

Professional Manufacturer of High-Quality Bags Since 2015

Established in 2015, Quanzhou Johnhe Industrial is a professional manufacturer of high-quality bags, offering a wide range of products to meet diverse needs. With a 5,000-square-meter factory, 4 production lines, and 120 skilled workers, we combine traditional craftsmanship with modern technology to deliver exceptional products. Our dedicated R&D team includes designers, 3D modelers, and sample makers, while our QC team ensures rigorous inspections at every stage, from raw materials to finished products.

Our Product Range

Our main products include school bags, laptop bags, travel bags, lunch bags, sports bags, cosmetics bags, toiletry bags, rolling cases, tool bags, grill covers, suit covers, shopping bags, and more.

Global Partnerships with Disney, Target, Walmart, and Goodyear

We pride ourselves on long-term collaborations with renowned brands such as Disney, Target, Walmart, Goodyear, Rogers Hospitality, and AMG. Our products are also supplied to Amazon sellers, importers, and distributors across the EU, America, ASEAN, and beyond.

Services We Provide

- Integrated Solutions: Design, manufacturing, and marketing under one roof.
- Quality Assurance: Comprehensive inspections for printing, materials, production, packing, and shipment to ensure reliable quality.
- Innovative Designs: Professional teams consistently introduce fashionable and functional designs, setting trends in the industry.
- Fast Sampling: From idea to sample in just 3-5 days.
- 100% QC: Rigorous quality control ensures every product meets high standards.

Corporate Vision

Johnhe Industrial is committed to becoming a global benchmark in the packaging industry. Client satisfaction is our top priority, and we strive to be a trustworthy partner in your business success.
