

Yangjiang Refull Industrial Co.,Ltd.

Professional Manufacturer of Kitchen Knives and Scissors Since 2011

Established in 2011, we are a professional manufacturer specializing in high-quality kitchen knives and scissors, located in Yangjiang, China, a city renowned for its expertise in blade production. With a strong commitment to craftsmanship and innovation, we provide reliable cutting tools for both household and professional use.

Certified to ISO 9001 and BSCI Standards

Our factory spans over 3,000 square meters and is staffed by a skilled team of more than 100 workers. Equipped with modern manufacturing facilities, we operate under strict quality control systems, certified to ISO 9001 and BSCI standards, ensuring that every knife and pair of scissors meets high-performance and durability requirements.

Wide Product Range

With over 14 years of focused experience in producing professional chef knives, we have honed our expertise in blade crafting, heat treatment, and precision sharpening. Our product range includes a wide variety of kitchen cutlery and versatile scissors, all designed to deliver exceptional sharpness, balance, and comfort. We offer flexible order options and welcome both large-scale and small-quantity purchases. Whether you are an established partner or a new client, we are dedicated to providing tailored service and consistent product quality to meet your specific needs.

Inquire Now

We warmly invite all customers, both existing and new, to visit our factory in Yangjiang to witness our production process, discuss collaborations, and place orders. Let us be your trusted partner in supplying high-performance knives and cutting tools for your kitchen and beyond.
