COMPANY PROFILE

Kanshang Monitor Wholesale Factory is a leading international high-tech enterprise with over 17 years of experience in the display industry. We specialize in the research, development, and manufacturing of high-quality computer monitors, educational all-in-one PCs, and intelligent interactive solutions. Our products are widely used in education, business, gaming, and live streaming applications, serving clients worldwide.

Our factory operates from a modern 20,000-square-meter facility equipped with 10 streamlined production lines. With a dedicated team of 200 skilled professionals, we maintain a monthly production capacity of 50,000 units and can scale up to 120% to meet urgent demands. As a 100% export-oriented manufacturer, we strictly adhere to international quality standards and ensure efficient global logistics for timely deliveries.

We offer a comprehensive range of display products, including LCD, LED, IPS, TN, and VA monitors in sizes from 15 to 34 inches. Our portfolio features HD, FHD, QHD, and UHD resolutions, with options for flat, curved, borderless, and frameless designs. Additionally, we provide customized all-in-one desktop computers, backlight modules, and complete OEM/ODM services tailored to client specifications.
