COMPANY PROFILE :

26-year manufacturer for PC case,gaming PC case,power supplies and fans supplies

Guangzhou HeRui Technology Company Limited was established in 1999, We are an professional manufacturer of computer cases ,computer fans and power supplies in Guangdong City China .We had focused on domestic market at the first beginning.

It cover 120,000sqm factory area and 600 well-trained employees. Moreover,the QC department was created to ensure the quality of incoming raw materials and finished products. Our products was approved comply with CE, FCC and RoHS , so our clients no need to worry about the quality.

We had successfully creating and developing for our own brands-CENTURY STAR for over 26 years. After it's development, we have established the long term partnerships with many major clients through the trading company at home and abroad.
