GUANGDONG DOONJIEY TECHNOLOGY CO., LTD.

WWW.DOONJIEY520.COM

COMPANY PROFILE

Guangdong Doonjiej Technology Co., Ltd. was established in 2012. We are a professional manufacturer and seller of USB5, USB4, USB3.2, USB3.1 High-speed Full Function Cable, LAN Ethernet Adapter Cable & Splitters, DisplayPort 2.1-16K Cable, Video & Audio Cable, Video Capture Cards, USB-HUB, Docking Station, SSD Enclosure for Computers, Mobile Phones, Communication, Consumer Electronics accessories, and other products.

Our company has obtained ISO 9001 Quality Management System certification.

Our products have acquired certifications such as UL, CE, FCC, RoHS, REACH, and others, making us a technology-based enterprise that specializes in transferring series wires and supporting digital products.

In recent years, our company has successively introduced various management talents and R&D teams, fully automated production equipment, and state-of-the-art testing equipment to expand our production scale.

Adhering to the core business philosophy of "integrity, innovation, and cooperation," we create value for customers, profits for the company, futures for employees, and prosperity for society.

With a first-class work attitude, level, and performance, we are committed to providing our customers with first-class services.
