Company Profile

Dongguan Xinlijie New Materials Co., Ltd. was established in 2016, adjacent to Guangzhou and Shenzhen. It takes about an hour's drive from our factory to Shenzhen Port or Guangzhou Port.

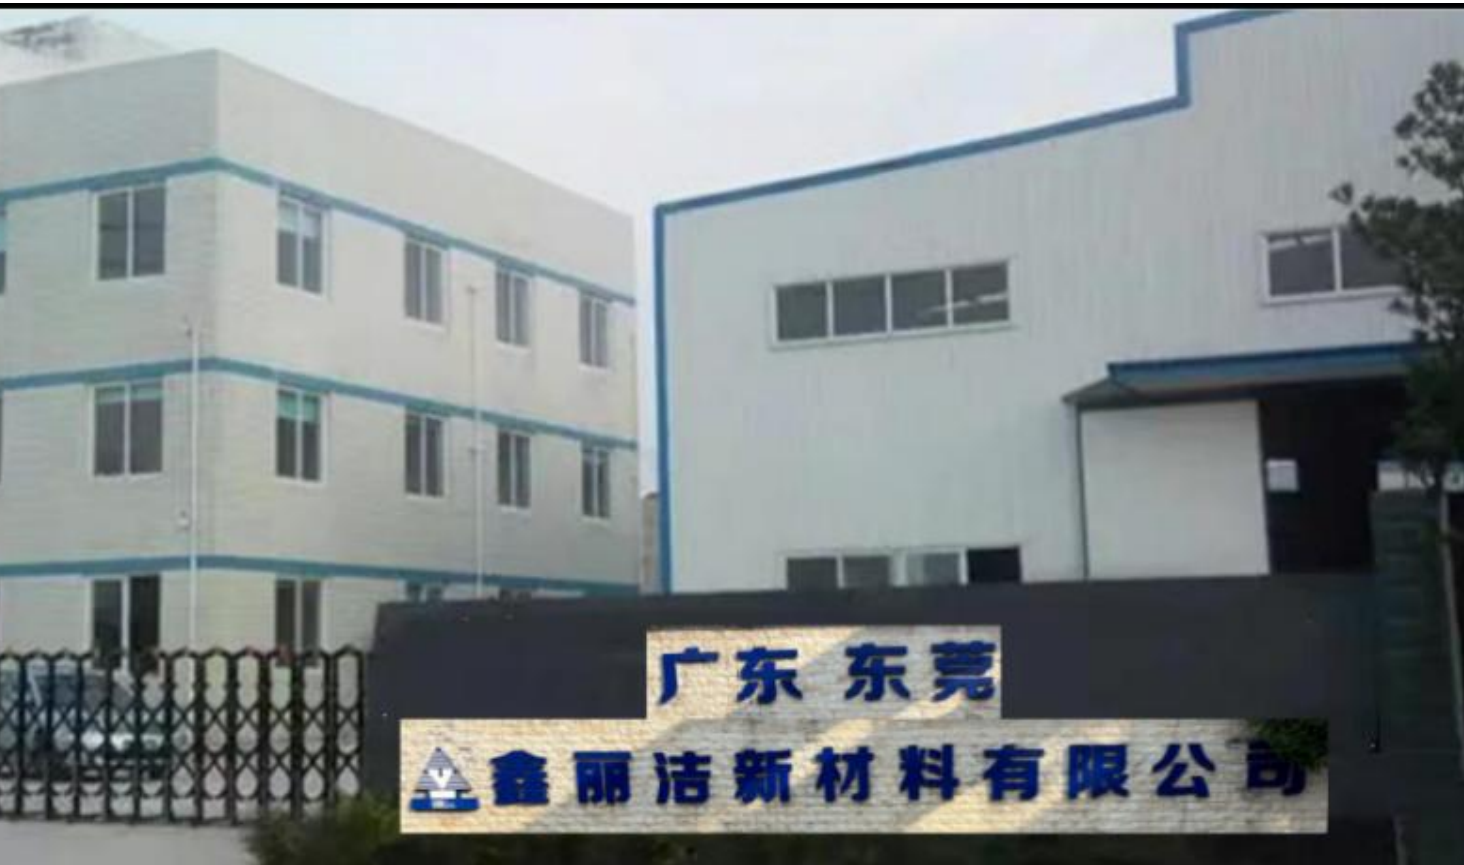

We focus on the design and production of wood pattern and marble pattern LVT self-adhesive flooring and SPC lock flooring. With more than 10 years of professional experience, we have a complete production management system, quality management system and sales management system, and are very famous in the field of PVC flooring. Competitiveness.

At present, the factory covers an area of 30,000 square meters and has more than 300 employees, including 2 designers, 5 engineers, and 22 sales people. The products are sold well in Europe, America, Southeast Asia, the Middle East, Africa and other countries and regions.

Now we have 4 automated production lines with a daily output of 40,000 square meters. Our goal is to meet our customers' shipping efficiency and quality requirements.

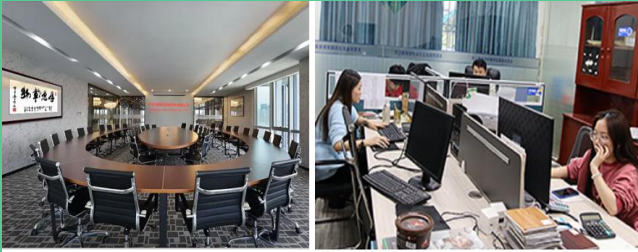

Adhering to the spirit of professional craftsmanship, combined with advanced domestic and foreign market experience and systematic management policies, we always focus on product development and manufacturing with professionalism and care. Our core value is to bring more, healthier and better products to every customer.

Customers from all over the world are welcome to visit our factory at any time and maintain long-term partnership.
