Our Commitment & Advantage

COMMITMENT

Ever since the factory was founded, we have been adhering to the commitment to the society, sticking to principles and serving customers with utmost sincerity.

At the same time, we have introduced advanced techniques to perfect company structure and modernize the system, which makes our factory more vital and competitive in domestic and overseas market.

ADVANTAGE

Our advantage With an outstanding production capacity, we are well established to provide customers with quality products at favourable prices and efficient services.

We always strive to make sure our products are of high quality and in line with the latest fashions.

We are continuously updating our production processes with the latest technology and are able to promptly produce new styles for the upcoming season. Our experienced employees implement an internal quality control system that covers our entire production process.

We hope to receive your inquiries and to form a fruitful business relationship in the near future.

OUR CUSTOMERS

Products export to the United States, Europe, Australia, the Middle East, southeast Asia, Japan and other countries, the annual export value of more than ten million dollars. Well received by foreign customers and has been working with many famous brands (Champion/jack and Jones /CR7/ZARA.....) since 2004. Established OEM cooperation relationship. Our product quality and production speed have been recognized by them and won a good business reputation.

OEKO-TEX®
INSPIRING CONFIDENCE

CERTIFICATE

The company

Baichuan Dress & Weaving Co., Ltd. Quanzhou
Xianjing Industrial Area,
Fuqiao, Licheng District,
Quanzhou Fujian
China

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report SH020 177111.1

for the following articles:

Underwear (briefs, Boxer, vest), pyjama set, T-shirt, pants, cap and hair band made of 100% cotton, cotton/spandex knitted fabric, white, reactive fibre-dyed in grey melange, yarn or piece-dyed, printed (including reactive, pigment and plastisol print) and finished; or made of modal/spandex, modal/cotton/spandex, viscose from bamboo/cotton/spandex and viscose from bamboo/cotton/spandex knitted fabric, white, piece-dyed and finished; including accessories (PES sewing thread, PA/EL, PES/EL, PA/PES/EL, PES/rubber elastic band, PES ribbon, heat transfer printed label in black/blue/grey/white, PES woven label, PES or CO printed label) (based on material partly pre-certified according to STANDARD 100 by OEKO-TEX®)

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Annex 4, product class II have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 4 for products with direct contact to skin.

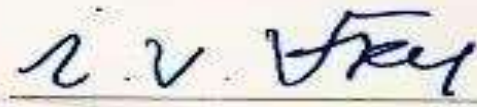

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA, with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate SHGO 049753 is valid until 31.10.2021
