ABOUT US:

Established in 2007, Sunmi is a modern enterprise group integrating research & development, production and sales of laptop bag, backpack, camera bag, tablet case, phone case and other electronics accessories organizer bags.

Our factory is located in Guangzhou, China, with a branch factory in Hunan Province. With more than 17 years' bags manufacturing experience as well as the professional and innovative design team, We are always at the forefront of the trend.

Based on the spirit of "Customer first, Quality first", quality and service are regarded as our factory's life. We strictly comply with ISO 9001:2015 international quality standard and we have ISO 14001:2015, BSCI and GRS certificates. Our well-equipped facilities and excellent quality control throughout all stages of production enable us to guarantee total customer satisfaction, and make our products greatly appreciated in a variety of different markets throughout the world.

With our innovative high quality products and outstanding customer service, we are sure you'll find something new that's exactly right for you in Sunmi. Welcome to take a visit to our factory. We are looking forward to being your good business partner and building mutual beneficial cooperation together.

Patent Certificate

In this way, yarns are made from recycled plastic bottles (used) or rejected bottles acquired from bottle companies. This reduces waste and pollution. Other names for this fabric are recycled polyester Fabric & PET Spun Fabric.

In the end, the fabric can be recycled and produced into raw material of other products.

This logo represents RPET fabric.
