成都梓力文化创意有限公司

Chengdu Zilihood cultural creativity Co.,Ltd

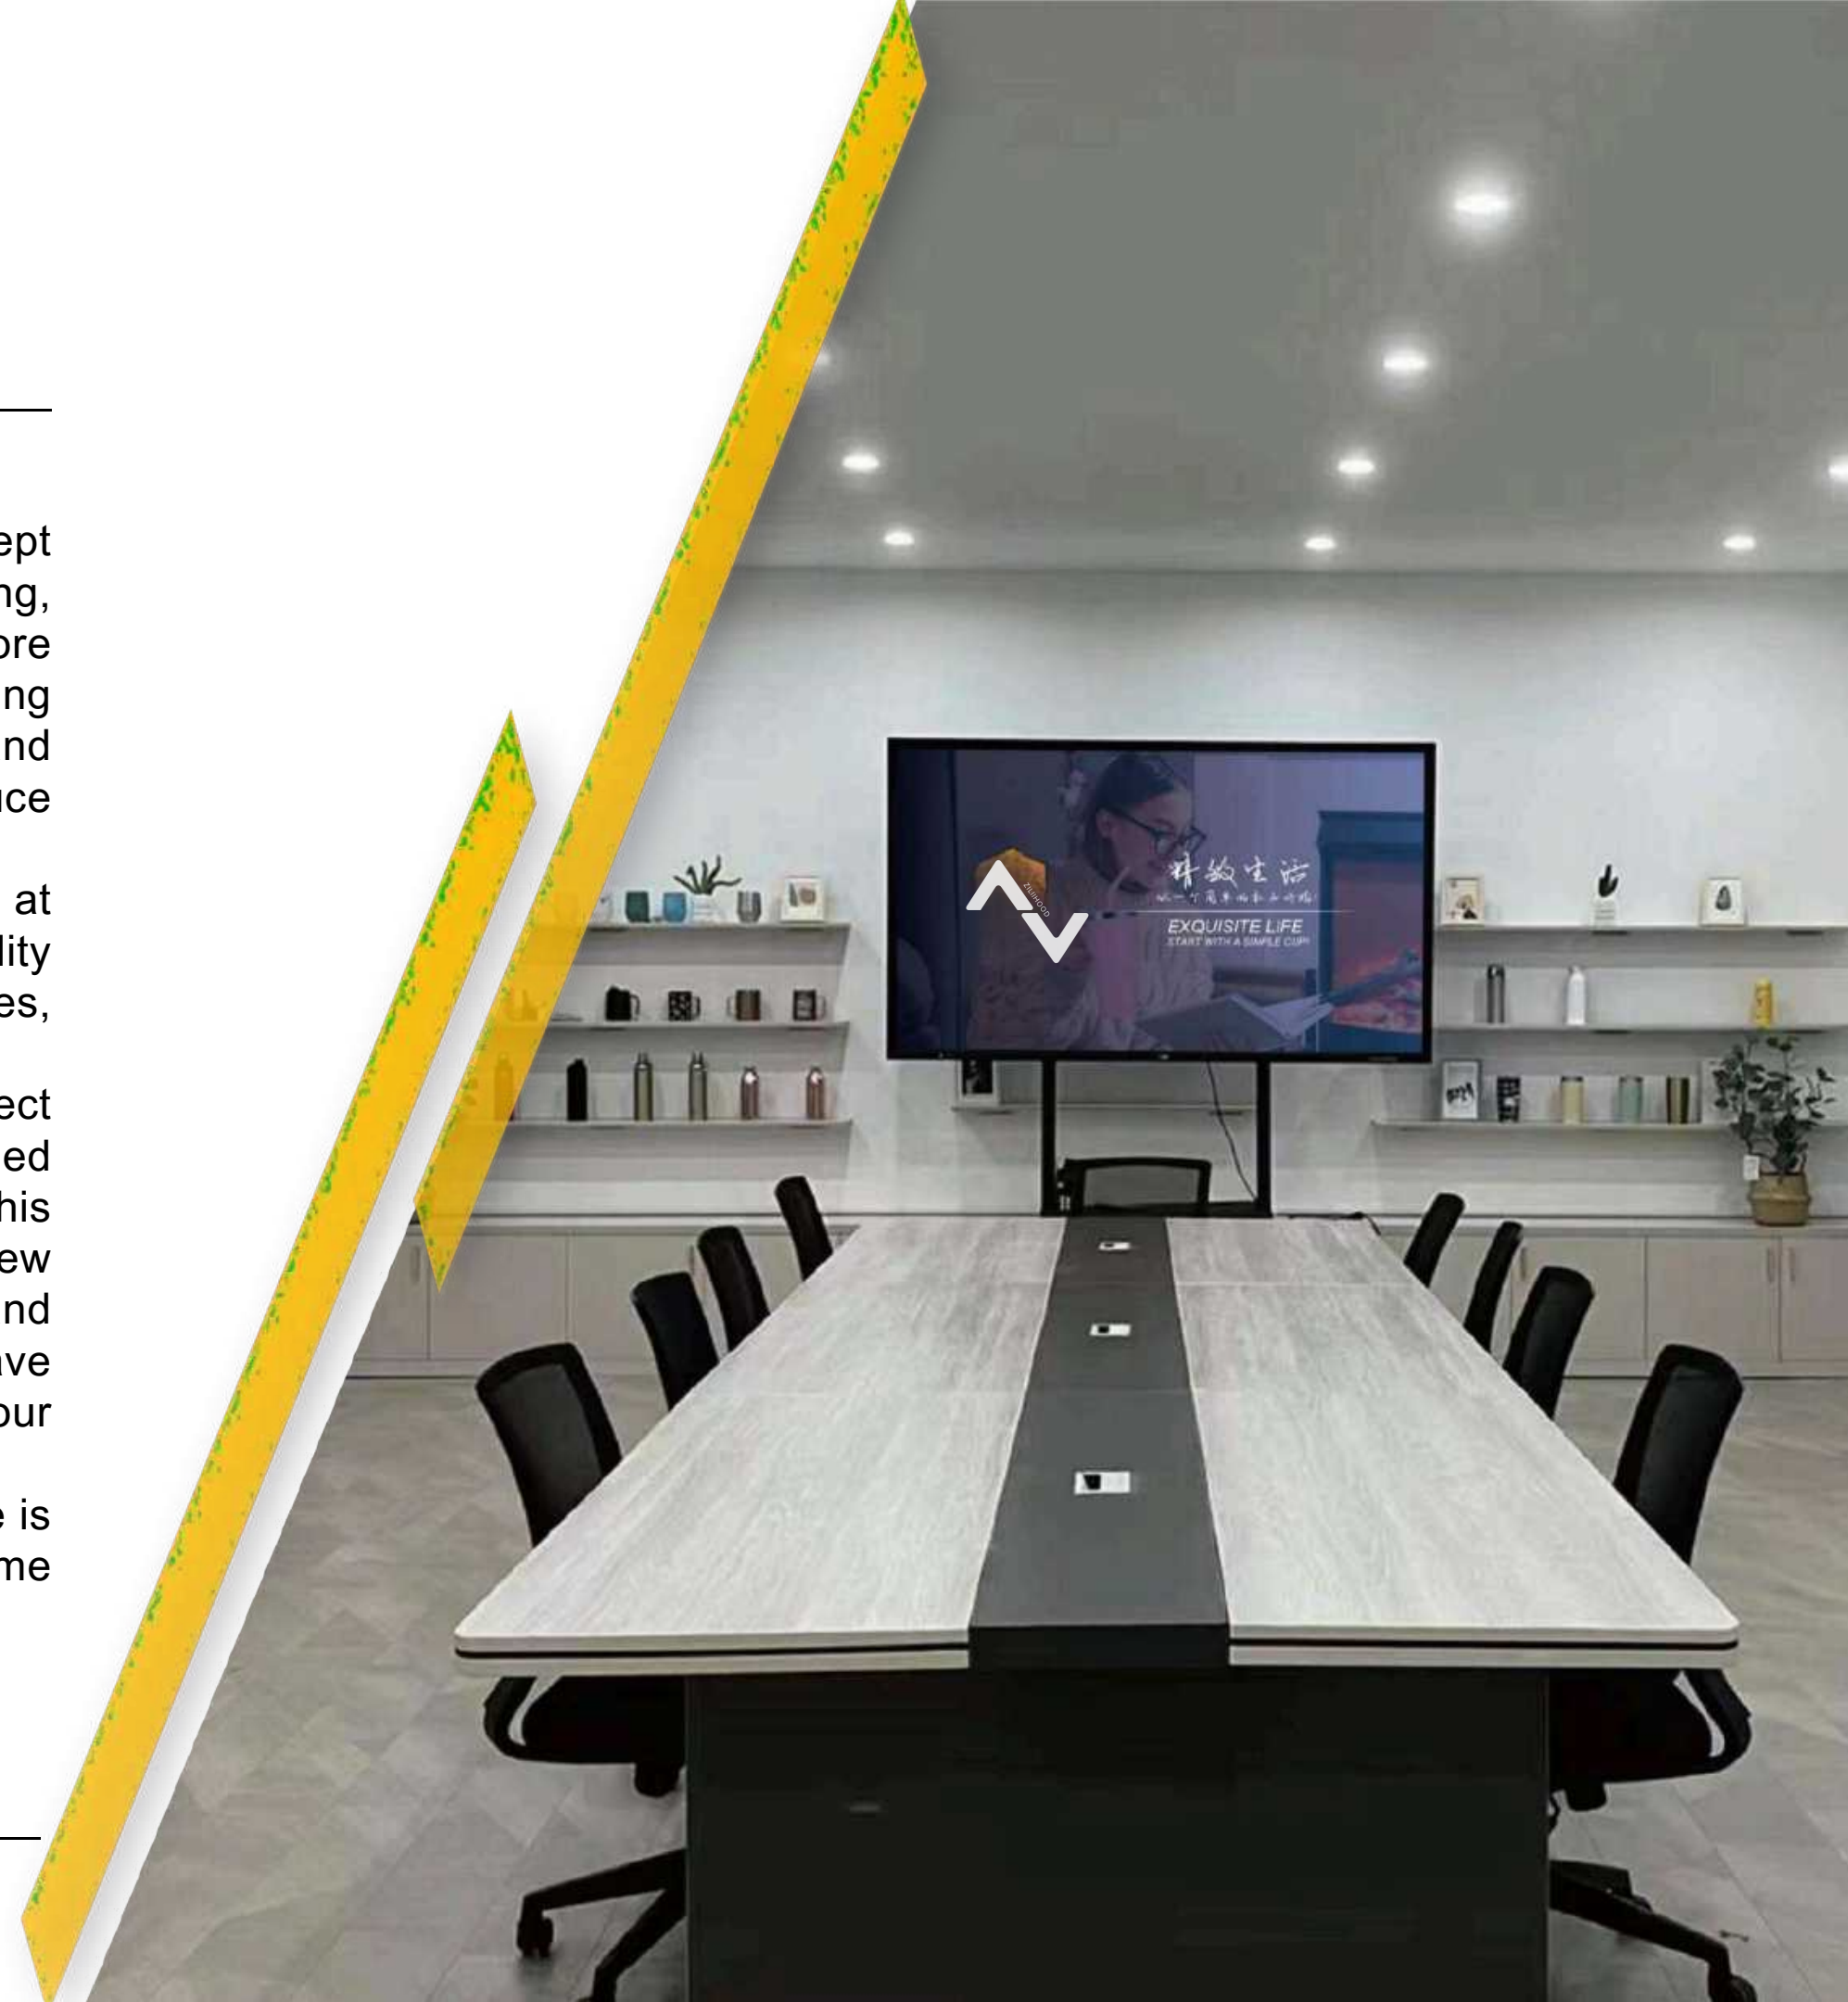

关于我们 Company Profile

Zilihood is an enterprise that integrates production and sales with the concept of green and environmental protection. Our factory is located in Yongkang, Zhejiang, the hardware capital of China, workshop area is about 22000m², more than 200 workers. After years of development, the existing metalworking workshops, welding workshops, painting workshops, vacuuming workshops and other seven production departments of the manufacturing plant and can produce more than 25000 bottles per day.

We aim to improve product quality, integrate advanced production technology at home and abroad, and continuously develop and produce unique and high-quality products. Products include stainless steel vacuum flasks, car cups, sports bottles, children's water bottles.

Our company has impressive design strength, strong technical force, perfect production methods and advanced quality control system. There are skilled workers and professional technicians. They have many years of experience in this field and know the guests. Ideas and needs, and continue to innovate, develop new products and provide samples for customers, develop custom. we accept OEM and ODM. Through years of cooperation with domestic and foreign merchants, we have gradually established a sound management system and won the trust of our customers with our high-quality products and integrity.

The company is based on product quality, integrity is our principle, better service is our goal, to be a world-class vacuum flask is our pursuit, we sincerely welcome new and old customers to visit our factory.
