## **TOGRAN** 铭冠®

Specializing in PC mouse, keyboard and headset since 2002, we've turned 300 buyers into repeat customers with competitive price, superior quality and unmatched after-sales service. Roccat, Cherry, Kensington, Trust, are just a few of brands in our long-term client list. Whether you're looking for OEM/ODM service or be agent of our brands, you will benefit from our following advantages:

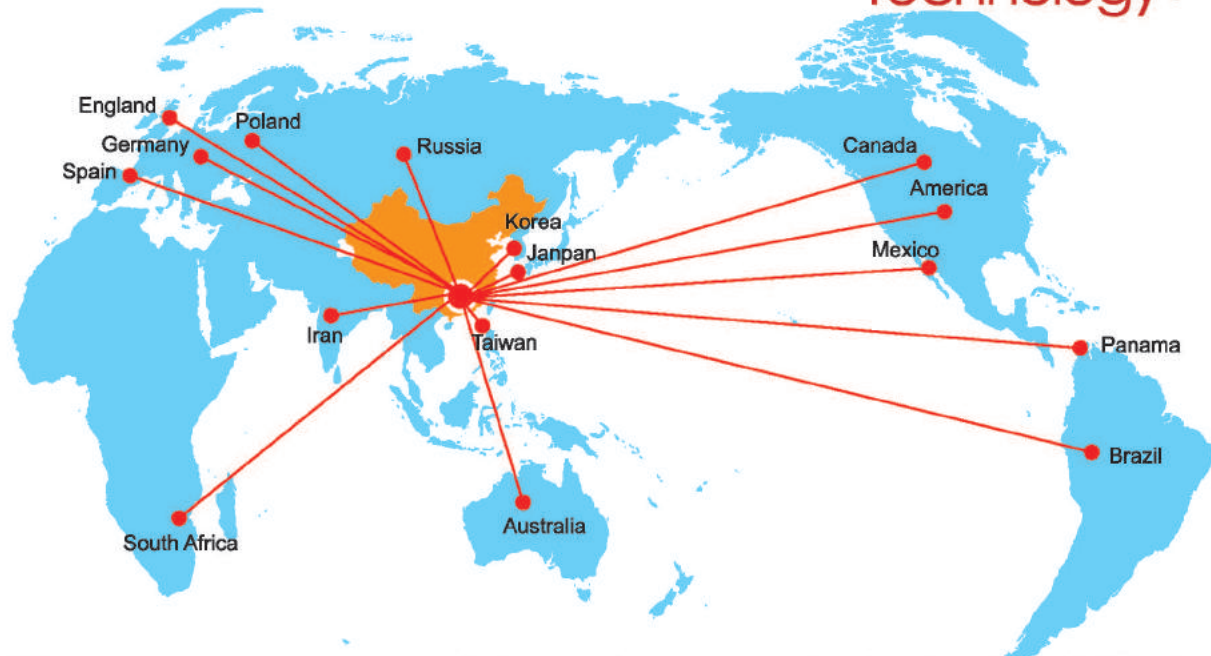

- Conform to Environmental protection Directive of RoHS Directive 2011/65/EC, PAHs, Phthalates, PFOS and REACH and so on.
- Plant Size: 45,000m<sup>2</sup>, production area: 24,000m<sup>2</sup>
- All molds are uniquely-designed and made in-house
- 1,000,000 units monthly capacity
- International approved quality

Our goal is to make the largest benefit for customers and grow up with customer together. Our work is to help customer create the biggest advantage by designing and manufacturing the profitable products. Amid the competitive market, only the specialist can build up the largest market profit by brand new and popular designs.
