佛山市荣晖电器有限公司企业介绍

(FOSHAN ROYAL HALO HOME APPLIANCE CO.,LTD)

公司简介 (Company Profile)

佛山市荣晖电器有限公司是一家专注于风扇研发与创新的专业企业，总部位于中国电器产业核心区 —— 佛山市南海区。公司依托区域完善的产业配套，打造了集研发、生产、制造于一体的完整产业链，致力于为全球消费者提供高品质的风扇产品与服务。

产品系列 (Product Range)

公司产品矩阵丰富多元，涵盖落地扇、台扇、塔扇、壁扇、循环扇等全系列家用及商用风扇，精准满足不同场景需求。研发重心聚焦于高效节能的 DC 直流感与便捷实用的充电款风扇，顺应智能家居与绿色出行的消费趋势。

研发与生产实力 (R&D & Manufacturing)

荣晖电器构建了全产业链自主可控的生产研发体系，拥有研发部、模具厂、塑料件厂及组装厂，实现从设计到成品的全流程闭环管控，确保产品质量与生产效率。公司拥有多项产品设计与外观专利，坚持每年推出多款创新产品，注重产品颜值与用户体验的双重提升。

核心优势 (Core Strengths)

全产业链布局：从研发到生产的全流程自主可控，保障品质与效率。
持续创新能力：拥有多项专利，每年推出创新产品，形成差异化优势。
规模化生产：年产量超 200 万台，高效响应全球订单需求。
以人为本：为员工营造舒适的生产环境，以人文关怀筑牢品质根基。

未来展望 (Future Outlook)

立足佛山南海的产业优势，荣晖电器将继续坚守 “高品质、重创新、优服务” 的宗旨，持续强化研发创新，保持产品质量稳定，致力于成为风扇行业兼具创新力与影响力的标杆企业。

FOSHAN ROYAL HALO HOME APPLIANCE CO.,LTD

FOSHAN ROYAL HALO HOME APPLIANCE CO.,LTD is a professional enterprise dedicated to the R&D and innovation of fans, headquartered in Nanhai District, Foshan City, the core area of China's electrical appliance industry. Leveraging the region's comprehensive industrial supporting facilities, the company has built a complete industrial chain integrating R&D, production, and manufacturing, committed to providing high-quality fan products and services to global consumers.

Product Range

The company boasts a rich and diverse product portfolio, covering a full range of household and commercial fans such as pedestal fans, table fans, tower fans, wall fans, and circulation fans, precisely meeting the needs of different scenarios. The R&D focus is on energy-efficient DC fans and convenient rechargeable fans, aligning with the consumption trends of smart homes and green travel.

R&D & Manufacturing

ROYAL HALO has established a fully integrated and self-controlled R&D and production system, including R&D department, mold factory, plastic parts factory, and assembly factory, achieving closed-loop control from design to finished products to ensure product quality and production efficiency. The company holds multiple product design and appearance patents, and adheres to launching several innovative products every year, focusing on the dual improvement of product aesthetics and user experience.

Core Strengths

Full Industrial Chain Layout: Full-process self-control from R&D to production, ensuring quality and efficiency.
Continuous Innovation Capability: Possessing multiple patents and launching innovative products annually to form a differentiated advantage.

Large-scale Production:

Annual output exceeding 2 million units, efficiently responding to global order demands.

People-Oriented:

Creating a comfortable working environment for employees, and building a solid foundation for quality with humanistic care.

Future Outlook

Based on the industrial advantages of Nanhai, Foshan, ROYAL HALO will continue to uphold the tenet of "High Quality, Emphasis on Innovation, Excellent Service", continuously strengthen R&D and innovation, maintain stable product quality, and strive to become a benchmark enterprise with both innovation and influence in the fan industry.
