

### COMPANY PROFILE

#### 企业简介

18 年行业经验

服务客户 6000+

三大生产基地

13000 平方

300<sup>+</sup>台生产设备

员工近 200 人

日产磁铁 200 万个

无线充磁吸组件 10 万套

- 1, 资深技术团队:工程技术核心团队成员,具有15年以上从业经验。
- 2, 一条龙服务:磁路模拟,磁路设计,机加工,电镀,多极充磁,组装一条龙服务。
- 3, 产能设备实力:三大生产基地,13000平方,300台+生产设备,员工200人+; 日产磁铁200万个、无线充磁吸组件10万套。
- 4, 自有电镀厂:自营专业电镀厂,电镀工艺24小时高效完成,镀层结合力高,盐雾测试达96H
- 5, 快速反应机制:5分钟快速反应,8小时内给解决方案,4H出图,24小时交样,72小时交货。

深圳市艾尔磁电有限公司

磁性产品解决方案的引领者！  
A leader in magnetic product solutions

用艾尔磁铁，制造有吸引力的产品  
Create attractive products using AIM magnets

## COMPANY PROFILE

### 企业简介

18 年行业经验  
18 Years Experience

服务客户 6000+  
Serving customers 6000+

三大生产基地  
Three Production Bases

13000 平方  
13000 Square Meters

300+ 台生产设备  
235 Production Equipment

员工近 200 人  
Over 200+ employees

日产磁铁 200 万个  
2 Million Magnets Produced Per Day

无线充磁吸组件 10 万套  
100K Set Wireless Charging Magnet Produced Per Day

1. Professional Senior Engineering Team: members of the core engineering technology team with more than 15 years of experience
2. One-stop service: magnetic circuit simulation, magnetic circuit design, machining, electroplating, multi-pole magnetization, and assembly.
3. Production capacity and equipment strength: three major production bases, 13,000 square meters, 300+ production equipment, 200+ employees; It produces 2 million magnets and 100,000 sets of wireless magnetic components per day.
4. Self-Owned Electroplating Factory: Self-operated professional electroplating factory, the electroplating process is completed efficiently in 24 hours, the coating bonding force is high, and the salt spray test reaches 96H
5. Ultra Fast Responing: 5 minutes rapid response, solution within 8 hours, 4H drawings, 24 hours sample delivery, 72 hours delivery.
