Haixiang Advantage Channels

>>> International Express: Long-term cooperative relationship with DHL, UPS, FedEx, TNT. 10-year stable account. As a first-class agent, we offer low discounts and priority services! The agency account can be used for invoice and recipient name transfer. Our own dedicated express vehicle for Hong Kong delivery. Customs declaration documents can be picked up on the same day!

>>> Dual-Clear Tax-inclusive Air Freight Service: Long-term cooperation with multiple airlines for charter flight services. One-stop solution. Own (domestic and international) customs clearance team, with 100,000 square feet of self-owned overseas warehouse, capable of supporting services such as oversized item delivery, storage, label exchange, one-stop dropshipping, etc. Own UPS/FedEx delivery accounts, own 53-foot fleet, and can provide dedicated delivery services across the United States. Self-managed, operation is convenient, channels are safe, and the entire process is controllable and guaranteed.

>>> American Shuangqing Tax-inclusive Haipai: Long-term cooperation agreements have been signed with global leading shipping companies such as Matson, EXX, ZIM, COSCO, and EMC. There are fixed weekly shipping schedules with stable reliability. We have ten years of experience in import customs clearance and declaration services. The inspection rate is as low as 0.07%. We have our own overseas warehouses. We can deliver containers immediately and sort them out immediately upon unloading. We support Amazon full-container delivery and dedicated warehouse direct delivery. We have our own 53-foot fleet and support FTL and LTL delivery. We also offer self-operated 53-foot trailers and support FTL and LTL transportation. Within the 90-92 postal code area, we deliver by dedicated vehicle on the same day. We provide full-service vehicle cards across the United States. From the West Coast to the East Coast, the delivery time is at most three days!

>>> International Air Freight Headhaul: Haixiang is committed to providing our customers with efficient and reliable international air freight services. After nearly one year of development, we have established an air freight service network centered around five major airports: Shenzhen, Guangzhou, Hong Kong, Zhengzhou, and Incheon, South Korea. Our cooperative commercial flights exceed 100+, and the main contracted airlines include: TK, PO, CZ, CA, KE, LH, OZ, MU, HU, QR, EK, etc. Our advantageous routes cover major countries such as Europe and America.
