About Us

永鑫家居

Anji Yongxin Home supplies Co., Ltd is a professional manufacturer and supplier of office chair, gaming chair for exporting. Our target is to help our customers to grow and build their own brand.

Our associated company covers 12000 squares meters. Our products strength lie in our strict quality control and design capability. We have professional team for chair test, no matter chair raw materials from our suppliers or chair been packed well, all must be tested well by our inspectors before come out of factory, this can help our customer reduce many complaints from their customers, and also build very good reputation for ourselves.

Our company has a large number of experienced staff who are always available to discuss your requirements and ensure customer satisfaction. We not only provide products designed by ourselves, but also O E M products with customers' brands. Whether your company is selecting a product from our existing catalog or seeking help in developing customization, please feel free to contact our customer service center and inform your company of your purchasing requirements.

Customer First, Integrity management, Teamwork, Innovation and Development is always our principle. We will do our best to make every customer get the biggest satisfaction from us, and build sincere and long-term cooperative relationships with our customers, group together.
