About US:

Founded in 2015, based in Shenzhen, China's "smart manufacturing" center, it is a high-tech enterprise with forward-looking vision and innovative spirit. The company has strong software and hardware research and development capabilities, and has empowered artificial intelligence hardware by outputting AI skills such as voice technology, OCR technology, car-machine interaction technology, and cloud services, and has obtained more than 100 related trademark patents. Landed products such as smart translators, smart recording pens, smart meeting treasures, and smart scanning pens. In 2022, the annual shipment of related products will exceed one million units. Beibo Intelligence focuses on the R&D, production and sales of artificial intelligence software and hardware. It has many strategic partners in Japan, Europe, America and other countries, and has established a strong marketing team and technical support team. In the field of helping humans overcome language barriers, is the world's leading provider of intelligent translation equipment solutions.

Certificate :

Our Team:

1. R&D Team(100+ patents in China and overseas):

Over 40 people in software & hardware R&D team.

More than 5 years of research and development experience in artificial intelligence translation technology.

More than 8 years of experience in intelligent hardware design/development.

2.QC Team:

Strictly follow the smartphone process.

ISO9001 management system.

Domestic 3C SRRC, EU CE RoHS, Japan TELEC PSE, US FCC FDA, Korea KC.

3.Production Delivery Team:

Core members with more than 10 years experience in smartphone production.

Mature and stable supply chain, 65% of the material suppliers have cooperated for more than 5 years.

Self-owned monthly production capacity of 100K, outsourced monthly production capacity of 300K.

Accumulated 5KK-level artificial intelligence hardware production and delivery experience.

4.After Sales Support Team:

A professional and complete after-sales support team in China and abroad.

Timely response, key solutions, one-on-one service.

Our Products:

Empower artificial intelligence hardware by outputting AI skills such as voice technology, image OCR technology, car-machine interaction technology, cloud services, etc.; Integrate educational content resources, use AI skills, and use smart hardware as a carrier to empower smart education.

A.Smart Office

- Smart translator, Smart meeting treasure, Smart office book, Smart recorder, Translation headset, Voice mouse and keyboard, etc.

B.Smart Education

- Scanning Dictionary pen, Online class learning machine, Listening machine, Word machine, Handheld learning treasure, Wrong question printing machine, etc.

Smart Translator T8/T8S

Features

Networking method: WIFI/Hot spot
 Display screen size: 2.4 inch touch screen
 OS: V-OS 5.0
 RAM+ROM: 1G+4G
 Resolution: 240*320
 Capacity: 1200 mAh
 Standby Time: 15 days
 Working Time: 4-5 hours
 Products Size: 123*57*12.5 mm

Function

Offline translation: 10 languages
 Online translation: 120 languages
 Photo translation: 55 languages
 Recording: Support
 Group Translation: Support
 Bluetooth: Support

Smart Translator T11

Features

Networking method: WIFI/Hot spot
Display screen size: 2.4 inch touch screen
OS: V-OS 5.0
RAM+ROM: 1G+4G
Resolution: 240*320
Capacity: 1200 mAh
Standby Time: 15 days
Working Time: 4-5 hours
Products Size: 125.8*55*12 mm

Function

Offline translation: 10 languages
Online translation: 120 languages
Photo translation: 55 languages
Recording: Support
Group Translation: Support
Bluetooth: Support

