COMPANY PROFILE

Brighter Lives and Better Homes. Bright Max makes everything possible!

Bright Max is a leading global developer and supplier of Led Lights, established in Ningbo in 2011.

We are one of the biggest lighting vendor in Ningbo Shanghai China.

We specialize in designing and manufacturing high quality products for professional and decorative markets.

Our strategy is to focus on delivering innovative products with outstanding quality and excellent service to ensure our customers success.

We believe that the quality of a product goes hand in hand with innovation. We seek every improvement in every step of developing a product, from design, tooling, production, packaging and finally delivery to our customers.

Our quality system consists of many checks and balances that ensure we consistently deliver the same high-quality product every time
