Company profile

公司介绍

公司成立于2005年，总部位于被誉为“国际制造业之都”的东莞市石排镇，工厂占地面积16000多平方米，厂房面积22000多平方米。公司拥有一支高素质的研发队伍和先进的生产设备。公司自成立以来，一直致力于计算机冷却系统及各种工业及微电子散热产品，热传导技术及热交换技术的产品研发、生产、销售。产品远销欧洲、美国和亚洲，服务网络覆盖世界各地，德国、香港、台湾和美国均设有公司。

Company profile

Sunyon Industry Co.,Ltd was founded in 2005, has been focused on heat dissipation system research and development, heatsink production and sale for more than a decade. Our copper/aluminum heatsink,copper pipe/heat pipe cooling modules,TEC cooling modules are broadly applied to various fields such as communications, computer server,automotive,home appliances,electric control system,solar energy,medical equipment,LED lighting etc.

Company has a top R&D team and complete production process; Company employees nearly 500 people,all kinds of R&D and technical personnel more than 30 people; Our products are exported to Europe, America,Japan,and Southeast Asia.

因为有目标，
所以我们一直在前进！

Development Process

公司发展历程

The first patent certificate In August 2012, Now we have dozens of patent certificates

2012.8

Winning the title of National New-tech Enterprise on December 2017

2017.12

It has been awarded as a reliable enterprise by Dong Guan municipal government, and has been awarded as a quality supplier and best partner by many customers

2014.12

The certificate of IATF 16949-2016 quality system on May 2017

2017.5

The certificate of ISO 9001 quality system on May 2009

2009.5

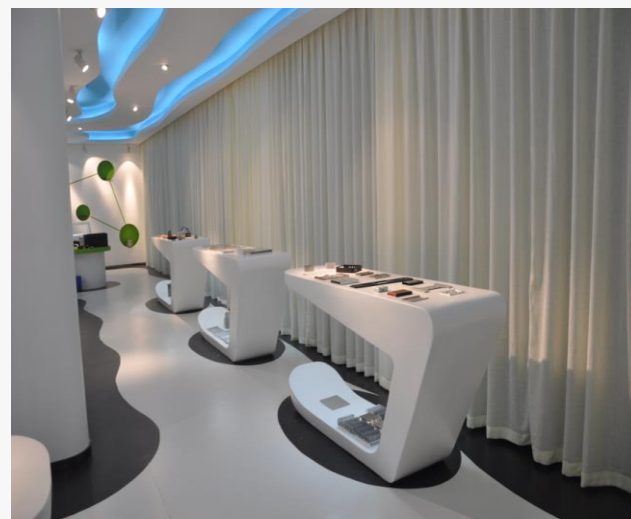

COOLWHIST was registered on July 8, 2005

2005.7
