Centurion Pacific Industries Co,Limited

COMPANY INTRODUCTION

Centurion Pacific Industries Co., Limited

Headquartered in Hong Kong, a global business and trade hub, Centurion Pacific Industries Co., Limited is an export-oriented enterprise specializing in the design, R&D and production of high-end glassware for household, kitchen and hotel applications. Leveraging Hong Kong's international resources and trade advantages, we deeply integrate into the global supply chain and business network, and strategically expand into key markets including Europe, America, the Asia-Pacific and the Middle East, cementing our foothold in the global high-end glassware sector.

We focus on three core product categories, with international minimalist aesthetics at the core, while meeting the scenario-specific needs and functional standards of different regions. Our household and kitchen series cater to the quality lifestyle of families worldwide, and our hotel series are tailored to the high-end positioning of international star-rated establishments, serving a host of multinational hotel groups and premium home furnishing brands. In production, we strictly adhere to international standards such as the US FDA & EU No. 10/2011, and integrate ISO system management and control. From the selection of high-spec raw materials to the refinement of precision craftsmanship, we safeguard the crystal-clear texture of our glassware. Our products are exported to more than 80 countries and regions, and have obtained multiple international quality certifications.

We are committed to the meticulous cultivation of this niche market, eschewing ostentation to focus on creating high-end glassware that combines international aesthetics, durability and regulatory compliance. This dedication underpins our clear vision: with Hong Kong as our global operation hub, we will rely on the core advantages of "Quality + Aesthetics + Compliance" to build a globally recognized high-end glassware ecosystem, become a trusted long-term partner for multinational clients, and let our translucent products embody the diverse aesthetics of life to empower the upgrading of high-end scenarios around the world.
