

XUHUI TECHNOLOGY CO.,LIMITED

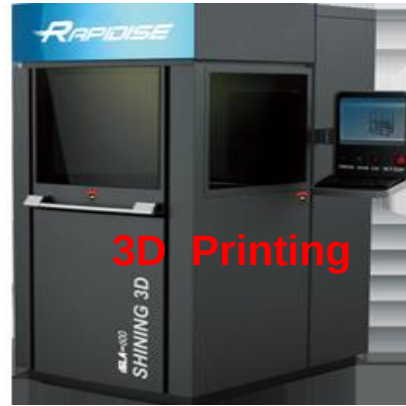

Company Profile

Profile

XUHUI TECHNOLOGY CO.,LIMITED was established in July 2000, 10000m²

- ★ Plastic injection mold and molding: enclosures, covers and accessories
- ★ Silicone rubber compression mold and molding:gaskets, keyboards, seals
- ★ Aluminum extrusion mould and moulding
- ★ Plastic suction mold and molding
- ★ Die-casting mould and moulding
- ★ rapid prototypes. including 3D Printing. Plastic, silicone rubber and metal prototypes.
- ★ Overmold and molding
- ★ Part's surface treatment: printing, painting, plating, laser Etching and others
- ★ Product assembly and packing

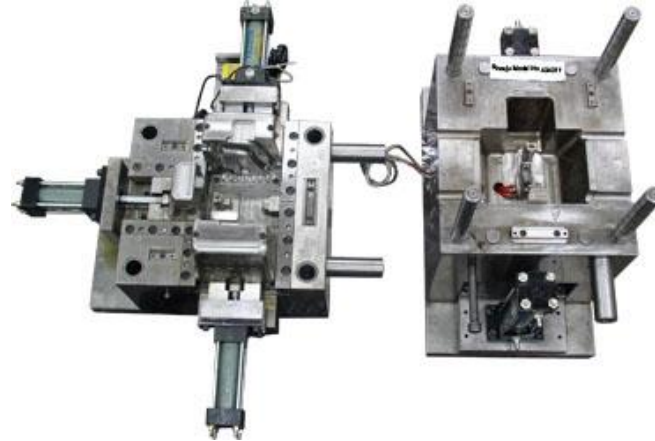

Equipments

**CNC****Milling****SINK EDM****3D Printing****WIRE EDM**

Plastic Injection mold

Precise injection mould

Two color injection mould

