Super Body with 5.5"Screen
Stable Waterproof Connector

Dual-BT Motor CarPlay Recorder

P503D

- iPhone CarPlay / Android Auto (carlife)
- Blue-Tooth wireless connection (BT5.0), Wifi 5G PDN navigation
- 5.5" IPS (960*480), Full touch screen. Waterproof IP 67
- Dual lens driving recorder (F:1080P + R:1080P, H.264)
- F/R Camera: Angle D145°/ H115°
- 32GB ≤ Class 10 TF card ≤ 128GB
- Voltage 12V Type-C, Waterproof IPX 67

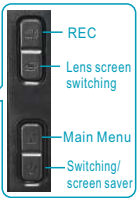

5.5" Motor CarPlay PND

P503

- iPhone CarPlay / Android Auto
- Wireless connection (BT5.0)
- 5.5" IPS (960*480), Full touch screen.
- Waterproof IP 67
- 32GB ≤ Class 10 TF card ≤ 128GB
- Voltage 12V Type-C

GPS Motor CarPlay TPMS Recorder

P501DT

- TPMS 2 tire pressure sensors to monitor tire pressure timely
- Wireless 2.4G, 0-99psi, Waterproof IP67
- iPhone CarPlay / Android Auto
- Blue-Tooth wireless connection (BT5.0) , Wifi 5G. PDN navigation
- 5" IPS high brightness (854*480), Full touch screen

- Wide voltage 9V-24V (pulse voltage withstand 36V)
- Dual lens driving recorder (F:1080P + R:1080P, H.264)
- F/R Camera: Angle D145°/ H115°. Built-in supercapacitor(3.3V/0.22F)
- Multifunction: GPS tracking, Single-bottle locking, G-sensor, etc.
- 32GB ≤ Class 10 TF card ≤ 128GB

P501D

5" Motorcycle CarPlay DVR

- iPhone CarPlay / Android Auto
- Blue-Toothconnection (BT5.0) , Wifi 5G. PDN navigation
- 5" IPS high brightness (854*480), Full touch with sun-visor
- Wide voltage 9V-24V (pulse voltage withstand 36V)
- Dual lens driving recorder (F:1080P + R:1080P, H.264)
- F/R Camera: Angle D145°/ H115°
- Multifunction: GPS tracking, Single-bottle locking, G-sensor, etc.
- 32GB ≤ Class 10 TF card ≤ 128GB
- Built-in supercapacitor (3.3V/0.22F)

P501

5" Motorcycle CarPlay PND

- iPhone CarPlay / Android Auto
- Blue-Tooth connection (BT5.0) , Wifi 5G. PDN navigation
- 5" IPS high brightness (854*480), Full touch screen
- Waterproof IPX 67. Sun-visor to block sunlight
- Wide voltage 9V-24V (pulse voltage withstand 36V)

APP instruction

1. Download the APP by scanning the code on your phone. Android phone version supports Android 6.0 or above, and apple phone version supports iOS 9.0 or above.
2. Open the phone's WiFi setting and search for "MT..." Start with WiFi name, find the name to connect, WiFi password: 12345678.
3. Open "KYCAM2" APP and click-Connect recorder to enter the preview video screen of recorder.
4. If the WLAN network cannot be connected is displayed on some Android phones, click Use.

Motor CarPlay PND Android

P504A

Android10

- Screen Size: 5.0" Resolution: 854*480 Full-Touch screen
- System: Android 10
- Support: Google store/Google map/Google browse/Youtube/Tiktok/Spotify
- Apple CarPlay, Android Auto
- Headset connection to motorcycle helmet via BT
- Support BT hands-free call and BT music, SD Card play

Motor CarPlay PND 5"

P502

- Like tablet host, easy to disassemble and carry, and anti-theft
- Pure copper contacts are waterproof and rust free
- Sun-visor to block sunlight
- iPhone CarPlay / Android Auto
- Blue-Tooth wireless connection (BT5.0), Wifi 5G. PDN navigation
- 5" IPS high brightness (854*480), Full touch screen
- Waterproof IPX 67.

BMW Motor Special CarPlay DVR

BM01

- BMW special Bracket with anti-theft password lock
- Pure copper contacts are waterproof and rust free
- Like tablet host no cable, easy to disassemble and carry
- Durable viation Aluminum Box for Better heat dissipation
- MTK chipset, WDR Sony 307 sensor, 6S lens camera
- Special cable with waterproof connector
- iPhone CarPlay / Android Auto, BT/WF, PDN navigation
- 5.5" IPS high brightness (960*480), Full touch screen.
- Waterproof IPX 67.

