WE MAKE YOUR BUSINESS BETTER THAN OTHERS

AKUN®

About Us

Since Aikun Corporation was founded in 2006, our commitment and passion have not changed. Today Aikun is a global leader in personal computer peripherals, Aikun maintains an exceptionally strong commitment to development, for its within the discipline of development that yesterday's fiction becomes tomorrow's reality. We strive to identify things that, when made better, improve people's lifestyles.

Aikun is a standard factory in Bao'an, Shenzhen, with an area of 10000 square meters. Meanwhile, from the year 2006, we adopted lead-free production craft. All the products can meet standards of quality, This includes ISO 9001-certified facilities and BSCI social responsibility management, third-party control and auditing, PRE and post-shipment quality inspections, and internal guidelines that greatly exceed industry standards.

A MINIMALIST ADVANTAGE

Gaming keyboard experience

- 1 ■ GX922WR Backlite customizable with approximate 16.8 M colors, or choose from a selection of preset effects RGB 2 Side Brand, Customized RGB brand at 2 Sides
- 2 ■ Advanced GX mechanical switches - engineered and 100% tested for performance, responsiveness, and durability.
- 3 ■ GX922 is crafted from incredibly strong and durable aluminum-magnesium alloy which allows for both a minimal design and a beautiful aesthetic.
- 4 ■ The Detachable palm rest relieves discomfort or fatigue, so you can keep playing comfortably round after round.
- 5 ■ Connect to multiple devices, Connect up to 5 devices via Bluetooth, 2.4Ghz wireless or wired for super fast swap to another device with the push of a button — quickly and easily.
- 6 ■ Full Function Keys, Media controls are right at your fingertips. Use the FN key to media control, play and pause, mute, ect
- 7 ■ Dedicated KNOB, Onboard media controls are right at your fingertips. Dedicated controls quickly adjust volume, play/pause
- 8 ■ Play On. Play Free, Stay in a state of play with ultra-responsive wireless connectivity. Enjoy the 20 gaming-hour battery life.
