About US

Winway is specializing in the research, developing and manufacturing unique and practical phone mount products. our designs follow the innovative and practical principle, continually solving and improving the pain points of existing products on the market, bring end-users 100% safe and excellent phone mounting experience.

Quality is our life, all of our items are strictly according to RoHs, Reach, CA Prop 65, CCPSA standards, all of our units enjoy 1 year warranty.

Throughout several years effort, we've stood out in car mount industry. In 2019, we launched the first swivel lock air vent mount, and opened a new and the most stable way of mounting the air vent blade, helping customer achieve 1.5 million units annual sales , entering Amazon top 3 sellers. Afterwards, we developed easy-stick swivel mount, low-profile dashboard mount and long vehicle mount, all of them bring us great market response.

In 2023, we bring our key design, it is our never-die cradle, it is never one-side arm getting stuck and temperature-resistant to hot or cold days with Unique Gearbox Structure.

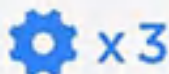

Let's explore more invention together.
