COMPANY PROFILE

About us

SHENZHEN EBITS TECHNOLOGY CO., LTD.

Shenzhen Ebits Technology Co., Ltd. was established in October 2012, whose factory address is located in building A12, Haosi Nanpu Science and Technology Industrial Park, Bao'an District, Shajing Street, Shenzhen with about 160 employees.

As an innovative national high-tech enterprise, Ebits Technology is an integrated specialized company that combines with R&D, production, sales and service in the manufacturing of abundant intelligent terminal accessories like tablet 2-in-1 keyboard, Bluetooth keyboard case, laptop accessories, protective case, translator and portable monitor, etc.

It is the industry leading MID equipment and intelligent terminal accessories provider.

“Shenzhen and National High-tech Enterprise”

“Shenzhen Specialized Refined Characteristic and Creative Enterprise”

“Microsoft HLK Member Enterprise”

“Apple MFI Member Enterprise”

“BQB Member Enterprise”

Products have been sold to more than 60 countries and regions worldwide and Ebits has offered the services to plenty of well-known brands.

16 appearance patents

6 software copyright certificates

1 patent

23 utility model patents

Shenzhen & National High-tech Enterprise

ISO9001 Quality Management System

ISO14001 Environment Management System

BQB Bluetooth certificate

US EMC certificate

EU safety certificate

EU RoHS environmental certificate

ENTERPRISE CULTURE

愿景:
以工匠精神，创新、智造改变生活。

使命:
打造有温度的产品，融入人们的生活，为用户带来便利和享受。

核心价值:
成就用户: 用户至上，诚实守信。
勇敢担当: 知责明责履责尽责，锐意进取，风雨同舟。
求真务实: 专注专业，开拓创新。
团结热爱: 利他、共享、相信团队、奋斗、拼搏、超越梦想。

VISION:
Improve People's Lives Creatively and Intelligently with the Spirit of Craftsmanship.

MISSION:
Bring Convenience and Enjoyment to Users through Creating Products with Warmth and Integration into People's Lives.

CORE VALUE:
Accomplish Users: users first, honest & trustworthy
Bold to Bear Responsibility: do our duty, forge ahead with determination, go through thick and thin.
Realistic & Pragmatic: be concentrated, possess pioneering spirit.
United & Enthusiastic: altruistic, mutual sharing, confident, strive for dreams.

BRAND COOPERATION

SAMSUNG

iPad Series Bluetooth Keyboard Case

for 10.2" & 10.5" iPad

Model	EB-K102
	iPad 10.2"/10.5" Compatible tablet size
Application	Android/iOS/Windows
Connect	Bluetooth 5.0
Material	canvas leather + ABS plastic
Battery	lithium battery
Battery capacity	180 mAh
Number of keys	64 keys
Product size	250*180*12mm
Net weight	414g

iPad Series Keyboard

EB105

Application: For 10.2"/10.5" iPad
 Connection: Bluetooth 5.0
 Material: Canvas leather + ABS plastic
 Number of keys: 80 keys
 Charging port: USB-C
 Product size: 255*195*20mm
 Net weight: 618.5g

EB107

Application: For Android/Windows/iOS
 Connection: Wireless, Bluetooth 5.0
 Material: ABS plastic + leather
 Number of keys: 80 keys
 Charging port: USB-C
 Keyboard size: 250*185*7mm
 Net weight: 310g

EB-K70

Corresponding model: iPad/iPhone
 Module: iPad only CPIC/connector
 Material: ABS plastic
 Number of keys: 83 Keys
 Port: lightning
 Keyboard size: 278*118*15mm
 Net weight: 270g

Magic Keyboard

- Get rid of the darkness with 3-grade backlit adjustment.
- Prevent the iPad from sliding with full built-in high magnetic magnets.
- Support multiple touch gestures with the multi-point trackpad.
- Fast charging speed with USB-C charging port and support the LED power display.
- Flock coating and protective case provide the strong protection for iPad.
- Bluetooth 5.2 brings no latency and outstanding performance.

EB122

Magic Keyboard

Name	Parameter
Application	for 10.2", 10.9"/11" & 12.9" iPad
Material	PU leather+cashmere lining+ABS plastic
Number of keys	64 keys
Connection	Bluetooth 5.2
Charging port	USB-C
Backlit	support 3 grade backlit adjustment
Battery	lithium battery(500 mAh)

EB-P15

Detachable Bluetooth Keyboard Case

Name	Parameter
Application	for 10.9"/11" & 12.9" iPad
Material	PU leather + lining
Color	grey/support customization
Number of keys	80 keys
Connection	Bluetooth 5.1
Chip	American Broadcom
Charging port	USB-C
Battery	lithium battery
Battery capacity	500mAh
Backlit	support 3 grade backlit adjustment
Protective case	detachable, can be placed horizontally/vertically
Supporting angles	support different angles with the backside hinge
Packaging	lid and base box, manual & USB-C charging cable
Lithium battery life	>2 years
Operating current	<5.0mA
Standby current	2.5mA
Key life	>3 million times

Samsung Bluetooth Keyboard Series

Bluetooth Keyboard

Product Characteristics

- Hidden pen slot design prevents the losing of stylus.
- All at your fingertips to edit the documents and process the email with media keys.
- Extra comfortable holding feelings with selected durable quality materials.
- 3 grade intelligent backlight adjustment for power saving.
