About US

CHINAOWL Co. Ltd is a professional manufacturer specialized in developing and producing audio products such as Portable BT Speakers, Boombox, Party BT speakers etc.

Our company was found in 2007. As a result of over 18 years focus on audio field, we have established a very strict quality control system. And got ISO9001 certificate, passed BSCI audit.

Rely on our excellent R&D ability&abundant manufacturing experience, we provide OEM/ODM service for more than 100 clients in the worldwide include some well-known global brands.

Nearly 30-50 patented products will be developed every year. Our factory for portable speakers is located in Dongguan & for party speakers is located in Guangzhou. With a monthly production capacity of 250K, which can meet the needs of large orders. We look forward to working together with our business partners to build more prosperous future !