ADAS 4K/2K 6.86"/ 6.25" Carplay Recorder

D686

6.86" ADAS 2K CarPlay DVR

- ADAS, 2K record, Fast start work(5s)
- Split-screen display, Adjustable window
- 6.86" IPS 1280*480, full-touch screen
- Apple CarPlay, Android Auto
- Dual Recording (F/B), Front 2K / Back 1080P
- BT, FM, Wifi function.

P686

6.86" CarPlay Android Auto PND

- Fast start work(5s)
- TF card play
- 6.86" IPS 1280*480, full-touch screen
- Apple CarPlay, Android Auto
- BT, FM, Wifi function.

D625

6.25" ADAS 2K CarPlay DVR

- ADAS, 2K record, Fast start work(5s)
- Split-screen display, Adjustable window
- 6.25" IPS 1560*720, full-touch screen
- Apple CarPlay, Android Auto
- Dual Recording (F/B), Front 2K / Back 1080P
- BT, FM, Wifi function.

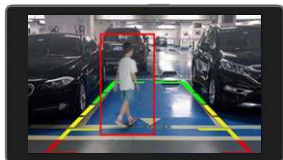

BSD/PDC 4K CarPlay Recorder

P501-BSD/PDC

Collects vehicle image through Front/Back cameras, and transmits it to the smart monitor in real time. Driver can intuitively view the obstacles & pedestrians, reducing accidents, scratches, collisions, and collapses. D501-BSD/PDC can also record 4k ultra-clear video, pedestrian detection and warning in advance.

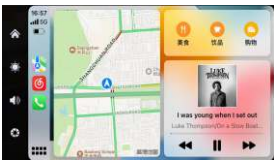

- Wireless Apple CarPlay & Android Auto, PND navigation
- BT/FM/AUX, 3 ways for car original sound quality
- AI Motion Detection, blind spot detection (BSD 15M)
- 5 inch HD display (854*480), Full touch
- PDC (Parking Distance Control) with AHD1080P Camera
- Sensor detecting distance: 0.3-2.5M
- Sound Alert when reversing besides image display
- 4K High Definition video
- Dual recorder(Back 1080P)
- Mobile APP video data download

4K BSD CarPlay DVR 5"

P501-BSD

- AI Motion Detection blind spot detection technology (BSD 15M)
- 4K High Definition video
- 5 inch HD display (854*480), Full-touch
- Wireless Apple CarPlay & Android Auto, PND navigation
- BT/FM/AUX, 3 ways for car original sound quality.
- Dual recorder, 4K Front, 1080P Back
- Mobile APP video data download

5" CarPlay AndroidAuto PND

P5

- 5 inch HD display (854*480), Full-touch
- Wireless Apple CarPlay & Android Auto, PND navigation
- BT/FM/AUX, 3 ways for car original sound quality.
- Support backup rearview
- Multimedia player (TF card music, Movie, Image)

power button

Support Wireless Apple CarPlay Car Play Android Auto

CarPlay Android Auto PND

7" CarPlay AndroidAuto PND

P701

P702

P705

- Plug and play, simple installation
- AUX/FM for car original sound quality
- 7" IPS 1024*600, Full-Touch screen

- Wireless & Wire CarPlay & Android auto
- Wire mirror link for Android & iOS
- Support BT Call & BT Music

- SD Card play / USB play
- Support automatic reversing
- Wide range voltage: 12-30V DC

P703 7" CarPlay Android Auto PND

- AUX/FM/BT, 3 ways for car original sound quality
- 7" IPS 1024*600, Full-Touch screen
- Super-thin host shell, delicate appearance
- Wireless CarPlay & Android auto
- Support BT Call and BT music, SD Card play
- Support automatic reversing (1080P)

P703-V PDC 7" CarPlay PND with ultrasonic camera

- AHD1080P PDC Parking Camera for reversing (0.3-2.0M)
- Sound alert when car reversing besides image display
- AUX, FM, or BT. 3 ways for car original sound quality
- 7" IPS 1024*600, Full-Touch screen
- Wireless CarPlay & Android auto
- Support BT Call and BT music, SD Card play

7" CarPlay Android Auto PND

P706

- Super-thin host shell, delicate appearance. 7" IPS 1024*600
- Plug and play, simple installation
- Connection to the original car Radio by AUX, FM, or BT

