E-Joy Tech Co. Limited was founded in Shenzhen, China in 2006, specializing in the production and supply of consumer electronics, including Action cam, Sunglasses cam, Mini speakers. Superior quality and excellent customer service are our major focus.

Our Products

We currently have over 40 models of products for you to choose from, primarily for the overseas market. All our products come with CE & ROHS certificates.

Four production lines operate within our 2,000 sq.m factory, turning out 50,000 pieces per month, while our MOQ requirement is just 10pcs. With a daily output of more than 1,000pcs we can have your urgent orders ready in just 2 days.

Quality Assurance

We have 20 QC technicians conducting piece-by-piece double testing on PCBA finished products. Four inspection stages occur during production and a final product testing process is a prerequisite prior to packing ensuring a defective product percentage as low as 0.2%. All products are inspected prior to shipping. Quality is top priority for us here at E-Joy Tech as is evident from our one-year product warranty.

OEM/ODM Service

New OEM/ODM service offers are available for our worldwide customers. We have the capacity to brand their products as required on budget, models, capacity, speed, customized logo design, printing, customized packing design and printing, file pre-loading and auto-running etc. Customized samples can be available in just 7 days.
