Deding Healthy Products Co., Ltd.

Product Catalog

Let the world use better Pilates equipment

About us

Huizhou Deding Healthy Products Co., Ltd. has production bases in Dongguan, Huizhou, Sichuan and Shandong. It is a manufacturer specializing in the production and sales of Pilates fitness equipment. we are the verified manufacturer by TUV and Alibaba . We enjoy a high reputation in the Pilates equipment industry, with sales markets all over the world. Asia, Europe, North America, South America, Africa, Oceania. We are committed to developing and designing more updated and fashionable fitness products to meet the needs of different customers. "Excellent quality, competitive prices, fast delivery and perfect after-sales service" are our consistent business objectives and the key to success. Warmly welcome new and old customers to negotiate business and create brilliance together.

Our company is committed to researching, developing and upgrading the manufacturing of Pilates equipment. It supports product customization services, has complete logistics service guarantees, and supports door-to-door delivery services. All equipment products enjoy a 3-year warranty and after-sales service, allowing you to purchase with peace of mind.

About equipment configuration

The wood materials of the reformers in Deding Factory are: maple, beech, and oak. The high-end series are all maple. Regarding spring configuration: oak and beech are equipped with Korean springs, maple is equipped with German springs; aluminum alloy is equipped with German springs (except for some).
