About US

Company profile

ShenZhen JinKeJi Electronics Co., Ltd. is a professional manufacturer of electronic connectors integrating research and development, production and sales. Since its inception in 1998, with "excellent quality, service first, credibility, common development" as the purpose of the enterprise.

Through ISO9001:2015, IATF16949:2016 international quality system certification.

Connector products manufactured and sold have passed the SGS test.

In 2011, Shenzhen Ruiba New Energy Technology Co., Ltd. was established, and independent accounting.

The main production and sales of automotive wiring harness, electronic products, for BMW OEMs and other high-end customers and become their strategic partners.

Our mission is to provide all customers-quality products and good service.

Company history

1998

Jinkeji electronic Co., Ltd
was established in Shenzhen

Set up automation
R&D department

2009

Passed the ISO9001
quality management
system certification

2005

Shenzhen Ruiba New
energy Technology Co.,
LTD was established

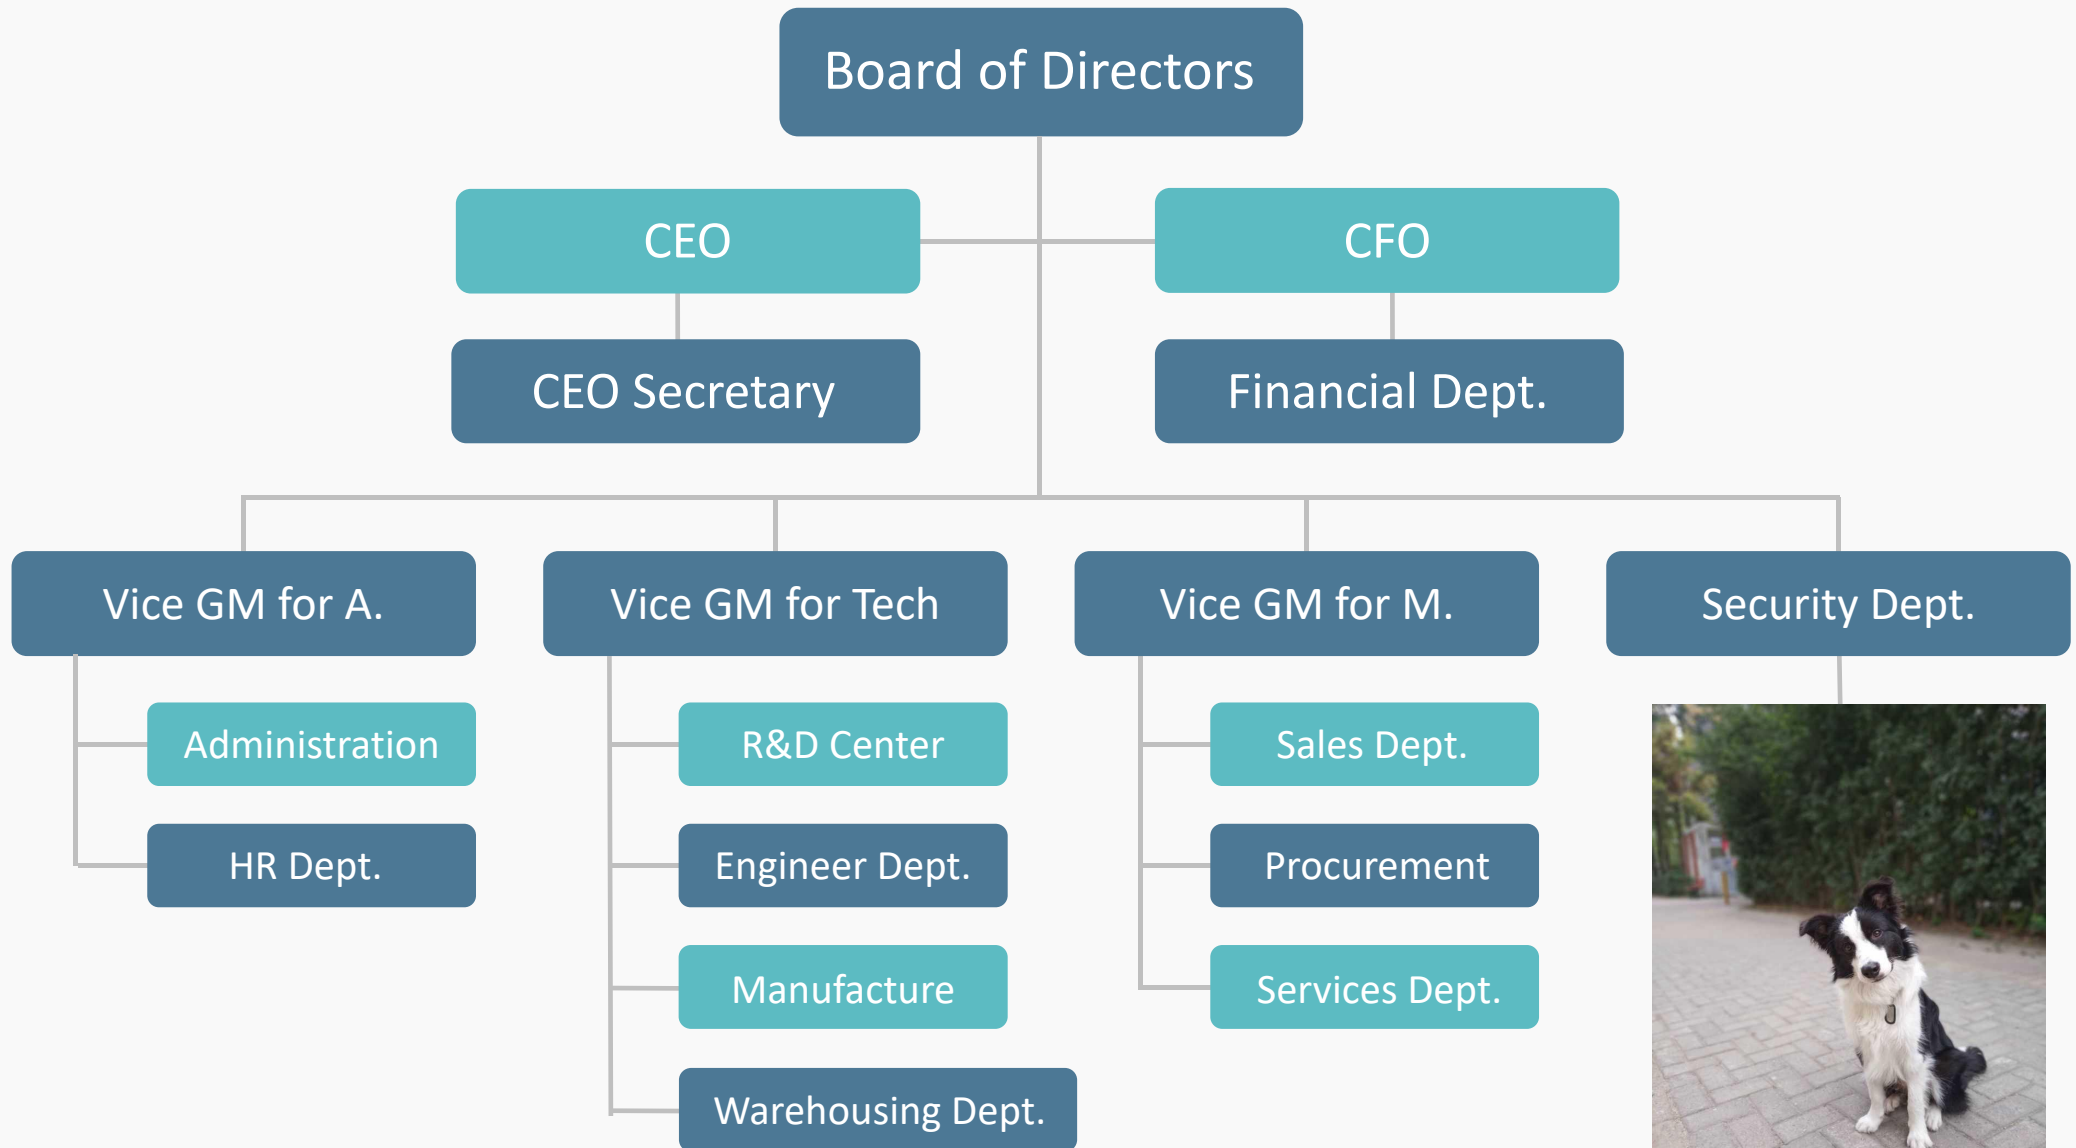

2011

The factory moved to a new
site -NO.9, Furong Road,
Tantou Community, Songgang

2012