7" CarPlay Android Auto PND

P707

- Wireless CarPlay & Android auto
- Support BT hands-free call and BT music, SD Card play
- Support rear view camera for automatic reversing (1080P)

10.26" CarPlay PND

P1026

- Apple CarPlay, Android Auto
- 10.26" IPS 1600*600, F-touch
- AUX out, FM Out, Dual-BT
- Play music and video
- Wide range voltage: 12-30V DC
- Support 1080P rearview camera

9.0" CarPlay PND

P901

- Apple CarPlay, Android Auto
- 9" IPS 1024*600 Full touch.
- AUX out, FM Out, Dual-BT
- Play music and video
- Support 1080P Reversing

P703-C 7" CarPlay Android Auto PND

P704 7" CarPlay Android Auto PND

- Wire mirror link for both Android and iOS devices, choose you favorite
- Support BT hands-free call and BT music, SD Card play, USB play
- with Reserved rear view camera port for automatic reversing (720P/CVBS)

Truck CarPlay DVR 4CH 360° Monitoring System

10.36" Truck CarPlay DVR 4CH Camera Monitor System

P1036-4

P1036-4 collects TRUCK surrounding images, transmits them to MONITOR in real time through 4 AHD 1080P cameras installed inside/outside the truck body. With this system, the driver can visually see the obstacles & pedestrians around, reducing scratches, collisions, falls, even accidents, recording all driving videos.

P1036-4 has CarPlay / AndroidAUTO function for:

PND navigation, BT hand-free call & BT music, Wifi, FM, AUX out. Split screen display.

CarPlay/AndroidAuto 4 CH 1080P DVR Recorder 10.36" Split Screen Display

A. Apple CarPlay
wireless Apple CarPlay

B. Andorid Auto
Wireless Android Auto Connection

C. 4CH Channel, Split-screen Display
Split-screen display, 4 cameras 4 channels for 360° monitoring the truck and recording.

D. Bluetooth
Bluetooth function for BT Music & hand-free phone.

E. 4 CH 1080P Recording DVR
Cycle recording and saving in 4 files seperately.

F. Other Functions:
Apple AirPlay / Playback / Audio output

Product Parameters

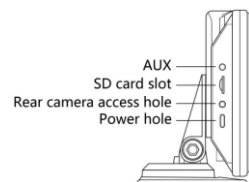

Master control:	High performance SOC	Horn:	2 W speaker
Wireless function:	Apple Carplay / Andorid Auto / Apple AirPlay	FM emission:	Adjustable frequency 87MHz-108MHz
Screen:	10.36 inch IPS material, 1600*720 resolution	Reversing video:	Automatic reversing video display
Storage:	SD 32G~256G Class10	Working voltage:	12V-30V
Wireless module:	Wifi, BT, FM Launch module	Resolution:	AHD 1080P
Camera:	Front, rear, left and right four cameras	Waterproof:	IP68 (camera)

10.36" Truck CarPlay RND

P1036

- Apple CarPlay, Android Auto
- PDN Navigation
- 10.36" IPS 1600*720, Full-touch
- AUX out, FM Out, Dual-BT
- Play music and video
- Support 1080P Reversing
- IR Camera with 15m Aviation Cable

P7023 7" CarPlay MP5

- High-speed running for quick start to work
- Car-play for the vast majority of Apple phone & Most Android phon.
- Adjustable EQ Function for more requirements
- Moveable Android-style Icons for convenience
- Two ways of Video Input for front camera and rearview camera
- Support AM besides FM radio. FM:87.5~108MHz AM:522~1620KHz, AM12/FM18
- Steering Wheel Learning

Features:

7" High-definition Capacitive touch screen 1024*600 resolution
Multimedia Format: AVI,MKV,QT,MPG,ASF,FLV,RMVB, MP3,WMA,ACC,WAVE,FLAC,APE, OGG,M4,JPEG,BMP
BT function,free hand call and BT music. Steering wheel control function. Support Mirror Link for Android & ios
MOSFET Amplifier:45Watts x 4 max power output. Voltage: 12V DC
With Front USB2.0 port and TF card slot, Front AUX in function. Full IR remote control; Clock function; Mute function
Two way Video output function; Two RCA audio output function; One way video input function; Rear View Camera input function
OSD Language: Chinese, English, Russian, Arabic, Spanish, German, French, Portuguese, Italian, Turkish, Polish
7 inch 2 Din Mp5 Media Player, Installation size: 178*100*65MM