Smart Translator Z2

Features

Networking method: WIFI / Hot Spot / Offline

Display screen size: 3.1 inch touch screen

OS: V-OS 8.1

RAM+ROM: 1G+8G/1G+16G

Resolution: 480*854

Capacity: 1200 mAh

Standby Time: 15 days

Working Time: 5-7 hours

Products Size: 118*50*13.5 mm

Function

Offline Voice translation: 17 languages

Online Voice translation: 137 languages

Online Photo translation: 75 languages

Offline Photo translation: 41 languages

Recording: Support

Group Translation: Support

Bluetooth: Support

Smart Translator Z6

Features

Networking method: WIFI / Hot Spot / Offline

Display screen size: 4.1 inch touch screen

OS: V-OS 8.1

RAM+ROM: 1G+8G/1G+16G

Resolution: 640*1280

Capacity: 1500 mAh

Standby Time: 15 days

Working Time: 5-7 hours

Products Size: 116*49*12 mm

Function

Offline Voice translation: 17 languages

Online Voice translation: 137 languages

Online Photo translation: 75 languages

Offline Photo translation: 41 languages

Exchange Rate: Support

Unit Conversion: Support

Recording: Support

Group Translation: Support

Bluetooth: Support

Smart Translator Z8

Features

Networking method: WIFI / Hot Spot / Offline

Display screen size: 3.1 inch touch screen

OS: V-OS 8.1

RAM+ROM: 1G+8G/1G+16G

Resolution: 480*854

Capacity: 1500 mAh

Standby Time: 15 days

Working Time: 5-7 hours

Products Size: 118*55*11 mm

Function

Offline Voice translation: 17 languages

Online Voice translation: 137 languages

Online Photo translation: 75 languages

Offline Photo translation: 41 languages

Recording: Support

Group Translation: Support

Bluetooth: Support

Smart Translator A10

Features

Networking method: WIFI / Hot Spot / Offline / 4G-SIM / E-SIM

Display screen size: 4.1 inch touch screen

OS: V-OS 11

RAM+ROM: 1G+8G/2G+16G/2G+32G

Resolution: 640*1280

Capacity: 2000 mAh

Standby Time: 15 days

Working Time: 6-8 hours

Products Size: 133*58*11 mm

Function

Offline translation: 20 languages

Online translation: 150 languages

Online Photo translation: 75 languages

Offline Photo translation: 41 languages

Exchange Rate: Support

Unit Conversion: Support

Recording : Support

Group Translation: Support

Bluetooth: Support

MiFi: Support

Scanning Dictionary Pen X1/X2

Features

Networking method: WIFI / Hot spot / Offline
 Display screen size: 2.23 inch touch screen
 OS: V-OS 8.1
 RAM+ROM: 1G+8G
 Resolution: 480*200
 Capacity: 820 mAh
 Working Time: 4-6 hours
 Standby Time: 15 days
 Products Size: 146*32*9 mm

Function

Scan Text&save: Up to 100 languages offline scanning, 30 languages offline TTS,
 55 languages online TTS
 Scan Text&Reader: Support
 Scan to Dictionary: Collins Dictionary
 Recording to Text: Up to 11 languages offline
 Voice Translation: Up to 137 languages online and 17 languages offline
 Scan Translation: Up to 30 languages offline and 55 languages online
 Photo Translation: Up to 41 languages offline and 75 languages online
 Scan Text and Extract: Support
 MP3: Support
 Bluetooth: Support

Scanning Dictionary Pen X12

Features

Networking method: WIFI/Hot spot / Offline

Display screen size: 3.38 inch touch screen

OS: V-OS 8.1

RAM+ROM: 1G+8G

Resolution: 640*200

Capacity: 1200 mAh

Working Time: 4-6 hours

Standby Time: 15 days

Products Size: 150*32*14.2 mm

Function

Scan Text&save: Up to 100 languages offline scanning, 30 languages offline TTS,
55 languages online TTS

Scan Text&Reader: Support

Scan to Dictionary: Collins Dictionary

Recording to Text: Up to 11 languages offline

Voice Translation: Up to 137 languages online and 17 languages offline

Scan Translation: Up to 30 languages offline and 55 languages online

Photo Translation: Up to 41 languages offline and 75 languages online

Scan Text and Extract: Support

MP3: Support

Bluetooth: Support

Scanning Dictionary Pen X5PRO

Features

Networking method: WIFI/Hot spot / Offline
 Display screen size: 3.5 inch touch screen
 OS: V-OS 8.1
 RAM+ROM: 1G+8G
 Resolution: 800*340
 Capacity: 1500 mAh
 Working Time: 4-6 hours
 Standby Time: 15 days
 Products Size: 155*43*14 mm