IATF16949 certification
passed

2015

Sales, Finance and Development office

Main equipment

- Automatic terminal pressing machine
- Super high speed computer wire cutting machine
- High speed computer tube cutting machine
- High frequency welding machine
- Vertical forming machine
- Safety system

Manufacturing capacity

PCBA assembly workshop

Main equipment

- Crest welder
- Ultrasonic plastic welding machine
- Resistance forming machine
- Reflow soldering
- Reflow Oven
- Multi-function automatic tester

Main equipment

- Temp&Humi programmable chamber
- Quadratic projector
- Bending Test Machines
- Hipot / Insulation Test
- Pulling Force Test Machine
- Aging Test Machine
- X-Ray Test Machine(UX-350)
- Salt-Brume Test

Manufacturing capacity

Molding workshop

Main equipment

- CNC machining center
- SODICK-Spark machine
- Grinding machines
- Milling machine

Manufacturing capacity

Injection molding workshop

Main equipment

- Automatic injection molding machine with Monitoring equipment
- Automatic injection molding machine
- Manipulator automatic injection molding machine
- High pressure injection molding machine
- Low pressure injection molding machine

Company Honor

Quality Management System:

ISO9001: 2015 (No.48523)

IATF16949: 2016 (No.0392146)

ISO14001: 2015 (No.131807E)

ISO13485: 2016 (No.CNQM041396)

RoHS Compliant

Reach Compliant

More than 10 patent certificates

Enterprise culture

High Quality

Core Values

Low-cost

- ☛ Competitive Price
- ☛ Effective Inventory Control

High Efficiency

- ☛ On Time Delivery
- ☛ Cohesive Power with Partner

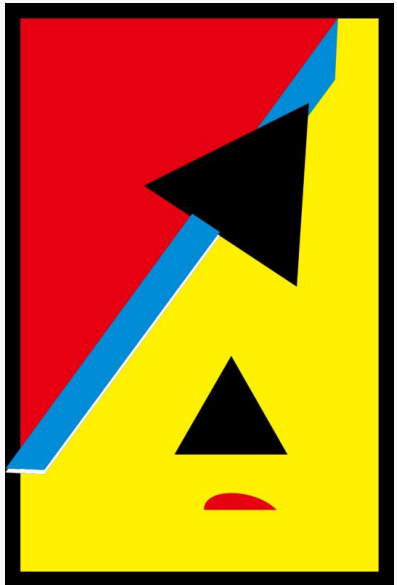

Star Service

- ☛ Rich Experience
- ☛ Continuous Investment on R&D
- ☛ Excellent Manpower

Our supply chain partners

Engineering technology consulting partner

A L L E N

We have been working with the world-renowned engineering consulting service provider ALLEN Group for a long time. Concentrate on product strategy, or on design and implementation of the associated specifications and project management, with ALLEN providing the necessary engineering resources.

Enjoy to provide you with one-to-one professional consultation, customised products, from pre-installation to engineering services.

A special document control center, for each customer file management, real-time tracking your needs. - We like to share supply chain resources, have a release also for parts procurement.
