

Vsmile Catalogue

Product: Projector and accessories

www.vsmiletech.net

COMPANY PROFILE

The company, established in 2006, is a national high-tech enterprise integrating projector design, research and development, production, sales, and service.

It's product applications cover scenes such as home audio and video, efficient office, outdoor entertainment, car audio and video, festival gifts, advertising engineering, government and enterprise engineering, outdoor public welfare, medical diagnosis and treatment, etc.

Since its establishment 19 years ago, the company has taken advanced technology as its core advantage, coupled with a professional and top-notch service team, and has established long-term cooperative relationships with many well-known enterprises both domestically and internationally. These include well-known brands such as Walmart, BestBuy, RCA, Disney, Kodak, Carrefour, Don Quixote Japan, Amazon, eBay, Tmall, JD.com's self-operated platform Panda, Haier, Konka, and Amoi

- New product development process: design, sampling, testing, trial production, improvement, certification, mass production
- Production process: SMT, assembly, testing, aging (new product aging for 12 hours), functional testing, packaging, sampling, warehousing

The enterprise has passed ISO9001:2000 international quality management system certification, and its products have passed 3C, FCC, CE, WEEE, HDMI, CQC, SA, EMC, GS and other system certifications

01

LED PROJECTOR

NSL03

LCD Portable Smart Projector

Features:

- 1. Mood light Follow the real-time changes of the screen
- 2.Support Air Sharing Miracast, DLNA, Airplay
- 3.Steaming Media Support Netflix/Youtube/Prime Video

Auto Focus

Android 13.0

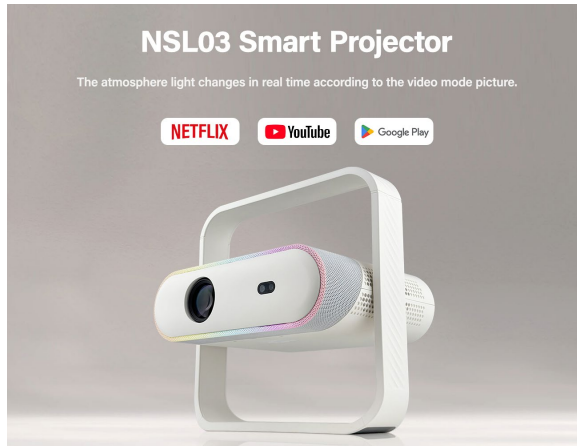

Full HD 1080P

400LM ANSI

Bluetooth5.4

Display Technology:	LCD
Light Source:	LED
System:	Android 13.0/Linux OS
Brightness:	400Ansi Lumens
Resolution:	1920*1080P
Focus:	Auto Focusing
Throw Ratio:	1.2:1
Memory:	1+8G
Speaker:	5W*2

N21

New Type-C Power Bank Support Projector

Features:

- 1. Multi-scene Ambient Light
- 2.Portable design
- 3.Built-in Bluetooth speaker

Auto Focus

Android 14.0

1280*720P
