产品现已远销北美，西欧，中欧，大洋洲，南美洲，中东地区，东南亚等地。公司总部位于成都市高新区，并在广东省，江苏省，浙江省，福建省，河北省等地拥有6家控股工厂。"闻道有先后，术业有专攻"，我们只专注于CNC电脑锣，数控车床件，精密自动车床件，冲压件，特殊螺丝，拉铆压铆件，特殊弹簧等五金产品的开发，设计，生产，批发。

Products have been exported to North America, Western Europe, Central Europe, Oceania, South America, the Middle East, Southeast Asia and other places. The company is headquartered in Chengdu High-tech Zone and has 6 holding factories in Guangdong, Jiangsu, Zhejiang, Fujian and Hebei provinces. We focus on the development, design, production and wholesale of CNC machined metal parts, precision automatic lathe machined parts, stamping parts, special screws, rivet parts, special springs and other hardware products.

生产设备 Production Equipments

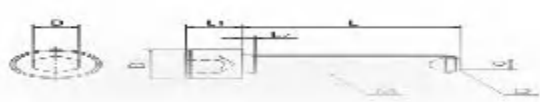

Up to 100,000 Units Manufactured Daily

All parts are RoHS-compliant. Up to 100,000 units roll off our lines daily, destined for shipment to clients throughout the World. We have 3 million lead-free units monthly capacity, thanks to our more than 80 employees.

Creating New Molds in 10 Days

Lead by engineer with 35 years of experience, our design team creates new molds for our OEM clients as fast as 10 days. We also provide a fast lead time for OEM orders. 15 to 20 days is all we need.

检测设备 Inspection Equipments

Supported by Advanced Equipment

For quality assurance, we carry out production using equipment from the Taiwan region and Japan, such as 2D coordinator machines, 3D coordinate measuring machines, Salt Spray testing machine, and more. We also perform in-house testing using universal precision projectors and Olympus metallographic analysis instruments.

产品展示 Product Overview

紧固件：螺丝 螺母 压铆件 拉铆件

fastener: Screws, Bolts, Studs, Nuts, Rivet and pressure rivet series, Standard fasteners and Non-standard fasteners.

We provide a range of non-standard fasteners and standard fasteners, If you need customized fasteners, please contact us.

我们提供一系列的定制非标准紧固件和标准紧固件，如果您需要定制紧固件，请联系我们。

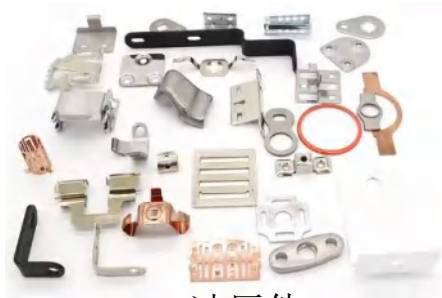

车床件：CNC电脑锣，数控车床件，精密自动车床件
CNC machined parts, Precision automatic lathe machined parts

The company specialized in production each kind of automatic lathe components and CNC machined parts. CNC machined parts from 3 axis to 5 axis are available.

Your samples and drawings are welcome for us to quote.

专业生产各种CNC车床件和自动车床件，数控车床件从3轴到5轴均可加工。欢迎来图定制和询价。

冲压件
Metal stamping part

The company produce all kinds of standard and non-standard stamping parts.

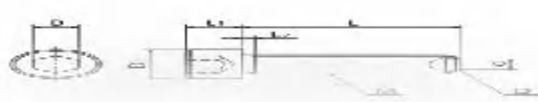

我们生产各种标准与非标准冲压件。

弹簧
Spring

The company produce compression springs, Tension Spring, Torison spring, OEM spring, etc.

我们生产各种压缩弹簧，拉伸弹簧，扭转弹簧，定制弹簧等。
