

Suzhou Best Commodity Co.,Ltd.

Choose Best, So Easy

Microfibers-Change your life

Company Introduction

- *Operating since 2006*
- Suzhou Best Commodity Co. Ltd is located in "China freshwater pearls hometown" Weitang, Suzhou, China. It's less than 80 kilometers to Shanghai and close to the harbor of Changshu. We enjoy superior location and convenient transportation. Our company was established in 2006. We have 8 warp-knitting machines, weft-knitting machines and 80 sewing machines. Our annual production amount of microfiber fabric is 2,500 tons or so.
- *Having 15 Years' Export Experience*
- We have 10 years' experience for export. Our products are popular with customers from South and North America, Eastern and Western Europe, the Middle East, Australasia, and Asia. We establish friendly and good relationship with our customers from 2006.
- *More products types with great quality*
- Microfiber cleaning cloths for kitchen, house, office, industry, etc
- Microfiber mop refills for floors, offices, industry, etc
- Microfiber bath towels, hair turbans, bathrobes for bathing and beauty
- Microfiber cleaning sponges, mitts for cars vehicles, etc
- Microfiber towels for camping, travelling, gyms, etc
- Microfiber pet towels, mitts for pets

- *Providing High-quality Products with Competitive Price*
- We design and produce our own product series to meet the particular demand of some customers. Customer's satisfaction is what we care about most all the time. We will grow up while constantly drawing from innovative opinions and improvement suggestions of clients. Our professional group has been ready to provide the high-quality products with competitive price for our customers.
- *Contact Us Today*
- We sincerely welcome worldwide friends to visit our company and establish great and long-term business relationship with each other.