LED injection mould

Hot runner injection mould

Plastic enclosures, housing and accessories

Electronic products

home appliances

Medical care

Office equipment

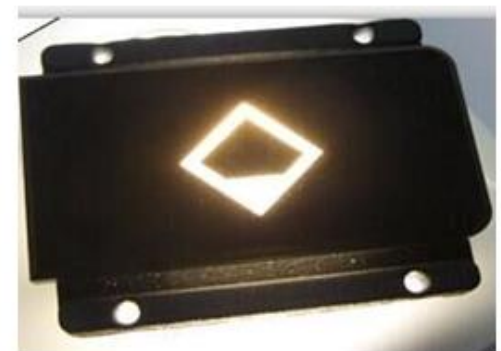

Care products

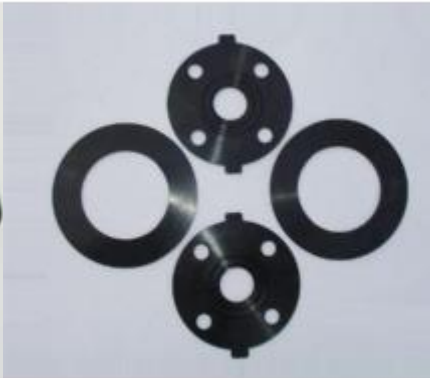

other instruments

Silicone keyboards or keypads

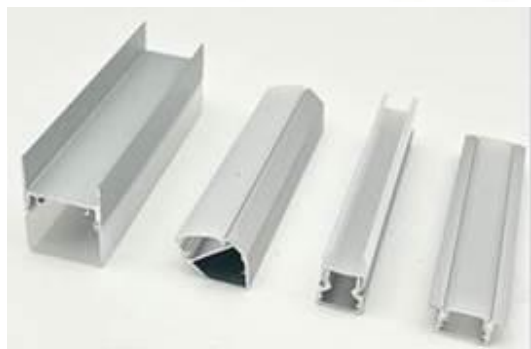

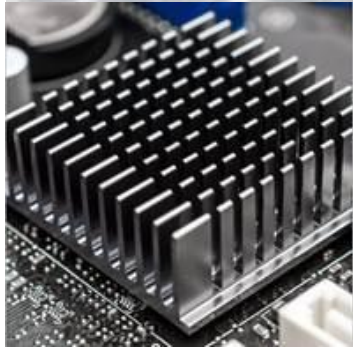

Silicone rubber gasket

Other Silicone rubber parts

Aluminum mold and molding

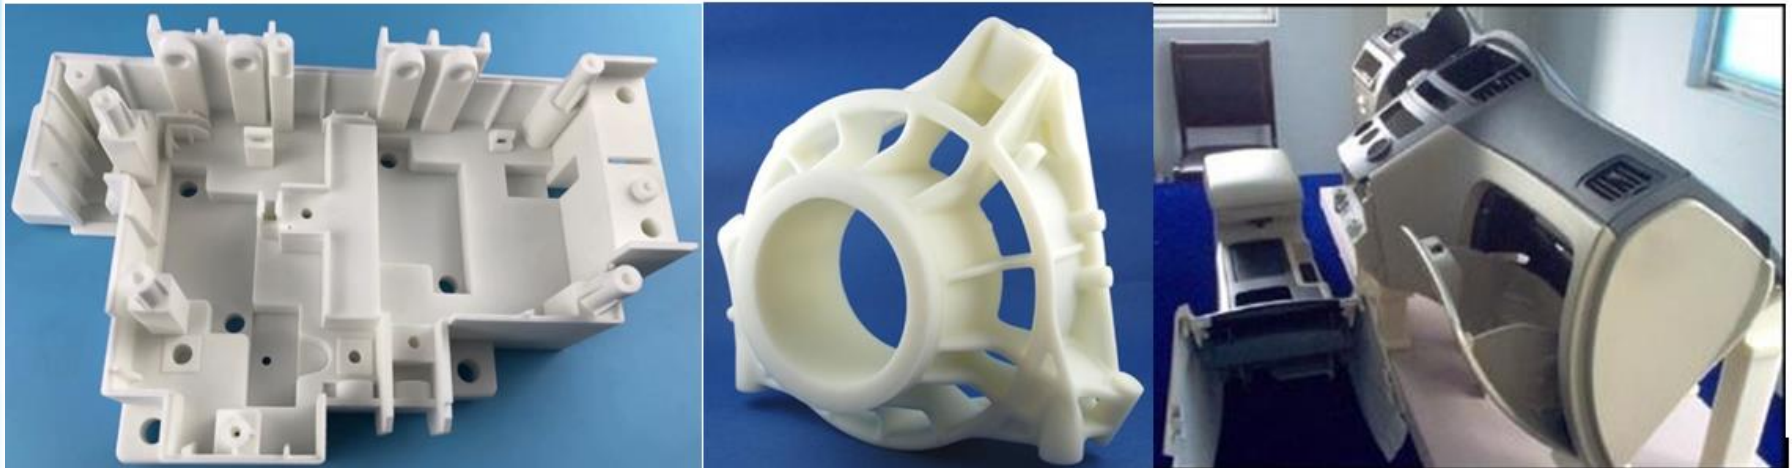

Die cast mold and molding

Rapid prototype-CNC and multi-Vacuum plastic, silicone and metal material

3D Printing –Metal and plastic material

3D Printing –Transparent prototypes

Overmold and molding

Surface treatment

printing

painting

plating

Laser etching

LED Lens

Assembly and package

XUHUI TECHNOLOGY CO.,LIMITED
