## INTRODUCE

We are a professional manufacturer for home decoration items.Our producsts sell to America,Europe,Australian,China market and so on.We mainly deal with candle holder,photo frame,mirror,clock ,racks and holder items etc.

Factory is located in Ningbo city,about 15minites far away from Ningbo airport,it is convenient transportation and easy for a factory visit.

## HISTORY

We established in year 2002.At beginning,we made a welding machine ourself at our home by father Mr Zhuang and begin small order production in first year.

Few years later,we bought several welding machine and press machine in a small workshop which we rented. Do business with our local exporting company.

Some years past,in year 2012,we built our own factory building near our house and begin exporting by agent ourselves.

Now we are doing work on BSCI authentication,then we can have long-term order cooperation with our customer Walmart,Hogewoning etc.

## WHY CHOOSE US

1.We are Factory directly and can response in time and priority;

2.We have more than 10 years experience in production;

3. We have our own design department,ODM&OEM both support;

4. We are working hard on "Professional,Good Quality,Better Service and innovation".
