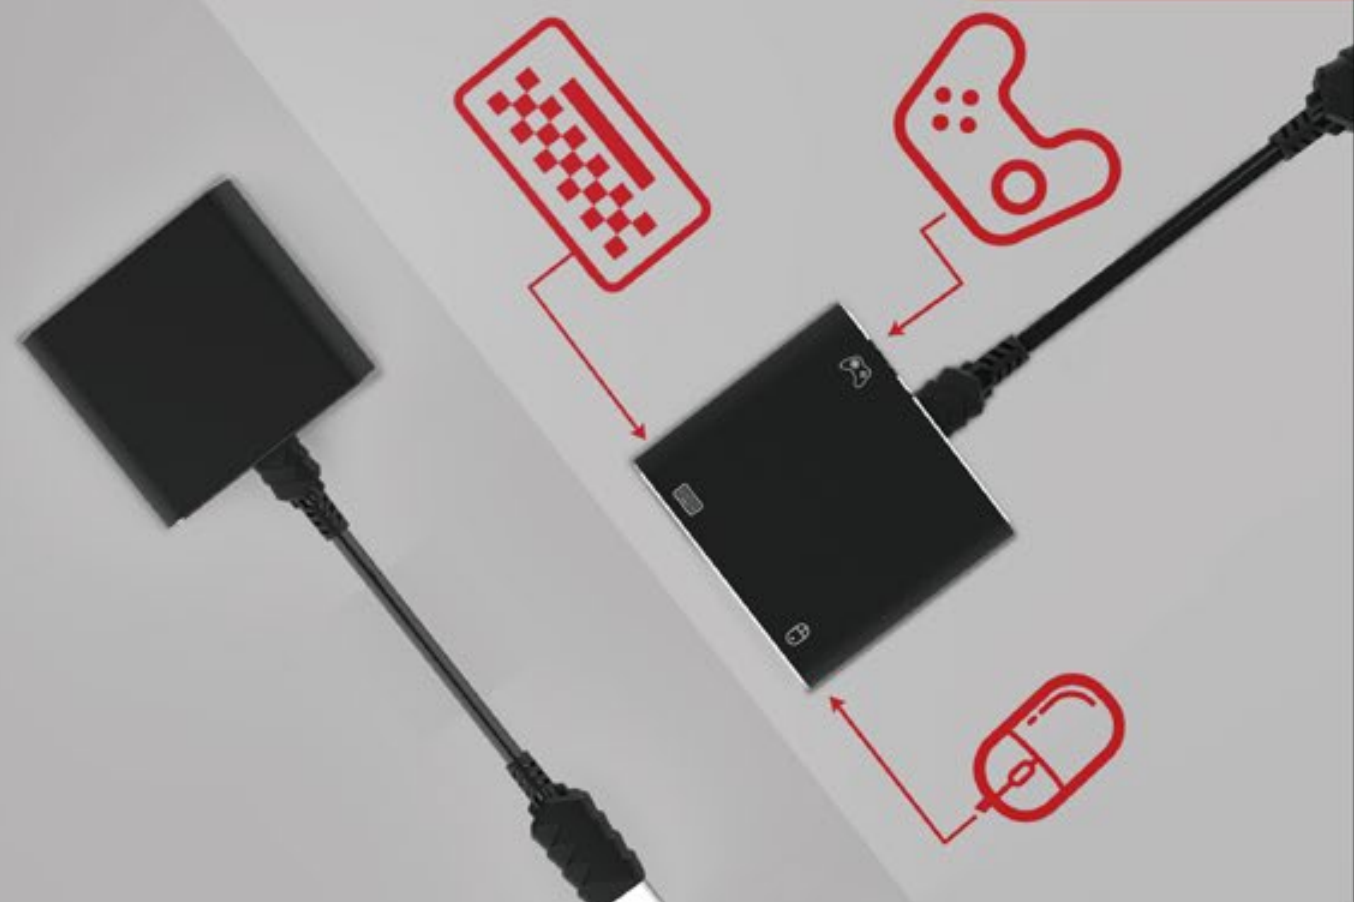

Controller adapter for Bluetooth Controllers to work with Switch

- All Bluetooth controllers of PS4/ Xbox One/Wii U can work with Switch via this adapter.
- PS3 Bluetooth controller can work with PC via it.

C71

C71

Mouse and Keyboard Converter For PS4/ Xbox one/Switch/PS3

- with a 18cm cable
- 3 USB ports
- Easy to use, support customize key mapping
- No need driver, plug and play