7" BSD F/B 2CH Camera Monitor System

T701-A/1

- 7" IPS high brightness screen
- 2-split-screen display monitor (Resolution 1024*600)
- Dual driving recorder (F1080P+R1080P, H.264)
- 1pcs AHD 1080P Metal Camera with 18 lights
- 1pcs AHD 1080P ultrasonic camera with night vision lights
- PDC BSD detection with sound-alert & obstacle display
- with Aviation connector, and external cable

10.1" BSD 4 CH Camera Monitor System

T1010-A/3

- 10.1" IPS high brightness screen
- 4-split-screen display monitor (1024*600)
- 4-channel recorder (F/R/L/R1080P, H.264)
- 3pcs AHD 1080P Metal Camera with 18 lights
- 1pcs AHD 1080P ultrasonic camera with night vision lights
- PDC BSD detection with sound-alert & obstacle display
- with Aviation connector, and external cable

10.36" BSD 4 CH Camera MP5-Monitor System

T1036-A/3

- 10.36" IPS high brightness screen.
- 4-split-screen display monitor(1600*720).
- MP5/BT/FM multifunction.
- 4-channel recorder (F/R/L/R1080P, H.264).
- 3pcs AHD 1080P Metal Camera with 18 lights.
- 1pcs AHD 1080P ultrasonic camera with night vision lights.
- PDC BSD detection with sound-alert & obstacle display.
- with Aviation connector, and external cable.

BSD Camera Monitor System

7” BSD Rrearview Parking Sensor System

A8-7

- 7" IPS high brightness screen
- AHD 1080P monitor (Resolution 1024*600)
- AHD 1080P ultrasonic camera with night vision lights
- PDC BSD detection with sound-alert & obstacle display
- with Aviation connector, and external cable

7” BSD 2 CH Camera Monitor System

T702-A

- 7" IPS high brightness screen.
- 2-split-screen display monitor (1024*600 Resolution).
- 2-channel recorder (F/R1080P, H.264).
- Front camera AHD 1080P.
- AHD 1080P ultrasonic camera with night vision lights for reversing.
- PDC BSD detection with sound-alert & obstacle display.
- with Aviation connector, and external cable.

8” BSD 4 CH Camera Monitor System

T801-A/3

- 8" IPS high brightness screen.
- 4-split-screen display monitor (1024*600).
- 4-channel recorder (F/R1080P, H.264).
- F/R/L cameras: AHD1080P with aviation connector.
- AHD 1080P ultrasonic camera with night vision lights.
- PDC BSD detection with sound-alert & obstacle display.
- with Aviation connector, and external cable.

BSD/PDC Ultrasonic Camera

Product Characteristics

- All-in-One Camera with 2 ultrasonic sensors, AHD 1080P camera, and 2 fill-in night vision lights, high integration for easy installation.
- A8 has wide-range voltage 12-30V for vehicle.
- A8 ultrasonic camera with aviation connector (external cable, 15M/10M/5M/20M for choice) for truck/bus/RV installation.
- Ultrasonic sensor detects obstacle, and on-screen data display its distance and direction. Color will change from green-yellow-red when obstacle closing, sound change with different frequency to warn.
- AHD 1080P high definition for all screen with AHD 1080P solution, such as Android Player, AHD monitor.
- with 2 Fill-in night vision lights, make sure image clarity in dark space.
- With rusting-free metal mounting bracket, A8 camera view angle can be adjusted to ideal position.

Wireless HD Camera Monitor dvr Kit

Wireless Truck 4CH Camera Monitor dvr System

TW701-4

- AHD 1080P resolution
- 4 cameras & 4 segment screen
- Driving video recorder
- Wireless 2.4G digital signal transmission
- HD 7" HD Screen, 1024*600
- IP 67 waterproof cameras
- Good night vision

View Angle: 110°

Working voltage: 12-30V

Digital signal transmission: 100M

Wireless Truck Video Parking Sensor Camera Kit

WTVP-7

- Wireless 2.4g Digital transmission for 300M open space.
- Simple Installation for trailer/truck specially.
- 1080P Image showing, sound warning & distance display.
- No blind area via ultra-large view angle & PDC radar.
- 5000mAh battery power & fast charging support.
- Solar charging or DC charging for option.
- Cable connecting wireless sender and parking controller.

