PROFIL

COMPANY PROFILE

Shenzhen Motto Electronics Co., Ltd. is a highly professional manufacturer in the field of kids' GPS smart watches since 2014. Our product portfolio is diverse, covering 4G kids' GPS smart watches, elder GPS watches, and GPS trackers.

To ensure seamless performance and user experience, we have built our own server platform and mobile app, which are renowned for their security, stability, and fast response times.

Additionally, we have developed a range of exclusive private - model products that are sold to markets across the globe, including Europe, America, and Asia.

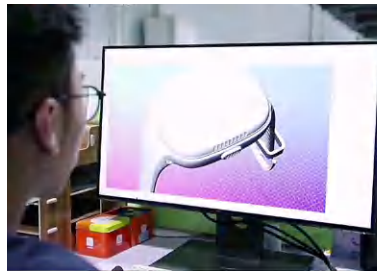

CERTIFICATE

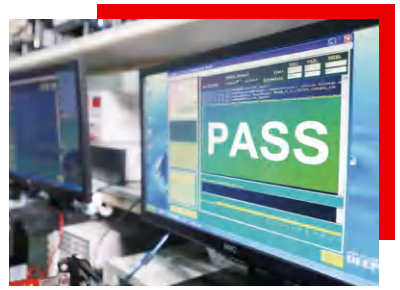

WORKSHOP

Factory covers an area of 2000m² of dust-free workshop, has passed ISO9001, BSCI and C-TPAT which were audited by SGS. There are 5 production lines and over 200 staff. We are honored to establish long-term cooperation with worldwide brands on OEM/ODM projects. Focusing on kids' safety is our eternal mission.
