At JUPU, our purpose is simple: Innovation, Efficient, Quality, Service.
We began as a small company in Shenzhen manufacturing tablet keyboard case and wireless keyboard in 2013, after 4 years growing up, we moved to Dongguan, and stick to our purpose all the time, in 2020, JUPU molding factory was established, serve for JUPU,serve for all customers.
Now JUPU has over 200 employees, covering an area of more than 5,000 square meters. We are keeping on innovating and developing new products, many products have utility model patents and some of them are national patents. We have received ISO9001 and got the Apple MFI license, also passed other regular certificates like CE,FCC,BQB,ROHS.
Quality is our pursuit, over 20 QC members inspect the products from raw materials to finished products, we promise every single products are 100% qualified.
We have served for many Amazon clients and some brand companies all over the world.
We hope in the future people won't even realize we started manufacturing tablet keyboard case and wireless keyboard, instead, they will know JUPU as a service company.