Wireless Truck Video Parking Sensor Camera Kit

WA8-7

- Wireless 2.4g Digital transmission for 300M open space.
- Simple Installation for normal truck specially.
- 1080P Image showing, sound warning & distance display.
- No blind area via ultra-large view angle & PDC radar.
- 5000mAh battery power & fast charging support.
- Solar charging or DC charging for option.
- Cable connecting wireless sender and parking controller.

No Cable Between display and control box

Wireless Truck Led Parking Sensor System

WT8

- Wireless for simple Installation
- Large range voltage: 12-30V
- Detection distance: 0.3 - 3.0M
- Led colorful display
- Buzz alarm sound

CPN-A FHD 3" Dash Cam

- Private Patent Zinc alloy shell for outstanding heat dissipation
- Full HD 1080P@30FPS, HDR, (NTK96650+Sony323)
- High Quality Image Sensor and Fill-in light for outstanding night video clarity
- Voltage: 12-24V (1.5A) Car adapter with charging cable, Size: 89*51*33mm
- Big Camera Lens(Diameter 1") for HD Video,
- Ultra-wide-Angle Camera lens provides multi-lane coverage
- Gravity sensing, Motion detection, Parking monitor, License plate watermark,
- Quadraple 20mm(4X) for photograph

06M-V 4.3" Mirror Dash Cam with Video Parking Sensor Kit

- Working as Video Parking Sensor when reversing
- Colorfully display the directions and distance of barrier, and warn with buzz beeper
- Dual Record for Front & Rear Image, 1080P/24fps (Front)
- Detect Distance of 4 Ultrasonic Sensors: 2.2~0.3 Meters

SW600 4K Car Dash Cam with 3 AHD Cameras

- HD Resolution: 4K
- Triple Record via 3 cameras (Front / Inside / Back)
- Support: WDR, Shrink Video, GPS, WIFI function
- 300mAh Li-battery or 5.5V2.5F Capacitor
- MAX to 256G, Micro SDHC above U3
- DSP: NT96670 (DDR3 2GB)

SW500 4K Car Dash Cam with AHD Cameras

- HD Resolution: 4K
- Dual Record (4K+AHD1080P)
- GPS, WIFI function
- 2.0" IPS Screen
- Support: WDR, Shrink Video
- 300mAh Li-battery or 5.5V2.5F Capacitor
- MAX to 256G, Micro SDHC above U3
- DSP: NT96670 (DDR3 2GB)

J966-R8 Streaming Media Rear Mirror

- Screen: 9.66 inch HD TFT (1280X320) with full Touch Function & Full display
- Resolution: 1080P(Back) + 1080P(Front)
- Rear View Aid: Visual Reversing
- Shrink Monitor for Parking & Parking Guard
- G-sensor for Gravity
- Language: English, Chinese
- Rear Camera provides 1080P FHD image of the car back
- to improve driving safety.

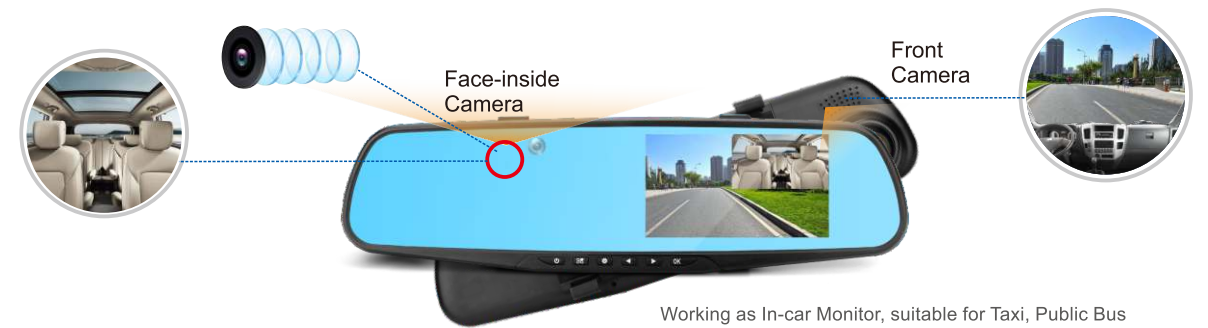

XTY3 4" Touch Screen 3 Eyes Camera Video Recording

- 1080P/720P(Two recording modes) for Front Camera Video Recording.
- Besides Main Camera for Front, Other Two Cameras for Inside & Backup.
- 120° Lens Provides Multi-lane Coverage.
- Rear View Function while Reversing; TFT screen 4.0" IPS.
- 12-24V Car Adapter with Charging Cable.

In-Car Monitor Mirror Camera