Function

Scan Text&save: Up to 100 languages offline scanning, 30 languages offline TTS,
 55 languages online TTS
 Scan Text&Reader: Support
 Scan to Dictionary: Collins Dictionary
 Recording to Text: Up to 11 languages offline
 Voice Translation: Up to 137 languages online and 17 languages offline
 Scan Translation: Up to 30 languages offline and 55 languages online
 Photo Translation: Up to 41 languages offline and 75 languages online
 Scan Text and Extract: Support
 MP3: Support
 Bluetooth: Support

Scanning Dictionary Pen X6/X7

Features

Networking method: WIFI / Hot spot / Offline

Display screen size: 3.5 inch touch screen

OS: V-OS 8.1

RAM+ROM: 1G+8G

Resolution: 800*340

Capacity: 1500 mAh

Working Time: 4-6 hours

Standby Time: 15 days

Products Size: 155*43*14 mm

Function

Scan Text&save: Up to 100 languages offline scanning, 30 languages offline TTS,
55 languages online TTS

Scan Text&Reader: Support

Scan to Dictionary: Collins Dictionary

Recording to Text: Up to 11 languages offline

Voice Translation: Up to 137 languages online and 17 languages offline

Scan Translation: Up to 30 languages offline and 55 languages online

Photo Translation: Up to 41 languages offline and 75 languages online

Scan Text and Extract: Support

MP3: Support

Bluetooth: Support

Scanning Dictionary Pen V06

Features

Networking method: WIFI/Hot spot / Offline
 Display screen size: 4.1 inch touch screen
 OS: V-OS 8.1
 RAM+ROM: 1G+8G
 Resolution: 640*200
 Capacity: 1200 mAh
 Working Time: 4-6 hours
 Standby Time: 15 days
 Products Size: 153*33*15 mm

Function

Scan Text&save: Up to 100 languages offline scanning, 30 languages offline TTS,
 55 languages online TTS
 Scan Text&Reader: Support
 Scan to Dictionary: Collins Dictionary
 Recording to Text: Up to 11 languages offline
 Voice Translation: Up to 137 languages online and 17 languages offline
 Scan Translation: Up to 30 languages offline and 55 languages online
 Photo Translation: Up to 41 languages offline and 75 languages online
 Scan Text and Extract: Support
 MP3: Support
 Bluetooth: Support

Scanning Dictionary Pen V07

Features

Networking method: WIFI/Hot spot / Offline

Display screen size: 5 inch touch screen

OS: V-OS 8.1

RAM+ROM: 1G+8G

Resolution: 800*200

Capacity: 1200 mAh

Working Time: 4-6 hours

Standby Time: 15 days

Products Size: 153*33*15 mm

Function

Scan Text&save: Up to 100 languages offline scanning, 30 languages offline TTS,
55 languages online TTS

Scan Text&Reader: Support

Scan to Dictionary: Collins Dictionary

Recording to Text: Up to 11 languages offline

Voice Translation: Up to 137 languages online and 17 languages offline

Scan Translation: Up to 30 languages offline and 55 languages online

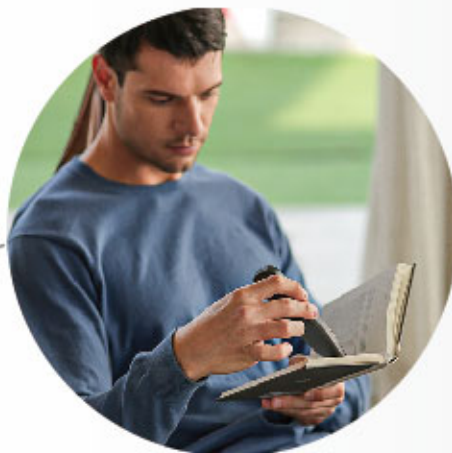

Photo Translation: Up to 41 languages offline and 75 languages online

Scan Text and Extract: Support

MP3: Support

Bluetooth: Support

Insist on bringing AI products with technological charm to global consumers

Adhere to innovation to provide users with five-star experience

AI makes life better. Become a respected AI technology company
