Thank you for visit our website and I think It's necessary to introduce our company to your firstly.

Shenzhen Towell Printing Packaging Co., Ltd is a wholly-owned enterprise, established in 1994, which started its business in Shenzhen in 1992. Our company has three factories, with a total of 30,000 square meters of long garden-style workshop now. Bestywell is our printing factory, located in Shenzhen.

Through 21 years' development, we had built business relationship with many countries, such as the US, the UK, Ireland, Germany, Italy, Spain, Australia, New Zealand, Japan, South Africa and other areas, and have gained good reputation worldwide.

Our company had imported the most advanced printing machines such as Heidelberg and Roland 700 from Germany, and Komori and Mitsubishi from Japan.

Our fully automatic Swiss Martini adhesive binding complexes, hardcover binding complexes and saddle-stitch binding complexes can provide a very excellent and fast printing service. Our maximum binding speed is 5,000 pieces per hour for perfect binding and 4,000 pieces per hour for hardcover binding.

Our company can professionally print high-class books, brochures, magazines, children's books, publications, yellow-pages, notebooks, packaging boxes, gift boxes and other related products.

Besides, our company has a more experience in doing paper gift products and premium items, such as music greeting cards, video cards, memo cubes, sticky notepads, towel items, ceramic items and promotional items.

Below are some of our models which are hot sales in international marketing, for your browsing, if you have to customized, please also feel free to contact us today.
